What if I Have Questions?
This guide will help you choose a health plan.

If you are already in a HealthChoices plan, you can compare your plan to the other plans. You do not have to change plans. Remember that you can change plans if you want to.

The information in this guide comes from the HealthChoices plans and their members.

**Your Health Benefits**

After you join a health plan, you will get most of your Medical Assistance benefits through that plan. All plans would give you the same basic benefits. Some plans will give you some extra services.

The plan will send you a handbook about your benefits and services.

The basic benefits are shown below. Your benefits will be based on how you qualify for Medical Assistance. This is called your category of assistance.

- **Doctor and hospital visits** - including lab and x-ray services, emergency services, and visits to specialists
- **Medicine** - prescription drugs and over-the-counter drugs if the doctor gives you a prescription for them
- **Health care for women** - pregnancy care, family planning, and birth control
- **Dental care** - routine dental care for children through age 20; benefits vary for adults
- **Vision care** - medically necessary services including eye exams, frames, and lenses
- **Medical equipment** - such as wheel chairs and diabetic supplies
- **Chiropractic care, physical therapy, foot care, and home health care**

If you live in these counties, you are in HealthChoices NorthEast. You can choose:

- Aetna Better Health
- AmeriHealth Caritas Northeast
- Geisinger Health Plan

### Comparing the Plans
