B. Operational Updates and Department Communications

1. Managed Care Operations Memos (MC OPS Memos)

The Department will issue MC OPS Memos via the Pennsylvania HealthChoices Extranet to provide clarifications to requirements pertaining to HealthChoices. PH-MCOs must routinely check the Pennsylvania HealthChoices Extranet. MC OPS Memos and notices are vehicles to clarify operational policies and procedures and are not intended to amend the terms of the Agreement.

2. Pennsylvania HealthChoices Extranet

To access the Pennsylvania HealthChoices Extranet, the PH-MCO must have established connectivity with DHS.

In addition to the MCO-OPS Memos, the Pennsylvania HealthChoices Extranet Systems site contains current information on managed care systems policies and procedures, which include but are not limited to, information on eligibility, enrollment and reimbursement procedures, and encounter data submission requirements. It also contains information on pending changes and systems notices.

SECTION II: DEFINITIONS

Abuse — Any practices that are inconsistent with sound fiscal, business, or medical practices, and result in unnecessary costs to the MA Program, or in reimbursement for services that are not Medically Necessary or that fail to meet professionally recognized standards or agreement obligations (including the RFP, Agreement, and the requirements of state or federal regulations) for health care in a managed care setting. The Abuse can be committed by the PH-MCO, Subcontractor, Provider, State employee, or a Member, among others. Abuse also includes Member practices that result in unnecessary cost to the MA Program, the PH-MCO, a Subcontractor, or Provider.

ACCESS Card — An identification card issued by the Department to each MA Recipient.

Actuarially Sound Capitation Rate — Actuarially sound Capitation rates are projected to provide reasonable, appropriate and attainable costs that are required under the terms of the contract and for the operation of the Primary Contractor for the time period and the population covered under the terms of the contracts, and such Capitation rates are developed in accordance with the requirement in 42 C.F.R. §438.4(b).
Actuarially Sound Rates — Rates that reflect, among other elements:

- the populations and benefits to be covered;
- the rating groups;
- the projected member months for each category of aid;
- the historical and projected future medical costs expected to be incurred by an efficiently and effectively operated Medicaid managed care program in the respective county/zone;
- program changes to the extent they impact actuarial soundness of the rates;
- trend levels for each type of service; and
- administrative costs expected to be incurred by an efficiently and effectively operated Medicaid managed care program, including assessment costs and profit consideration.

Actuarially sound rates are developed using sound methods and assumptions, that are reasonably attainable by the MA MCOs in the relevant Agreement year and meet the standards of the Actuarial Standards Board.

Actuary — An individual who meets the qualification standards established by the American Academy of Actuaries for an actuary and follows the practice standards established by the Actuarial Standards Board. In this part, Actuary refers to an individual who is acting on behalf of the State when used in reference to the development and certification of capitation rates.

Adjudicated Claim — A Claim that has been processed to payment or denial.

Affiliate — Any individual, corporation, partnership, joint venture, trust, unincorporated organization or association, or other similar organization ("Person"), controlling, controlled by or under common control with the PH-MCO or its parent(s), whether such control be direct or indirect. Without limitation, all officers, or persons, holding five percent (5%) or more of the outstanding ownership interests of PH-MCO or its parent(s), directors or subsidiaries of PH-MCO or parent(s) are Affiliates. For purposes of this definition, "control" means the possession, directly or indirectly, of the power (whether or not exercised) to direct or cause the direction of the management or policies of a Person, whether through the ownership of voting securities, other ownership interests, or by contract or otherwise including but not limited to the power to elect a majority of the directors of a corporation or trustees of a trust.

Alternate Payment Name — The person to whom benefits are issued on behalf of a Recipient.

Capitation — A payment the Department makes periodically to a PH-MCO on behalf of each Member enrolled under the Agreement and based on the actuarially sound rate for the provision of services under the State Plan. The Department makes the payment regardless of whether the particular beneficiary receives services during the period covered by the payment.

Caregiver — A person employed for compensation by a provider or participant who provides personal assistance services or respite services for the purpose of providing a covered service by a healthcare worker on the staff/under contract.

A Clean Claim includes a Claim with errors originating in the PH-MCO’s Claims system. Claims under investigation for Fraud or Abuse or under review to determine if they are Medically Necessary are not Clean Claims.

This term does not include a Grievance.

Retrospective Review — A review conducted by the PH-MCO, DHS, or DHS vendor or designee to determine whether services were delivered as prescribed and consistent with the PH-MCO’s payment policies and procedures in accordance with MA regulations and section V.0.4.p of the Agreement.

Revenue [for the purposes of the Equity requirement calculation] — The total gross Direct Business Premiums, for all Pennsylvania lines of business, reported in Schedule T, “Premiums and other Considerations,” of the PID report.

Risk Based Capital — The Total Adjusted Capital figure in Column One from the page titled Five Year Historical Data in the Annual Statement for the most recent year filed with PID, divided by the Authorized Control Level Risk-based Capital figure.

Risk Contract — A contract between the State, an MCO, PIHP, or PAHP under which the contractor: (1) Assumes risk for the cost of the services covered under the contract, and (2) Incurs loss if the cost of furnishing the services exceeds the payments under the contract.

Risk Corridor — A risk sharing mechanism in which the Department and PH-MCOs may share in profits and losses under the Agreement outside of a predetermined threshold amount.

Routine Care — Care for conditions that generally do not need immediate attention and minor episodic illnesses that are not deemed urgent. This care may lead to prevention or early detection and treatment of conditions. Examples of preventive and routine care include immunizations, screenings and physical exams.
Rural Health Clinics (RHCs) - a facility that is engaged primarily in providing services that are typically furnished in outpatient clinics in underserved rural areas.

School-Based Health Center — A health care site located on school building premises which provides, at a minimum, on-site, age-appropriate primary and preventive health services with parental consent, to children in need of primary health care and which participates in the MA Program and adheres to EPSDT standards and periodicity schedule.

Short Procedure Unit — A unit of a hospital organized for the delivery of ambulatory surgical, diagnostic or medical services.

Social Determinants of Health — The conditions in which people are born, grow, live, work, and age. They are the factors mostly responsible for health inequities – the unfair and avoidable differences in health status seen within and between different geographic locations. There are five major determinant areas:

- Economic stability (poverty, employment, food security, housing stability, transportation);
- Education (high school graduation, enrollment in higher education, language and literacy);
- Social and community context (social cohesion, discrimination, incarceration);
- Health and health care (accessibility and health literacy); and
- Neighborhood and built environment (food deserts, quality of housing, safety).

These factors can impact population health outcomes by establishing a negative social and physical environment and deepening the inequities that certain populations face.

Special Needs Unit — A special dedicated unit within the PH-MCO and the EAP broker’s organizational structure established to deal with issues related to Members with Special Needs.

Start Date — The first date on which the PH-MCO is operationally responsible and financially liable for the provision of Medically Necessary services to Members.

the most cost-effective drug therapy, and progresses to other more costly therapies determined to be Medically Necessary.

**Stop-Loss Protection** — Coverage designed to limit the amount of financial loss experienced by a Health Care Provider.

**Subcapitation** — A fixed per capita amount that is paid by the PH-MCO to a Network Provider for each Member identified as being in their capitation group, whether or not the Member received medical services.

**Subcontract** — A contract between the PH-MCO and an individual, business, university, governmental entity, or nonprofit organization to perform part or all of the PH-MCO’s responsibilities under this Agreement. Exempt from this definition are salaried employees, utility agreements and Provider Agreements, which are not considered Subcontracts for the purpose of this Agreement and, unless otherwise specified herein, are not subject to the provisions governing Subcontracts.

**Subcontractor** — An individual or entity that has a contract a PH-MCO that relates directly or indirectly to the performance of the PH-MCO’s obligation under its contract with the Department. A network provider is not a Subcontractor by virtue of the network Provider Agreement with the MCO, PIHP, or PAHP.

**Sustained Improvement** — Improvement in performance documented through continued measurement of quality indicators after the performance project, study, or quality initiative is complete.

**Substantial Financial Risk** — Financial risk set at greater than twenty-five percent (25%) of potential payments for covered services, regardless of the frequency of assessment (i.e., collection) or distribution of payments. The term “potential payments” means the maximum anticipated total payments that the physician or physician group could receive if the use or cost of referral services were significantly low. The cost of referrals, then, must not exceed that twenty-five percent (25%) level, or else the financial arrangement is considered to put the physician or group at Substantial Financial Risk.

**Targeted Case Management Program** — A case management program for Recipients who are diagnosed with AIDS or symptomatic HIV.

**Third Party Liability** — An individual entity or program’s (e.g. Medicare) other than the PH-MCO financial responsibility for all or part of a Member’s health care expenses.

**Third Party Resource** — Any individual, entity or program that is liable to pay all or part of the medical cost of injury, disease or disability of a Recipient. Examples of TPR include: government insurance programs such as Medicare or CHAMPUS;

**Title XVIII (Medicare)** — A federally-financed health insurance program administered by the CMS pursuant to 42 U.S.C. §§1395 et seq., covering almost all Americans sixty-five (65) years of age and older and certain individuals under sixty-five (65) who are disabled or have chronic kidney disease.

**Transitional Care Home** — A tertiary care center which provides medical and personal care services upon hospital discharge to children who require intensive medical care for an extended period of time to allow for the caregiver to be trained in the care of the child.

**Urgent Care Services** — Services furnished to an individual who requires services to be furnished within twenty-four (24) hours in order to avoid the likely onset of an emergency medical condition.

**Urgent Medical Condition** — An illness, injury or severe condition which under reasonable standards of medical practice, should be diagnosed and treated within a twenty-four (24) hour period and if left untreated, could rapidly become a crisis or Emergency Medical Condition. The term also includes services that are necessary to avoid a delay in hospital discharge or hospitalization.

**Utilization Management** — An objective and systematic process for planning, organizing, directing and coordinating health care resources to provide Medically Necessary, timely and quality health care services in the most cost-effective manner.

**Utilization Review Criteria** — Detailed standards, guidelines, decision algorithms, models, or informational tools that describe the clinical factors to be considered relevant to making determinations of medical necessity including, but not limited to, level of care, place of service, scope of service, and duration of service.

**Value Based Purchasing Strategies** — A model which aligns more directly to the quality and efficiency of care provided, by rewarding providers for their measured performance across the dimensions of quality.

VBP strategies for the HealthChoices Program may include, but not be limited to gain sharing contracts, risk contracts, episodes of care payments, bundled payments, and contracting with Centers of Excellence and Accountable Care Organizations.

**Voided Member Record** — A Member Record used by the Department to advise the PH-MCO that a certain related Member Record previously submitted by the Department to the PH-MCO should be voided. A Voided Member Record can be
recognized by its illogical sequence of PH-MCO membership start and end dates with the end date preceding the Start Date.

**Waste** — The overutilization of services or other practices that result in unnecessary costs. Generally not considered caused by criminally negligent actions, but rather misuse of resources.

All Definitions - These definitions are case-insensitive. A defined term used in the Agreement is intended to have the meaning ascribed to such term in the Definition section of the Agreement regardless of capitalization if in the context of the provision the definition is applicable.

This includes, but is not limited to, requirements under Public Law 111-5, known as the American Recovery and Reinvestment Act of 2009, and specifically:

- 42 U.S.C. §1396b(t)

as amended and as it meets the requirements of 42 U.S.C. §1395w-4(o) and Title XIII, section 13001, known as HITECH of Public Law 111-5, known as the American Recovery and Reinvestment Act of 2009.

- Track the meaningful use of certified Electronic Health Record technology by providers;
- Provide oversight of the initiative including, but not limited to, attesting to qualifications of providers to participate in the initiative, tracking meaningful use attestations, and other reporting mechanisms as necessary.

SECTION V: PROGRAM REQUIREMENTS

A. In-Plan Services

The PH-MCO must ensure that all services provided are Medically Necessary.

The MCO may but is not required to impose copayments, but only for those services, items, and pharmacy services that have a copayment in the MA FFS delivery system and subject to the exemptions in the MA FFS delivery system. If the MCO imposes copayments, the amount of the copayments may not exceed the amounts imposed in the MA FFS delivery system. Network Providers and other Providers that may render services under the Agreement may not deny a covered service because a Member is unable to pay the copayment amount, but the Provider may continue to attempt to collect the copayment amount.

1. Amount, Duration and Scope

At a minimum, the PH-MCO must provide In-Plan Services in the amount, duration and scope set forth in the MA FFS Program and be based on the Recipient’s benefit package, unless otherwise specified by the Department. This includes quantitative and non-quantitative treatment limits (QTL) (NQTL) as indicated in state statutes and regulations, the Medicaid state plan and other state policies and procedures. The PH-MCO must provide services that are sufficient in amount, duration, or scope to reasonably be expected to achieve the purpose for which the services are furnished. If services or eligible consumers are added to the Pennsylvania MA Program or the HealthChoices Program, or if covered services or eligible consumers are expanded or eliminated, implementation by the PH-MCO must be on the same day as the Department’s, unless the PH-
MCO is notified by the Department of an alternative implementation date.

The PH-MCO may not arbitrarily deny or reduce the amount, duration or scope of a Medically Necessary service solely because of the Member’s diagnosis, type of illness or condition.

Pursuant to 42 C.F.R. §438.3(e)(2)(i) – (iii), the PH-MCO may cover services or settings for enrollees that are in lieu of those covered under the Medicaid State Plan if:

• The State determines that the alternative service or setting is a medically appropriate substitute for the covered service or setting under the Medicaid State Plan.

• The State determines that the alternative service or setting is a cost effective substitute for the covered service or setting under the Medicaid State Plan.

• The enrollee is not required by the PH-MCO to use the alternative service or setting.

• The approved in lieu of services are authorized and identified in the PH-MCO contract.

• The approved in lieu of services are offered to enrollees at the option of the PH-MCO.

2. **In-Home and Community Services**

The PH-MCO may not deny personal care services for members under the age of 21 based on the Member’s diagnosis or because the need for personal care services is the result of a cognitive impairment. The personal care services may be in the form of hands-on assistance (actually performing a personal care task for a person) or cuing so that the person performs the task by him/her self.

The PH-MCO may not deny a request for Medically Necessary in-home nursing services, home health aide services, or personal care services for a Member under the age of 21 on the basis that a live-in caregiver can perform the task, unless there is a determination that the live-in caregiver is actually able and available to provide the level or extent of care that the Member needs, given the caregiver’s work schedule or other responsibilities, including other responsibilities in the home.
The PH-MCO must include in its Provider Network any Home Health Agency that offers in-home nursing services, home health aide services, or personal care services for Members under the age of 21 that is enrolled in Pennsylvania Medical Assistance and is willing to comply with all of the PH-MCO’s quality and non-quality contract standards, utilization management standards and accept PH-MCO rates that are consistent with reimbursement rates paid to similar In-Network Providers.

The PH-MCO must submit to the Department for prior review and written approval any Home Health Agency requests for entrance to the Network that it intends to deny based upon quality of care, program integrity or other relevant concerns.

The PH-MCO must implement a Public Health Dental Hygiene Practitioner (PHDHP) program or a dental hygienist program under the direct supervision of a dentist. The hygienists must spend the majority of their time face-to-face performing direct patient preventive care in the community.

3. **Program Exceptions**

The PH-MCO is required to establish a Program Exception process, reviewed and approved by the Department, whereby a Provider may request coverage for items or services, which are included in the Member’s benefit package but are not currently listed on the MA Program Fee Schedule. The PH-MCO must also apply the program exception process to requests to exceed limits for items or services that are on the Fee Schedule if the limits are not based in statute or regulation. These requests are recognized by the Department as a Program Exception and are described in 55 Pa. Code §1150.63.

4. **Expanded Services**

The PH-MCO may provide expanded services subject to advance written approval by the Department. These must be services that are generally considered to have a direct relationship to the maintenance or enhancement of a Member’s health status, and may include various seminars and educational programs promoting healthy living or illness prevention, memberships in health clubs and facilities promoting physical fitness and expanded eyeglass or eye care benefits. These services must be generally available to all Members and must be made available at all appropriate Network Providers. Such services cannot be tied to specific Member performance; however, the Department may grant exceptions when
it believes that such performance will produce significant health improvements for Members. Previously approved services will continue to remain in effect under this Agreement, unless the PH-MCO is notified, in writing, by the Department, to discontinue the expanded service.

In order for information about expanded services to be included in any Member information provided by the PH-MCO, the PH-MCO must make the expanded services available for a minimum of one full year or until the Member information is revised, whichever is later. Upon sixty (60) days advance notice to the Department, the PH-MCO may modify or eliminate any expanded service. Such services as modified or eliminated shall supersede those specified in the Proposal. The PH-MCO must send written notice to Members and affected Providers at least thirty (30) days prior to the effective date of the change in covered services and must simultaneously amend all written materials describing its covered services or Provider Network. A change in covered services includes any reduction in services or a substantial change to the Provider Network.

5. **Referrals**

The PH-MCO must establish and maintain a referral process to effectively utilize and manage the care of its Members. The PH-MCO may require a referral for any medical services, which cannot be provided by the PCP except where specifically provided for in this Agreement.

6. **Self-Referral/Direct Access**

The PH-MCO may not require referrals from a PCP for certain services. A Member may self-refer for vision, dental care, obstetrical and gynecological (OB/GYN) services, providing the Member obtains the services within the Provider Network. A Member may access chiropractic services in accordance with the process set forth in MA Bulletin 99-10-12, and physical therapy services in accordance with the amended Physical Therapy Act (63 P.S. §§1301 et seq.) The PH-MCO may not use either the referral process or Prior Authorization to manage the utilization of Family Planning Services. The PH-MCO may not restrict the right of a Member to choose a Health Care Provider for Family Planning Services and must make such services available without regard to marital status, age, sex or parenthood. Members may access at a minimum, health education and counseling necessary to make an informed choice about contraceptive methods, pregnancy testing and counseling, breast cancer screening services, basic contraceptive supplies such as oral
birth control pills, diaphragms, foams, creams, jellies, condoms (male and female), Norplant, injectables, intrauterine devices, and other family planning procedures as described in Exhibit F, Family Planning Services Procedures. The PH-MCO must pay for Out-of-Network Services.

The PH-MCO must provide Members with direct access to OB/GYN services and must have a system in place that does not erect barriers to care for pregnant women and does not involve a time-consuming authorization process or unnecessary travel.

The PH-MCO must permit Members to select a Network Provider, including nurse midwives, to obtain maternity and gynecological care without prior approval from a PCP. This includes selecting a Network Provider to provide an annual well-woman gynecological visit, primary and preventive gynecology care, including a PAP smear and referrals for diagnostic testing related to maternity and gynecological care, and Medically Necessary follow-up care.

In situations where a new Member is pregnant and already receiving care from an Out-of-Network OB-GYN specialist at the time of Enrollment, the Member may continue to receive services from that specialist throughout the pregnancy and postpartum care related to the delivery, pursuant to 28 Pa. Code §9.684.

7. **Behavioral Health Services**

The PH-MCO is not responsible to provide services as set forth in the agreements between the Department and the BH-MCOs in effect at the same time as this Agreement, as outlined in Exhibit U, Behavioral Health Services.

8. **Pharmacy Services**

The PH-MCO must comply with the Department’s outpatient drug services standards and requirements described in Exhibit BBB, Outpatient Drug Services.

9. **EPSDT Services**

The PH-MCO must comply with the requirements regarding EPSDT services as set forth in Exhibit J, EPSDT Guidelines.

The PH-MCO must also adhere to specific Department regulations at 55 Pa. Code Chapters 3700 and 3800 as they relate to EPSDT.
examination for individuals under the age of 21 and entering substitute care or a child residential facility placement.

10. Emergency Services

The PH-MCO must develop a process for paying for emergency services (including their plans, if any, to pay for triage). The PH-MCO shall pay for Emergency Services in or outside of the HealthChoices Zone (including outside of Pennsylvania). Payment for Emergency Services shall be made in accordance with applicable law.

The PH-MCO is financially responsible for the provision of Emergency Services without regard to Prior Authorization or the emergency care Provider's contractual relationship with the PH-MCO.

For emergency services rendered by a licensed emergency medical services agency, as defined in 35 Pa.C.S. § 8103, that has the ability to transport patients or is providing and billing for emergency services under an agreement with an emergency medical services agency that has that ability, the managed care plan may not deny a claim for payment solely because the enrollee did not require transport or refused to be transported.

The PH-MCO must limit the amount to be paid to Non-participating Providers of Emergency Services to no more than the amount that would have been paid for such services under the Department’s FFS Program.

- Health Care Providers may initiate the necessary intervention to stabilize an Emergency Medical Condition of a Member without seeking or receiving prospective authorization by the PH-MCO. The attending physician or the Provider treating the Member is responsible for determining when the Member is sufficiently stabilized for transfer or discharge, and that determination is binding on the PH-MCO.
The PH-MCO is responsible for all Emergency Services including those categorized as mental health or drug and alcohol except for emergency room evaluations for voluntary and involuntary commitments pursuant to 50 P.S. §§7101 et seq., which shall be the responsibility of the BH-MCO.

The PH-MCO may not deny payment for treatment obtained under either of the following circumstances:

- A Member has an Emergency Medical Condition, including cases in which the absence of immediate medical attention would not have placed the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy, serious impairment to bodily functions, or serious dysfunction of any bodily organ or part.

- A representative of the PH-MCO instructs the Member to seek emergency services.

The PH-MCO may not:

- Limit what constitutes an Emergency Medical Condition with reference to the definition of “Emergency Medical Condition, Emergency Services, and Post Stabilization Services” on the basis of lists of diagnoses or symptoms.

- Refuse to cover emergency services based on the emergency room provider, hospital, or fiscal agent not notifying the Member’s Primary Care Practitioner, PH-MCO, or applicable state entity of the Member’s screening and treatment within ten (10) calendar days of presentation for emergency services.

- Hold a Member who has an Emergency Medical Condition liable for payment of subsequent screening and treatment needed to diagnose the specific condition or stabilize the patient.

- Deny a claim for payment for emergency services rendered by a licensed emergency medical services agency, as defined in 35 Pa.C.S. § 8103, that has the ability to transport patients or is providing and billing for emergency services under an agreement with an emergency medical services agency that has that ability, solely because the enrollee did not require transport or refused to be transported.
The PH-MCO must also develop a process to ensure that PCPs promptly see Members who did not require or receive hospital Emergency Services for the symptoms prompting the attempted emergency room visit.

Nothing in the above section shall be construed to imply that the PH-MCO may not:

- track, trend and profile emergency department utilization;
- retrospectively review and where appropriate, deny payment for inappropriate emergency room use;
- use all appropriate methods to encourage Members to use PCPs rather than emergency rooms for symptoms that do not qualify as an Emergency Medical Condition; or
- use a Recipient restriction methodology for Members with a history of significant inappropriate emergency department usage.

11. **Post-Stabilization Services**

The PH-MCO must cover Post-Stabilization Services, as defined in 42 C.F.R. §438.114.

The PH-MCO must limit charges to Members for Post-Stabilization Services to an amount no greater than what the PH-MCO would charge the Member if he or she had obtained the services through a Network Provider.

The PH-MCO must cover Post-Stabilization Services without authorization, and regardless of whether the Member obtains the services within or outside its Provider Network if any of the following situations exist:

a. The Post-Stabilization Services were administered to maintain the Member’s stabilized condition within one hour of Provider’s request to the PH-MCO for pre-approval of further Post-Stabilization Services.

b. The Post-Stabilization Services were not pre-approved by the PH-MCO because the PH-MCO did not respond to the Provider’s request for pre-approval of these Post-Stabilization Services within one (1) hour of the request.
c. The Post-Stabilization Services were not pre-approved by the PH-MCO because the Provider could not reach the PH-MCO request pre-approval for the Post-Stabilization Services.

d. The PH-MCO and the treating physician cannot reach an agreement concerning the Member’s care and a PH-MCO physician is not available for consultation. In this situation, the MCO must give the treating physician the opportunity to consult with a PH-MCO physician and the treating physician may continue with care of the patient until a PH-MCO physician is reached or one of the criteria applicable to termination of PH-MCO’s financial responsibility described below is met.

The PH-MCO’s financial responsibility for Post-Stabilization Services it has not pre-approved ends when:

a. A Network physician with privileges at the treating hospital assumes responsibility for the Member’s care;

b. A Network physician assumes responsibility for the Member's care through transfer;

c. The PH-MCO and the treating physician reach an agreement concerning the Member’s care; or

d. The Member is discharged.

12. Examinations to Determine Abuse or Neglect

a. Upon notification by the County Children and Youth Agency system, the PH-MCO must provide Members under evaluation as possible victims of child abuse or neglect and who present for physical examinations for determination of abuse or neglect, with such services. These services must be performed by trained examiners in a timely manner according to the Child Protective Services Law, 23 Pa. C.S. §§6301 et seq. and Department regulations.

b. The PH-MCO must ensure that emergency department staff and physicians know the procedures for reporting suspected abuse and neglect in addition to performing exams for Members under the care of the county Children and Youth Agency consistent with their obligations mandated in 18 Pa.C.S.A. §5106 and all other applicable statutes. This includes reporting to Adult Protective Services any suspected
abuse or neglect of Members over the age of 18. These requirements must be included in all applicable Provider Agreements.

c. Should a PCP determine that a mental health assessment is needed, the PCP must inform the Member or the County Children and Youth Agency representative how to access these mental health services and coordinate access to these services, when necessary.

13. **Hospice Services**

The PH-MCO must provide hospice care and use certified hospice Providers in accordance with the provisions outlined at 42 C.F.R. 418.1 et seq.

Recipients who are enrolled in the Department’s Hospice Program and were not previously enrolled in the HealthChoices Program will not be enrolled in HealthChoices. However, if a PH-MCO Member is determined eligible for the Department’s Hospice Program after being enrolled in the PH-MCO, the Member will remain the responsibility of the PH-MCO and will not be disenrolled from HealthChoices.

14. **Organ Transplants**

The PH-MCO will pay for transplants to the extent that the MA FFS Program pays for such transplants. When Medically Necessary, the MA FFS program currently covers the following transplants: Kidney (cadaver and living donor), kidney/pancreas, cornea, heart, heart/lung, single lung, double lung, liver (cadaver and living donor), liver/pancreas, small bowel, pancreas/small bowel, bone marrow, stem cell, pancreas, liver/small bowel transplants, and multivisceral transplants.

15. **Transportation**

The PH-MCO must provide for all Medically Necessary emergency ambulance transportation and all Medically Necessary non-emergency ambulance transportation.

Any non-emergency transportation (excluding Medically Necessary non-emergency ambulance transportation) for Members to and from MA compensable services must be arranged through the MATP. A complete description of MATP responsibilities can be found in Exhibit L, Medical Assistance Transportation Program.
16. Waiver Services/State Plan Amendments

a. HIV/AIDS Targeted Case Management (TCM) Program

The PH-MCO must provide for TCM services for persons with AIDS or symptomatic HIV, including access to needed medical and social services using the existing TCM program standards of practice followed by the Department or comparable standards approved by the Department. In addition, individuals within the PH-MCO who provide the TCM services must meet the same qualifications as those under the Department's TCM Program.

b. Healthy Beginnings Plus (HBP) Program

The PH-MCO must provide services that meet or exceed HBP standards in effect as defined in current or future MA Bulletins that govern the HBP Program. The PH-MCO must also continue the coordinated prenatal activities of the HBP Program by utilizing enrolled HBP Providers or developing comparable resources. Such comparable programs will be subject to review and approval by the Department. The PH-MCO must provide a full description of its plan to provide prenatal care for pregnant women and infants in fulfillment of the HBP Program objectives for review and advance written approval by the Department. This plan must include comprehensive postpartum care.

Since the HBP program focuses on community based services provided by licensed and non-licensed providers who see recipients face-to-face in outpatient provider offices or community settings, the PH-MCO’s prenatal program must have the majority of its pregnant Members seen face-to-face in the community setting. Majority is defined as greater than fifty percent (50%) of unique pregnant women as reported in the Operations 15 Comprehensive Care Management report. This will be accomplished by contractual relationships within the PH-MCO’s Provider Network, PH-MCO employees, or delegated vendor relationship.

The HBP Program also requires that high risk pregnant women should be adequately treated for substance use disorder (SUD). The PH-MCO will contract with high volume obstetrical hospitals and health systems that perform more than 900 Medicaid deliveries to establish highly coordinated
health homes for pregnant Members with SUD. These health homes will be focused on identifying, initiating treatment, and referring pregnant Members for comprehensive drug and alcohol counseling services. If the PH-MCO is unsuccessful in contracting with any of the high volume obstetrical hospitals or health systems, it must document its efforts to negotiate with the provider for review by the Department.

17. Nursing Facility Services

The PH-MCO is responsible for payment for nursing home care (including hospital reserve or bed hold days).

A PH-MCO may not deny or otherwise limit Medically Necessary services, such as home health services, on the grounds that the Member needs, but is not receiving, a higher level of care. The PH-MCO must abide by the decision of the Functional Eligibility Determination process determination letter related to the need for Nursing Facility services.

The Department will not enroll Recipients who are placed into a Nursing Facility and who were not previously enrolled in the HealthChoices Physical Health Program or individuals who enter a Nursing Facility and are then determined eligible for MA in the HealthChoices Physical Health Program. If an individual leaves the Nursing Facility to reside in the HealthChoices Physical Health Zone covered by this Agreement and is then determined eligible for Enrollment into the HealthChoices Physical Health Program, the individual will be enrolled in the HealthChoices Physical Health Program.

18. Benefit Limits and Benefit Limit Exceptions (BLEs)

The PH-MCO has the option to impose the same benefit limits or lesser benefit limits as the Department. For those services that are covered in a Member’s benefit package only with an approved BLE, the PH-MCO must use the same criteria as the Department or may use criteria that are less restrictive for its review of BLE requests.

The PH-MCO must establish and maintain written policies and procedures for its BLE process. The PH-MCO must receive advance written approval from the Department of these policies and procedures. The policies and procedures must comply with guidance issued by the Department. The PH-MCO’s submission of revised policies and procedures for review and approval by the Department shall not act to void any existing policies and procedures which have
been prior approved by the Department for operation in a HC Zone. Unless otherwise required by law, the PH-MCO may continue to operate under such existing policies and procedures until such time as the Department approves the new or revised version thereof. The Department may periodically request ad hoc information related to PH-MCO operations surrounding these BLE requests.

If the PH-MCO imposes benefit limits, the PH-MCO must issue notices to its members and notify network providers at least thirty (30) days in advance of the changes. The member notices must receive advance Department approval prior to being sent to Members.

The time frames for notices of decisions for prior authorization set forth at Section V.B.2 and V.B.3. apply to requests for BLEs. If the PH-MCO denies a BLE request, the PH-MCO must issue a written denial notice, using the appropriate template available in Docushare.

If the Member is currently receiving a service or item that is subject to a benefit limit and the request for a BLE is denied, and the recipient files a complaint, grievance or request for a Fair Hearing that is postmarked or hand-delivered within 10 days of the date of the notice, the PH-MCO must continue to provide the service until a decision is made.

Recipients with approved BLE’s are in a course of treatment. As such, the requirements for Continuity of Care for Course of Treatment Services Not Requiring Prior Authorization for Adults Age 21 and Older and Children Under the Age of 21, set forth in MA Bulletin 99-03-13, Attachment D, apply. PH-MCOs are required to honor all approved BLE requests issued by the Fee-for-Service (FFS) program, another PH-MCO, or a CHC-MCO. The FFS delivery system and CHC-MCOs will also honor all approved BLE requests issued by PH-MCOs.

19. **Environmental Lead Testing**

The PH-MCO must provide for necessary comprehensive environmental lead investigations as part of covered blood lead treatment services. The PH-MCO must contract with the necessary number of MA-enrolled Comprehensive Lead Investigation Providers to ensure access to this service in all HealthChoices zones in which the PH-MCO operates. The PH-MCO will ensure that results of environmental lead investigations are shared with the referring provider and the Member (or Member’s guardian).
20. Opioid Use Disorder/Substance Abuse Disorder Management

The PH-MCO must implement and maintain an opioid use disorder/substance abuse disorder (OUD/SUD) strategy for its members with OUD/SUD. The OUD/SUD strategy must address how the PH-MCO will manage their members with OUD/SUD and include initiatives similar to those described in the following links:

At a minimum, the OUD/SUD strategy must include care management initiatives, alternative treatment modalities such as pain management, strategies to address opioid related harm reduction, tapering strategies and medication assisted treatment (MAT). In addition, the PH-MCO must coordinate and collaborate with the Opioid Use Disorder Centers of Excellence for its member with OUD/SUD.

B. Prior Authorization of Services

1. General Prior Authorization Requirements

If the PH-MCO wishes to require Prior Authorization of any services, the PH-MCO must establish and maintain written policies and procedures which must have advance written approval by the Department. In addition, the PH-MCO must include a list and scope of services for referral and Prior Authorization, which must be included in the PH-MCO’s Provider manual and Member handbook. The PH-MCO must receive advance written approval of the list and scope of services to be referred or prior authorized by the Department as outlined in Exhibit H, Prior Authorization Guidelines for Participating Managed Care Organizations in the HealthChoices Program, and Exhibit M(1), Quality Management and Utilization Management Program Requirements. The Department will consider Prior Authorization policies and procedures approved under previous HealthChoices agreements approved under this Agreement. The PH-MCO’s submission of new or revised policies and procedures for PARP review and approval shall not act to void any existing,
previously approved policies and procedures. Unless otherwise required by law, the PH-MCO may continue to operate under such existing policies and procedures until such time as the PARP approves the new or revised version.

The Department may subject Prior Authorization Denials issued under unapproved Prior Authorization policies to Retrospective Review and reversal and may impose sanctions and/or require corrective action plans in the event that the PH-MCO improperly implements any Prior Authorization policy or procedure or implements such policy or procedure without Department approval.

When the PH-MCO denies a request for services, the PH-MCO must issue a written notice of denial using the appropriate notice outlined in templates N(1), N(2), N(3), and N(7) which are available in Docushare. In addition, the PH-MCO must make the notice available in accessible formats for individuals with visual impairments and for persons with limited English proficiency. If the PH-MCO receives a request from the Member, prior to the end of the required period of advance notice, for a translated and/or accessible version of the notice of denial, the required period of advance notice will begin anew as of the date that PH-MCO mails the translated and/or accessible notice of denial to the Member.

For Children in Substitute Care, the PH-MCO must send notices to the County Children and Youth Agency with legal custody of the child or to the court-authorized juvenile probation office with primary supervision of a juvenile provided the PH-MCO knows that the child is in substitute care and the address of the legal custodian of the child.

The Department will use its best efforts to review and provide feedback to the PH-MCO (e.g., written approval, request for corrective action plan, denial, etc.) within sixty (60) days from the date the Department receives the request for review. For minor updates to existing approved Prior Authorization plans, the Department will use its best efforts to review updates within forty-five (45) days from the date the Department receives the request for review.

The PH-MCO may waive the Prior Authorization requirements for services which are required by the Department to be Prior Authorized.

2. **Time Frames for Notice of Decisions**
a. The PH-MCO must process each request for Prior Authorization of a service and notify the Member of the decision as expeditiously as the Member’s health condition requires, or at least orally, within two (2) Business Days of receiving the request, unless additional information is needed. If no additional information is needed, the PH-MCO must mail written notice of the decision to the Member, the Member’s PCP, and the prescribing Provider within two (2) Business Days after the decision is made. The PH-MCO may make notification of coverage approvals via electronic notices as permitted under 28 Pa. Code 9.753(b). If additional information is needed to make a decision, the PH-MCO must request such information from the appropriate Provider within forty-eight (48) hours of receiving the request and allow fourteen (14) days for the Provider to submit the additional information. If the PH-MCO requests additional information, the PH-MCO must notify the Member on the date the additional information is requested, using the template, N(7) Request for Additional Information Letter available in Docushare.

b. If the requested information is provided within fourteen (14) days, the PH-MCO must make the decision to approve or deny the service, and notify the Member orally, within two (2) Business Days of receipt of the additional information. The PH-MCO must mail written notice of the decision to the Member, the Member’s PCP, and the prescribing Provider within two (2) Business Days after the decision is made.

c. If the requested information is not received within fourteen (14) days, the PH-MCO must make the decision to approve or deny the service based upon the available information and notify the Member orally within two (2) Business Days after the additional information was to have been received. The PH-MCO must mail written notice of the decision to the Member, the Member’s PCP, and the prescribing Provider within two (2) Business Days after the decision is made.

d. In all cases, the PH-MCO must make the decision to approve or deny a covered service or item and the Member must receive written notification of the decision no later than twenty-one (21) days from the date the PH-MCO received the request, or the service or item is automatically approved. To satisfy the twenty-one (21) day time period, the PH-MCO may mail written notice to the Member, the Member’s PCP, and the prescribing Provider on or before the eighteenth (18th) day from the date the request is received. If the notice is not mailed by the eighteenth (18th) day
after the request is received, the PH-MCO must hand deliver the notice to the Member, or the request is automatically approved.

e. If the Member is currently receiving a requested service and the PH-MCO decides to deny the Prior Authorization request, the PH-MCO must mail the written notice of denial at least (10) days prior to the effective date of the denial of authorization for continued services. If probable Member fraud has been verified, the period of advance notice is shortened to five (5) days. The PH-MCO is not required to provide advance notice when it has factual information on the following:

- confirmation of the death of a Member;
- receipt of a clear written statement signed by a Member that she or he no longer wishes services or gives information that requires termination or reduction of services and indicates that she or he understands that termination must be the result of supplying that information;
- the Member has been admitted to an institution where she or he is ineligible under the PH-MCO for further services;
- the Member’s whereabouts are unknown and the post office returns mail directed to him or her indicating no forwarding address;
- the PH-MCO established the fact that the Member has been accepted for MA by another State; or
- a change in the level of medical care is prescribed by the Member’s physician.

3. Prior Authorization of Outpatient Drug Services

The PH-MCO must comply with the requirements of Exhibit BBB specific to Prior Authorization of Outpatient Drug Services.

C. Continuity of Care

The PH-MCO must comply with the procedures outlined in MA Bulletin #99-96-01, Continuity of Prior Authorized Services Between FFS and Managed Care Plans and Between Managed Care Plans for Individuals Under Twenty-One (21), and MA Bulletin 99-03-13 Continuity of Care for Recipients Transferring Between and Among Fee-for-Service and Managed Care Organizations to provide for continuity of Prior Authorized Services.
The PH-MCO must comply with Section 2117 of Article XXI of the Insurance Company Law of 1921, as amended, 40 P.S. §991.2117, regarding continuity of care requirements and 28 Pa. Code §9.684 and 31 Pa. Code §154.15. The PH-MCO must comply with the procedures outlined in MA Bulletin 99-03-13, Continuity of Care for Recipients Transferring Between and Among Fee-for-Service and Managed Care Organizations, to ensure continuity of Prior Authorized Services for individuals age twenty-one (21) and older and continuity of non-prior authorized services for all Members.

The PH-MCO must implement a transition of care policy consistent with the above requirements and compliant with 42 C.F.R. 438.62 (b) (1) (2) (3).

The PH-MCO Special Needs Unit must have a resource account email box in place for receipt of transition of care documentation to ensure timely access to all medically necessary services. The Special Needs Unit Coordinator and multiple staff must have access to this resource account.

D. Coordination of Care

The PH-MCO must coordinate care for its Members. The PH-MCO must provide for seamless and continuous coordination of care across a continuum of services for the Member with a focus on improving health care outcomes. The continuum of services may include the In-Plan comprehensive service package, out-of-plan services, and non-MA covered services provided by other community resources such as:

The PH-MCO must provide the necessary related services for Members in facilities as described in Exhibit O, Description of Facilities and Related Services. Out-of-Plan Services are described

1. **Coordination of Care/Letters of Agreement**

   The PH-MCO must coordinate the comprehensive in-plan package with entities providing Out-of-Plan Services. To facilitate the efficient administration of the Medical Assistance Program, to enhance the treatment of Members who need Out-of-Plan services and to clearly define the roles of the entities involved in the coordination of services, the PH-MCO must enter into coordination of care letters of agreement with County Children and Youth Agencies (CCYAs), Juvenile Probation Offices (refer to Sample Model Agreement, Exhibit Q), and BH-MCOs (refer to Exhibit R, Coordination with BH-MCOs). In Addition, the PH-MCO must make a good faith effort to enter into coordination of care letters of agreement with school districts and other public, governmental, county, and community-based service providers.

   Should the PH-MCO be unable to enter into coordination of care letters of agreement as required under this Agreement, the PH-MCO must submit written justification to the Department. Justification must include all the steps taken by the PH-MCO to secure coordination of care letters of agreement, or must demonstrate an existing, ongoing, and cooperative relationship with the entity. The Department will determine whether to waive strict compliance with this requirement.

   All written coordination documents developed and maintained by the PH-MCO must have advance written approval by the Department and must be reviewed and, if necessary, revised at least annually by the PH-MCO. Coordination documents must be available for review by the Department upon request.

   The PH-MCO must obtain the Department’s prior written approval of all written coordination documents entered into between a service provider and the PH-MCO. These coordination documents must contain, but should not be limited to, the provisions outlined in Exhibit S, Written Coordination Agreements Between PH-MCO and Service Providers, and must be submitted for final Department review and approval at least thirty (30) days prior to the operational date of Agreement. Under no circumstances may these coordination documents contain a definition of Medically Necessary other than the definition found in this Agreement.

2. **PH-MCO and BH-MCO Coordination**
To facilitate the efficient administration of the Medical Assistance Program, to enhance the treatment of Members who need both physical health and BH services, the PH-MCO must develop and implement written agreements with each BH-MCO in the PH-MCO’s zone(s) regarding the interaction and coordination of services provided to Recipients enrolled in the HealthChoices Program. These agreements must be submitted and approved by the Department. The PH-MCOs and BH-MCOs are encouraged to develop uniform coordination agreements to promote consistency in the delivery and administration of services.

The HealthChoices Program requirements covering BH Services are outlined in Exhibit U, Behavioral Health Services. The PH-MCO must work in collaboration with the BH-MCOs through participation in joint initiatives to improve overall health outcomes of its Members and those activities that are prescribed by the Department. These joint initiatives must include at a minimum:

a. Information exchange including the BH utilization data provided by the Department to control avoidable hospital admissions, readmissions and emergency department usage for Members with PSMI and/or substance abuse disorders.

b. Development of specific coordination mechanisms to assess and, where appropriate, reduce the use of psychotropic medications prescribed for children, especially those in substitute care.

The PH-MCO will comply with the requirements regarding coordination of care, which are set forth in Section V.D, Coordination of Care, including those pertaining to behavioral health.

a. The PH-MCO will, and the Department will require BH-MCOs to agree, to submit to a binding independent arbitration process in the event of a dispute between the PH-MCO and a BH-MCO concerning their respective obligations under this Agreement and the Behavioral Health Choices agreement. The mutual agreement of the PH-MCO and a BH-MCO to such an arbitration process must be evidenced by and included in the written agreement between the PH-MCO and the BH-MCO.

b. Exhibit BBB contains additional requirements specific to Outpatient Drug Services.
3. **Disability Advocacy Program**

   The PH-MCO must cooperate with the Department’s Disability Advocacy Program that provides assistance to Members in applying for SSI or Social Security Disability benefits by sharing member-specific information and performing coordination activities as requested by the Department, on a case by case basis.

E. **PH-MCO Responsibility for Reportable Conditions**

F. **Member Enrollment and Disenrollment**

   1. **General**

      The PH-MCO is prohibited from restricting its Members from changing PH-MCOs for any reason. The MA Consumer has the right to initiate a change in PH-MCOs at any time.

      The PH-MCO is prohibited from offering or exchanging financial payments, incentives, commissions, etc., to any other PH-MCO (not receiving an agreement to operate under the HealthChoices Program or not choosing to continue a relationship with the Department) for the exchange of information on the terminating PH-MCO’s membership. This includes offering incentives to a terminating PH-MCO to recommend that its membership join the PH-MCO offering the incentives. This section does not prohibit making a payment in connection with a transfer, which has received the Department’s prior written approval, of the rights and obligations to another entity.

      The Department will disenroll Members from a PH-MCO when there is a change in residence which places the Member outside the HC Zone(s) covered by this Agreement, as indicated on the individual county file maintained by the Department’s Office of Income Maintenance.

      The Department has implemented a process to enroll Members transferring from one HC Zone to another with the same PH-MCO, provided that the PH-MCO operates in both HC Zones.
2. **PH-MCO Outreach Materials**

Upon request by the Department, the PH-MCO must develop outreach materials such as pamphlets and brochures which can be used by the EAP broker to assist Recipients in choosing a PH-MCO and PCP. The PH-MCO must develop such materials for the HealthChoices Program in the form and context required by the Department. The Department must approve such materials in writing prior to their use. The Department’s review will be conducted within thirty (30) calendar days and approval will not be unreasonably withheld.

The PH-MCO is prohibited from distributing directly or through any agent or independent contractor, outreach materials without advance written approval of the Department. In addition, the PH-MCO must comply with the following guidelines and/or restrictions.

a. The PH-MCO may not seek to influence an individual’s Enrollment with the PH-MCO in conjunction with the sale of any other insurance.

b. The PH-MCO must comply with the Enrollment procedures established by the Department in order to ensure that, before the individual is enrolled with the PH-MCO, the individual is provided accurate oral and written information sufficient to make an informed decision on whether to enroll.

c. The PH-MCO must not directly or indirectly conduct door-to-door, telephone, email, texting, or other cold-call marketing activities.

d. The PH-MCO must ensure that all outreach plans, procedures and materials are accurate and do not mislead, confuse or defraud either the Recipient or the Department. Refer to Exhibit X, HealthChoices MCO Guidelines for Advertising, Sponsorships, and Outreach.

3. **PH-MCO Outreach Activities**

The PH-MCO must comply with the following:

a. The PH-MCO is prohibited from engaging in any marketing activities associated with Enrollment into a PH-MCO in any HealthChoices Zone, with the exceptions listed in 3b through 3f below.

SECTION VII: FINANCIAL REQUIREMENTS

A. Financial Standards

The PH-MCO must comply with all financial requirements included in this Agreement, in addition to those of the PID. As proof of financial responsibility and adequate protection against insolvency in accordance with 42 C.F.R. §438.116, the following applies:

1. Risk Protection Reinsurance for High Cost Cases

If the PH-MCO is eligible for inclusion in the High Cost Risk Pool, for every HealthChoices Zone of operation, per Appendix 3k, then risk protection reinsurance is not required. Reinsurance is also not required if the PH-MCO has, at a minimum, a combined membership of 60,000 Members across all Pennsylvania lines of business.

a. If risk protection reinsurance is required, the PH-MCO must obtain reinsurance to cover, at a minimum, eighty (80) percent of inpatient costs incurred by one (1) Member in one (1) year in excess of $200,000 except as provided at 1. b) below the Department may alter or waive the reinsurance requirement if the PH-MCO proposes an alternative risk protection arrangement that the Department determines is acceptable.

The PH-MCO may not change or discontinue the approved risk protection arrangement without advance written approval from the Department, which approval shall not be unreasonably withheld. Not less than forty-five (45) days before each risk protection arrangement expires, the PH-MCO must provide the Department with a detailed plan for risk protection after the current arrangement expires, including any planned changes. The PH-MCO must submit each risk protection arrangement to the Department for prior approval. If the risk protection arrangement is an annual agreement, the PH-MCO must submit each annual agreement to the Department for prior written approval.
b. The reinsurance threshold requirement shall be $100,000, if any of the following criteria is met:

i. The PH-MCO has been operational (providing medical benefits to any type of consumer) for less than three (3) years; or

ii. The PH-MCO’s SAP basis Equity is less than six (6.0) percent of revenue earned by the licensed HMO during the most recent four (4) quarters for which the due date has passed for submission of the unaudited reports filed by the PH-MCO with the PID; or

iii. The net income as reported to the PID over the past three (3) years was less than zero.

c. The PH-MCO may not purchase required reinsurance risk protection from a Related Party or an Affiliate unless all of the following conditions are met:

- The Related Party or Affiliate is a reinsurance or insurance company in the business to provide such reinsurance risk protection;

- The PH-MCO’s reinsurance risk protection annual premium is less than six (6.0) percent of the Related Party or Affiliate’s total annual written reinsurance or insurance related premium; and

- The PH-MCO has received prior written approval from the Department to purchase the reinsurance risk protection from the Related Party or Affiliate.

2. Equity Requirements and Solvency Protection

The PH-MCO must meet the Equity and solvency protection requirements set forth below.

The PH-MCO must maintain SAP-basis Equity equal to the highest of the amounts determined by the following "Three (3) Part Test" as of the last day of each calendar quarter:

- $20.00 million;

- 7.000% of Revenue earned by the licensed HMO during the most recent four (4) calendar quarters; or
7.000% of Revenue earned by the licensed HMO during the current quarter multiplied by three (3).

Revenue, for the purpose of the Equity requirement calculation, is defined as the total gross Direct Business Premiums, for all Pennsylvania lines of business, reported in Schedule T, “Premiums and Other Considerations,” of the PID report.

For the purpose of this requirement, Equity amounts, as of the last day of each calendar quarter, shall be determined in accordance with statutory accounting principles as specified or accepted by the PID. The Department will accept PID determinations of Equity amounts, and in the absence of such determination, will rely on required financial statements filed by the PH-MCO with PID to determine Equity amounts.

The PH-MCO must provide the Department with reports as specified in Section VIII.D and E. Financial Reports and Equity.

With approval from the Department, the PH-MCO may elect this alternative equity requirement. This alternative requirement has three parts:

a. PH-MCO RBC ratio of at least three (3.0); and

b. Substitution of five and one-half percent (5.5%) where the figure seven percent (7.0%) is included in the Three Part Test above; and

c. Compliance with the Three Part Test with the figure of eight and three tenths percent (8.3%), where seven percent (7.0%) is stated, by individual at-risk Subcontractors who collectively receive at least seventy five percent (75%) of the revenue provided by the Department to the PH-MCO. Revenue, for the purpose of this alternative equity requirement, would be premium revenue reported on the most recently available audited statements and updated to incorporate more recent quarterly information.

The PH-MCO must provide documentation of compliance that is satisfactory to the Department, and failing that, must comply with the standard Three Part Test equity requirement.

3. **Risk Based Capital (RBC)**
The PH-MCO must maintain a RBC ratio of 2.0.

4. **Prior Approval of Payments to Affiliates**

With the exception of payment of a Claim, the PH-MCO may not pay money or transfer any assets for any reason to an Affiliate without prior approval from the Department, if any of the following criteria apply:

a. The PH-MCO’s RBC ratio was below the requirement in Section VII.A.3 as of December 31 of the most recent year for which the due date for filing the annual unaudited PID financial report has passed;

b. The PH-MCO was not in compliance with the Agreement Equity and solvency protection requirement as of the last day of the most recent quarter for which the due date for filing PID financial reports has passed;

c. After the proposed transaction took place, the PH-MCO would not be in compliance with the Agreement Equity and solvency protection requirement; or

d. Subsequent adjustments are made to the PH-MCO’s financial statement as the result of an audit, or are otherwise modified, such that after the transaction took place, a final determination is made that the PH-MCO was not in compliance with the Agreement Equity requirements. In this event, the Department may require repayment of amounts involved in the transaction.

The Department may elect to waive the requirements of this section.

5. **Change in Independent Actuary or Independent Auditor**

The PH-MCO must notify the Department within ten (10) calendar days when its contract with an independent auditor or actuary has ended. The notification must include the date and reason for the change or termination and the name of the replacement auditor or actuary, if any. If the change or termination occurred as a result of a disagreement or dispute, the PH-MCO must disclose the nature of the disagreement or dispute.

6. **Modified Current Ratio**
The PH-MCO must maintain current assets, plus long-term investments that can be converted to cash within five (5) Business Days without incurring an assessment of more than twenty (20) percent, which equal or exceed current liabilities.

- If an assessment for conversion of long-term investments is applicable, only the value net of the assessment may be counted for the purpose of compliance with this requirement.

- The definitions of current assets and current liabilities are included in the Financial Reporting Requirements.

- Restricted assets may be included only with authorization from the Department.

- The following types of long-term investments may be counted, consistent with above requirements, so long as they are not issued by or include an interest in an Affiliate:
  - Certificates of Deposit
  - United States Treasury Notes and Bonds
  - United States Treasury Bills
  - Federal Farm Credit Funding Corporation Notes and Bonds
  - Federal Home Loan Bank Bonds
  - Federal National Mortgage Association Bonds
  - Government National Mortgage Association Bonds
  - Municipal Bonds
  - Corporate Bonds
  - Stocks
  - Mutual Funds

• Require the PH-MCO to submit and implement a corrective action plan;

• Suspend some or all Enrollment of Members into the PH-MCO, including auto-assignments; and/or

• Terminate this Agreement upon forty-five (45) days written notice, in accordance with Section X of this Agreement, Termination and Default.

The Department will make direct payments of DSH/GME to network providers. DSH and GME amounts shall not be included in FFS cost equivalent projections or in Capitation payments paid by the Department to the PH-MCO.

9. Member Liability

In accordance with 42 C.F.R. §438.106, the PH-MCO must provide that Members are not held liable for the following:

a. Debts of the PH-MCO in the event of the PH-MCO’s insolvency.

b. Services provided to the Member in the event of the PH-MCO fails to receive payment from the Department.

c. Services provided to the Member in the event of a Health Care Provider with a contractual, referral or other arrangement with the PH-MCO fails to receive payment from the Department or the PH-MCO for such services.

d. Payments to a Provider that furnishes compensable services under a contractual, referral or other arrangement with the PH-MCO in excess of the amount that would be owed by the Member if the PH-MCO had directly provided the services.

10. Related Party Hospitals

The PH-MCO may not include a related party hospital in its network unless the related party hospital, and all physician sites and clinics owned or controlled by the hospital, are included in the network of all but one other PH-MCO that has an Agreement with the Department to operate in the applicable zone. The Department may waive this
requirement if the PH-MCO satisfies the Department that a sufficient number of PH-MCOs are unwilling to contract with the hospital at reasonable terms.

B. Commonwealth Capitation Payments

1. Payments for In-Plan Services

The obligation of the Department to make payments shall be limited to Capitation payments, maternity care payments, and any other payments provided by this Agreement.

a. Capitation Payments

i. The PH-MCO shall receive capitated payments for In-Plan Services as defined in Section VII.B.1 of this Agreement, Payments for In-Plan Services, and in Appendix 3b, Explanation of Capitation Payments.

ii. The Department will compute Capitation payments using per diem rates. The Department will make a monthly payment to the PH-MCO for each Member enrolled in the PH-MCO, for the first day in the month the Member is enrolled in the PH-MCO and for each subsequent day, through and including the last day of the month.

iii. If a PH-MCO Member is enrolled into a CHC MCO, the Department will pay capitation to the PH-MCO only through the day prior to the CHC begin date.

iv. The Department will not make a Capitation payment for a Member Month if the Department notifies the PH-MCO before the first of the month that the individual’s MA eligibility or PH-MCO Enrollment ends prior to the first of the month.

v. The Department will make arrangements for payment by wire transfer or electronic funds transfer. If such arrangements are not in place, payment shall be made by U.S. Mail.

vi. Upon notice to the PH-MCO, and for those months specified by the Department, by the fifteenth (15th) of each month, the Department will make a Capitation payment for each Member for all dates of Enrollment.
vii. Unless paragraph vi. above applies, by the fifteenth (15th) of each month, the Department will make a Capitation payment for each Member for all dates of Enrollment indicated on the Department’s CIS prior to the first day of the current month. This payment will be limited to those days for which the Department has not previously made payment to the PH-MCO.

Exceptions:

a) Any Capitation payment that would otherwise be payable in the month of May will be payable by July 19 of the same year.

b) Any Capitation payment that would otherwise be payable in the month of June will be payable by July 12 of the same year.

c) An exception does not apply if the Department has notified the PH-MCO that vi above will apply.

d) An exception does not apply if a PH-MCO becomes responsible to provide Member benefits effective February 1, March 1, April 1, or May 1 and is not responsible to provide Member benefits in any zone in an earlier month of the same year per any physical health HealthChoices Agreement.

viii. The Department will recover Capitation payments made for Members who were later determined to be ineligible for managed care for up to twelve (12) months after the service month for which payment was made. The Department will recover Capitation payments made for deceased Members or for Members aged twenty-one through sixty-four (21 – 64) residing in a free-standing IMD at least 16 days during the calendar month and the Member’s condition is not related to Substance Use Disorder for up to eighteen (18) months after the service month for which payment was.
was made. The Capitation amount recovered for IMD Members is calculated in accordance with Section VII.E.13.

2. **Maternity Care Payment**

For each live birth, the Department will make a one-time maternity care payment to the PH-MCO with whom the mother is enrolled on the date of birth. However, if the mother is admitted to a hospital and a change in the PH-MCO coverage occurs during the hospital admission, the PH-MCO responsible for the hospital stay shall receive the maternity care payment. Similarly, if the mother is covered by FFS when admitted to the hospital and then assumes PH-MCO coverage while still in the hospital, the Department will not make a maternity care payment to the PH-MCO. In the event of multiple births (twins, etc.), the Department will make only one maternity care payment.

The PH-MCO must pay fees for delivery services at least equal to the Department’s MA fee schedule when the PH-MCO is the primary payer.

The PH-MCO must submit information on maternity events to the Department’s MMIS in accordance with Section VIII.B.6.

3. **Program Changes**

Amendments, revisions, or additions to the MA State Plan or to state or federal regulations, laws, guidelines, or policies shall, insofar as they affect the scope or nature of benefits available to eligible Members, amend the PH-MCO’s obligations as specified herein, unless the Department notifies the PH-MCO otherwise. The Department will inform the PH-MCO of any changes, amendments, revisions, or additions to the Medicaid State Plan or changes in the Department’s regulations, guidelines, or policies in a timely manner.

If the scope of Recipients or services, inclusive of limitations on those services that are the responsibility of the PH-MCO is changed, the Department will determine whether the change is sufficient that an actuarial analysis might conclude that a rate change is appropriate. If yes, the Department will arrange for the actuarial analysis, and the Department will determine whether a rate change is appropriate. The Department will take into account the actuarial analysis, and the Department will consider input from the PH-MCO, when making this determination. At a minimum, the Department will adjust the rates as necessary to maintain Actuarial Sound Rates. If the Department
makes a change, the Department will provide the analysis used to determine the rate adjustment. If the scope of services or consumers that are the responsibility of the PH-MCO is changed, upon request by the PH-MCO, the Department will provide written information on whether the rates will be adjusted and how, along with an explanation for the Department’s decision.

The rates in Appendix 3f, Capitation Rates will remain in effect until agreement is reached on new rates and their effective date, unless modified to reflect changes to the scope of services or consumers in the manner described in the preceding paragraph.

C. Acceptance of Actuarially Sound Rates

By executing the Agreement, the PH-MCO has reviewed the rates as set forth in the Rate Appendices in this Agreement, Capitation Rates, and accepts the rates for the relevant Agreement period.

D. Claims Processing Standards, Monthly Report and Assessments

These requirements and assessments are applied separately by zone.

1. Timeliness Standards

The PH-MCO must adjudicate Provider Claims consistent with the requirements below. These requirements apply collectively to Claims processed by the PH-MCO and any Subcontractor. Subcapitation payments are excluded from these requirements.

The adjudication timeliness standards follow for each of three (3) categories of Claims:

a. Claims received from a hospital for inpatient admissions ("Inpatient"):  
90.0% of Clean Claims must be adjudicated within thirty (30) days of receipt.

100.0% of Clean Claims must be adjudicated within forty-five (45) days of receipt.

100.0% of all Claims must be adjudicated within ninety (90) days of receipt.

b. Drug Claims:
90.0% of Clean Claims must be adjudicated within thirty (30) days of receipt.

100.0% of Clean Claims must be adjudicated within forty-five (45) days of receipt.

100.0% of all Claims must be adjudicated within ninety (90) days of receipt.

c. All Claims other than inpatient and drug:

90.0% of Clean Claims must be adjudicated within thirty (30) days of receipt.

100.0% of Clean Claims must be adjudicated within forty-five (45) days of receipt.

100.0% of all Claims must be adjudicated within ninety (90) days of receipt.

The adjudication timeliness standards do not apply to Claims submitted by Providers under investigation for Fraud or Abuse from the date of service to the date of adjudication of the Claims. Providers can be under investigation by a governmental agency or the PH-MCO; however, if under investigation by the PH-MCO, the Department must have immediate written notification of the investigation.

The PH-MCO must adjudicate every Claim entered into the PH-MCO's computer information system that is not a Rejected Claim. The PH-MCO must maintain an electronic file of Rejected Claims, inclusive of a reason or reason code for rejection. The PH-MCO must deny a claim for a Recipient who was not a MCO Member as of the date of service at the time of processing of the claim and must notify the Provider.

The amount of time required to adjudicate a paid Claim is computed by comparing the date the Claim is received with the check date or the MCO bank notification date for electronic payment. The check date is the date printed on the check. The amount of time required to adjudicate a Denied Claim is computed by comparing the date the Claim is received with the date the denial notice was created or the transmission date of an electronic denial notice. The PH-MCO must mail checks not later than three (3) Business Days from the check date.
date and make electronic payments within three (3) Business Days of the bank notification date.

The PH-MCO must record, on every Claim processed, the date the Claim was received. A date of receipt imbedded in a Claim reference number is acceptable for this purpose. This date must be carried on Claims records in the Claims processing computer system. Each hardcopy Claim received by the PH-MCO, or the electronic image thereof, must be date-stamped with the date of receipt no later than the first (1st) Business Day after the date of receipt. The PH-MCO must add a date of receipt to each Claim received in the form of an electronic record or file within one (1) Business Day of receipt.

If responsibility to receive Claims is subcontracted, the date of initial receipt by the Subcontractor determines the date of receipt applicable to these requirements.

2. **Assessments**

The Department will utilize the monthly report that is due on the fifth (5th) calendar day of the fifth (5th) subsequent month after the Claim is received to determine Claims processing timeliness. For example, the Department shall utilize the monthly report that is due January 5th, to determine Claims processing timeliness for Claims received in the previous August. The Department shall utilize the monthly report that is due February 5th, to determine Claims processing timeliness for Claims received in the previous September. The Department shall utilize the monthly report that is due March 5th, to determine Claims processing timeliness for Claims received in the previous October, and so on.

All Claims received during the month, for which an assessment is being computed, that have not been adjudicated at the time the assessment is being determined, shall be considered a Clean Claim.

If a Commonwealth audit, or an audit required or paid for by the Commonwealth, determines Claims processing timeliness data that are different than data submitted by the PH-MCO, or if the PH-MCO has not submitted required Claims processing data, the Department will use the audit results to determine the assessment amount.

The assessments included in the charts below shall apply separately to:

a. Inpatient Claims
b. Claims other than inpatient and drug

The PH-MCO will be considered in compliance with the requirement for adjudication of 100.0% of all inpatient Claims if 99.5% of all inpatient Claims are adjudicated within ninety (90) days of receipt. The PH-MCO will be considered in compliance with the requirement of adjudication of 100.0% of all Claims other than inpatient and drug if 99.5% of all Claims other than inpatient and drug are adjudicated within ninety (90) days of receipt.

The Department will reduce the assessments in the charts below by one-third if the PH-MCO has 25,000-50,000 Members and by two-thirds if the PH-MCO has less than 25,000 Members.

The total assessment for the current month will increase to $10,000 if the following conditions exist:

- PH-MCO fails to comply with any adjudication timeliness requirement for Claims received in any seven (7) of the nine (9) previous months; and

The sum of adjudication timeliness assessments for the current month is greater than zero (0) but less than $10,000.

**CLAIMS ADJUDICATION MONTHLY ASSESSMENT CHART**

The Department will compute assessments as for failure to adjudicate inpatient Claims and Claims other than inpatient or pharmacy.

E. Other Financial Requirements

1. Physician Incentive Arrangements

   a. PH-MCOs must comply with the PIP requirements included under 42 C.F.R. §§ 422.208 and 422.210, which apply to Medicaid managed care under 42 C.F.R. §438.3.

   b. PH-MCOs are only permitted to operate PIPs if 1) no specific payment is made directly or indirectly to a physician or physician group as an inducement to reduce or limit Medically Necessary services furnished to a Member; and 2) the disclosure, computation of Substantial Financial Risk, Stop-Loss Protection, and Member survey requirements of this section are met.

   c. PH-MCOs must provide information specified in the regulations to the Department and CMS, upon request. In addition, PH-MCOs must provide the information on their PIPs to any Member, upon request. PH-MCOs that have PIPs placing a physician or physician group at Substantial Financial Risk for the cost of services the physician or physician group does not furnish must assure that the physician or physician group has adequate Stop-Loss Protection. PH-MCOs that have PIPs placing a physician or physician group at Substantial Financial Risk for the cost of service the physician or physician group does not furnish must also conduct surveys of Members and disenrollees addressing their satisfaction with the quality of services and their ability to access services.

   d. PH-MCOs must provide the following disclosure information concerning its PIPs to the Department prior to approval of the contract:

      • whether referral services are included in the PIP,
• the type of incentive arrangement used, i.e. withhold bonus, capitation,

• a determination of the percent of payment under the contract that is based on the use of referral services to determine if Substantial Financial Risk exists,

• panel size, and if Members are pooled, pooling method used to determine if Substantial Financial Risk exists,

• assurance that the physician or physician group has adequate Stop-Loss Protection and the type of coverage, if this requirement applies.

Where Member/disenrollee survey requirements apply, the PH-MCOs must provide the survey results.

e. The PH-MCO must provide the disclosure information specified in 1.d. above to the Department annually, unless the Department has provided the PH-MCO with notice of suspension of this requirement.

2. Retroactive Eligibility Period

The PH-MCO shall not be responsible for any payments owed to Providers for services that were rendered prior to the effective date of a Member's Enrollment into the PH-MCO.

3. Payment for Services Provided by In-Network Providers

The PH-MCO must make timely payment for Medically Necessary, covered services rendered by Network Providers when:

a. Services were rendered to treat an Emergency Medical Condition;

b. Services were rendered under the terms of the PH-MCO's agreement with the Provider;

c. Services were Prior Authorized; or

d. It is determined by the Department, after a hearing, that the services should have been authorized.

4. Payments for Out-of-Network Providers
a. The PH-MCO must make timely payments to Out-of-Network Providers for Medically Necessary, covered services when:

   i. Services were rendered to treat an Emergency Medical Condition;

   ii. Services were Prior Authorized;

   iii. It is determined by the Department, after a hearing, that the services should have been authorized; or

   iv. A child enrolled in the PH-MCO is placed in emergency substitute care and the county placement agency cannot identify the child nor verify MA coverage.

b. The PH-MCO is not financially liable for:

   i. Services rendered to treat a non-emergency condition in a hospital emergency department (except to the extent required by law), unless the services were Prior Authorized; or

   ii. Prescriptions presented at Out-of-Network Provider pharmacies that were written by Non-participating providers or Out-of-Network Providers unless:

       - the Non-participating Provider or Out-of-Network provider arrangements were approved in advance by the PH-MCO and any prior authorization requirements (if applicable) were met;

       - the Non-participating Provider or Out-of-Network Provider prescriber and the pharmacy are the Member’s Medicare providers; or

       - the Member is covered by a third party carrier and the Non-participating or Out-of-Network Provider prescriber and the pharmacy are the Member's third party providers.

The PH-MCO must assume financial responsibility, in accordance with applicable law, for emergency services and urgently needed services as defined in 42 C.F.R. §417.401 that are obtained by its Members from Providers and suppliers outside the PH-MCO’s Provider Network even in the absence of the PH-MCO's prior approval.
5. **Payments to FQHCs and RHCs**

Effective with dates of services beginning on or after January 1, 2016, the PH-MCO must pay all FQHCs and RHCs rates that are not less than the FFS Prospective Payment System (PPS) rate(s), as determined by the Department. Beginning on or after December 1, 2016, the PH-MCO must also make a payment separate from the PPS rate(s) to any FQHC that has opted—in to the Alternative Payment Methodology for inpatient deliveries. The PH-MCO must also include in its Provider Network every FQHC and RHC located within this HealthChoices Zone that the MCO operates its Program in that is willing to accept PPS rates as payment in full. The PH-MCO must pay all FQHCs and/or RHCs in the Network for eligible visits regardless of whether the FQHC and/or RHC is the Member’s primary care physician. This requirement applies to any Subcontractor of the PH-MCO, as required by Section V.O.2.

If a FQHC/RHC has opted-out of receiving the PPS rate from the PH-MCO, upon notification from the Department of the date that the FQHC/RHC has opt-out, the PH-MCO is no longer required to make payment at the FFS PPS rate, as noted above. Effective with the FQHC/RHC opt-out, the PH-MCO must negotiate and pay the opted-out FQHC/RHC at rates that are no less than what the PH-MCO pays to other providers who provide comparable services within the PH-MCO’s Provider Network.

6. **Payments to Ambulance Service Providers**

Effective with dates of services beginning January 1, 2019, the PH-MCO must pay rates for certain ambulance services that are not less than the amounts listed in PA’s MA fee schedule:

- Basic Life Support
- Advanced Life Support
- Air Ambulance Transport
- Ground Mileage
- Air Mileage

This requirement applies to any Subcontractor of the PH-MCO, as required by Section V.O.2.

7. **Prohibited Payments**

a. In compliance with the Social Security Act §1903(i)(2)(A-C) and (i)(16-18), the PH-MCO is prohibited from paying for: Medically
necessary medical services or products provided or dispensed to Members when:

i. The provider is excluded from participation under this or any other Federal funded program;

ii. The service is provided at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under this or any other Federally funded program;

iii. When the provider furnishing the medical product or service knew or had reason to know of the ordering or referring physician’s exclusion from participation under this or any other Federally funded program (after a reasonable time period after reasonable notice has been furnished to the provider); or

iv. When the Department has failed to suspend payments during any period when there is a pending investigation of credible allegation of fraud against a provider, unless the Department determines there is good cause not to suspend such payments in accordance with regulations at 42 C.F.R. 455.23 promulgated by the Secretary of Health and Human Services for purposes of Section 1862(o) of the Social Security Act.

v. Exception – When the medically necessary medical service or product is provided as an emergency service to the Member.

b. The PH-MCO shall not make payment with respect to any amount expended for which funds may not be used under the Assisted Suicide Funding Restriction Act of 1997.

c. The PH-MCO shall not make payment with respect to any amount expended for roads, bridges, stadiums, or any other item or service not covered under the Medicaid State Plan.

d. The PH-MCO shall not make payment with respect to any amount expended for home health care services provided by any agency or organization, unless the agency or organization provides the Department with a surety bond as specified in §1861(o)(7) of the Social Security Act.

8. Value Based Purchasing (VBP)
Value-based purchasing (VBP) is the Department’s initiative to transition providers to being paid for the value of the services provided, rather than simply the volume of services. VBP programs and payment models are critical for improving quality of care, efficiency of services, and reducing cost. Additionally, PH-MCOs should consider implementation of strategies to integrate with BH-MCOs and address the social determinants of health through VBP arrangements, given the known improvements in health and wellbeing by doing so.

a. Strategies

The PH-MCO must enter into arrangements with Providers that incorporate VBP strategies, all of which must comply with the Physician Incentive Plan (PIP) requirements. The Department will accept any of the following arrangements as VBP strategies:

i. Provider pay for performance programs: FFS contracts in which additional payments are linked to Network Provider performance. The PH-MCO must measure Network Providers against quality benchmarks, or incremental improvement benchmarks, and must include in the contract incentives or penalties or both based upon meeting these benchmarks.

ii. PCMH: The PH-MCO must include all requirements for PCMHs as defined in Exhibit DDD to have the arrangement qualify as a PCMH for the purposes of VBP.

iii. Shared savings contractual arrangements: Supplemental payments to Network Providers if they are able to reduce health care spending relative to a benchmark, either for a defined Member population or the total Member population served by a Network Provider or practice site. The payment is a percentage of the net savings generated by the Network Provider. These arrangements may also include shared risk with Network Providers if costs are higher relative to a benchmark. The PH-MCO must measure Network Providers against quality...
benchmarks, with incentives or penalties or both dependent upon meeting these benchmarks.

iv. Bundled or global payment arrangements:

a) Bundled payments include all payments for services rendered to treat a Member individual for an identified condition. The payments may either be made in bulk, or be paid over regular predetermined intervals, so long as they are prospective. Providers must also be measured against quality benchmarks, with incentives and/or penalties dependent upon meeting these benchmarks. DHS may specify certain services that must be paid through bundled payments.

b) Global payment arrangements are prospective and population based, and must cover all health needs of a defined Member population (for example, covering all care for oncology patients rather than just the chemotherapy). They can also include covering all health care delivered by certain kinds of clinicians (for example, primary care or orthopedics). These payments can either be made in bulk or delivered over regular predetermined intervals (capitation payments). The PH-MCO and Provider are organizationally distinct. Providers must be measured against quality benchmarks, with incentives or penalties or both dependent upon meeting these benchmarks.

v. Full risk or Accountable Care Organization (ACO) payment arrangements:

a) Full-risk models are defined as those models that give prospective, population-based payments to take care of the total cost of care of all Members for certain Providers, with all savings or losses to be gained or lost by the Provider group. Providers must be measured against quality benchmarks, with incentives or penalties or both dependent upon meeting these benchmarks.

b) An ACOs arrangement must have the integration of the financing arm with the delivery arm within the same organization, such that both are
collectively responsible for the total cost of care of a Member. They may include joint ventures between the PH-MCO and Provider groups, PH-MCOs that own Provider groups, or Provider groups that offer health care coverage. ACO arrangements may include shared savings and shared risk. Providers must be measured against quality benchmarks, with incentives and/or penalties dependent upon meeting these benchmarks.

The financial goals for the VBP strategies for each calendar year are based on a percentage of the PH-MCO’s expenditures to the medical portion of the risk adjusted capitation and maternity revenue without consideration of risk sharing risk pools, P4P or other revenue or revenue adjustments. These goals apply collectively to all HealthChoices Agreements between the PH-MCO and the Department in all HealthChoices Zones. For the purpose of this requirement, Capitation revenue is gross of premiums for risk sharing or risk pool arrangements without adjustment for risk sharing or risk pool results. The PH-MCO must achieve the following percentages through VBP arrangements:

i  Calendar year 2017 – 7.5% of the medical portion of the capitation and maternity care revenue must be expended through VBP strategies. The 7.5% may be from any combination of the five (5) strategies listed.

ii Calendar year 2018 – 15% of the medical portion of the capitation and maternity care revenue rate must be expended through VBP strategies. At least 50% of the 15% must be from a combination of strategies ii. through v.

iii Calendar year 2019 – 30% of the medical portion of the capitation and maternity care revenue rate must be expended through VBP. At least 50% of the 30% must be from a combination of strategies iii. through v.

iv Calendar year 2020 – 50% of the medical portion of the capitation and maternity care revenue rate must be expended through VBP. At least 50% of the 50% must be from a combination of strategies iii. through v.

b. Reporting
The Department will measure compliance through required reports that have been accepted by the Department. By January 1 of each calendar year, the PH-MCO must submit its proposed VBP plan to the Department that outlines and describes its plan for compliance in that calendar year. The Department will review and provide feedback on the plan to the PH-MCO. By the last work day of every quarter, the PH-MCO must submit a progress report.

By June 30 of the subsequent calendar year, the PH-MCO must submit a report on accomplishments from the prior year. This annual report must include a listing of the VBP arrangements by provider; and an explanation of each arrangement; and the dollar amount spent for medical services provided during the previous year through these arrangements. The dollar amounts that qualify toward meeting the VBP goals are as follows:

i. Provider pay for performance programs – dollar value of performance (bonus) payments and direct payments made to the Provider for Members attributed to the provider’s panel during the calendar year.

ii. Patient Centered Medical Homes – dollar value of any PCMH payments, performance (bonus) payments, direct payments made to the provider and total medical costs, incurred by the PH-MCO for Members of the provider’s panel during the time period of the calendar year the Member was attributed to the provider’s panel.

iii. Shared savings contractual arrangements – dollar value of any performance (bonus) payments, direct payments made to the provider and total medical costs incurred by the PH-MCO for Members of the provider’s panel during the time period of the calendar year the Member was attributed to the provider’s panel.

iv. Bundled or global payment arrangements – dollar value of bundled payments made to providers.

v. Full risk or Accountable Care Organization payment arrangements – dollar value of any performance (bonus) payments, direct payments made to the provider and total medical costs incurred by the PH-MCO for Members of the provider’s panel inclusive of any previous (bonus) payments during the time period.
of the calendar year the Member was attributed to the provider’s panel.

c. **New Agreements**

If a new PH-MCO Agreement is executed and effective during a calendar year, the reporting requirements are applicable to the calendar year that crosses Agreements, and the Department will determine compliance for the complete calendar year.

d. **Assessment**

This section provides for an assessment against the PH-MCO’s revenue if an annual goal is not met.

Not later than 60 calendar days after receipt from the PH-MCO of the annual report on VBP accomplishments, the Department will notify the PH-MCO of its determination about compliance with the goal for the preceding year. The PH-MCO may provide a response within 30 calendar days. After considering the response from the PH-MCO, if any, the Department will notify the PH-MCO of its final determination of compliance.

If the PH-MCO fails to provide a timely and adequate report on VBP accomplishments, the Department may determine that the PH-MCO is not compliant with the goal of the preceding year.

If the determination results in a finding of non-compliance, the Department will reduce the next monthly capitation payment by an amount equivalent to one (1) percent of the capitation it paid to the PH-MCO for December of the prior calendar year.

e. **Data Sharing**

The PH-MCOs must provide timely and actionable data to its providers participating in VBP arrangements. This data should include, but is not limited to, the following:

i. Identification of high risk patients;

ii. Comprehensive care gaps inclusive of gaps related to quality metrics used in the VBP arrangement; and
iii. Service utilization and claims data across clinical areas such as inpatient admissions, non-inpatient facility (Short Procedure Unit/Ambulatory Surgical Center), emergency department, radiology services, lab services, durable medical equipment and supplies, specialty physician services, home health services, and prescriptions.

9. Financial Obligations when the Agreement has Ended

The Department’s obligation to make payments under this HealthChoices Agreement survives the expiration or termination of the Agreement.

10. Liability During an Active Grievance or Appeal

The PH-MCO shall not be liable to pay Claims to Providers if the validity of the Claim is being challenged by the PH-MCO through a Grievance or appeal, unless the PH-MCO is obligated to pay the Claim or a portion of the Claim through a separate agreement with the Provider.

11. Financial Responsibility for Dual Eligibles

Dual Eligibles age 21 and older who the Department has confirmed are enrolled in Medicare Part D will not participate in HealthChoices and will be disenrolled from HealthChoices prospectively. The PH-MCO must pay Medicare deductibles and coinsurance amounts relating to any Medicare-covered service for qualified Medicare beneficiaries up to the managed care plan Disenrollment date, in accordance with Section 4714 of the Balanced Budget Act of 1997. The PH-MCO will not be responsible for copayments or cost-sharing for Medicare Part D prescriptions.

If no contracted PH-MCO rate exists or if the Provider of the service is an Out-of-Network Provider, the PH-MCO must pay deductibles and coinsurance up to the applicable MA fee schedule for the service.

For Medicare services that are not covered by either MA or the PH-MCO, the PH-MCO must pay cost-sharing to the extent that the payment made under Medicare for the service and the payment made by the PH-MCO do not exceed eighty percent (80%) of the Medicare-approved amount.
The PH-MCO, its Subcontractors and Providers are prohibited from balance billing Members for Medicare deductibles or coinsurance. The PH-MCO must provide a Member who is Dual Eligible access to a Medicare product or service from the Medicare Provider of his or her choice. The PH-MCO must pay any Medicare coinsurance and deductible amount, whether or not the Medicare Provider is included in the PH-MCO’s Provider Network and whether or not the Medicare Provider has complied with the Prior Authorization requirements of the PH-MCO.

The Commonwealth enters into a Coordination of Benefits Agreement with Medicare for the Medical Assistance populations. Consistent with 42 C.F.R. §438.3 (t), the PH-MCO must enter into individual Coordination of Benefits Agreements with Medicare for members dually eligible for Medicaid and Medicare, and participate in the automated claims crossover process.

12. Financial Responsibility for transitioning CHC Members

A. Section 12.A applies to the PH-MCO’s responsibility to provide benefits to a Member who is transitioning to CHC due to approval of LTSS and does not have a spend down period.

   i. Residence in a nursing facility is not cause for disenrollment from the PH-MCO.

   ii. The PH-MCO is responsible for nursing facility services so long as the Member is enrolled in the PH-MCO. Once the PH-MCO is notified that a Member has been determined Nursing Facility Clinically Eligible (NFCE), despite not being enrolled in CHC at the time, the PH-MCO would continue to be responsible to provide nursing facility benefits and all other covered health benefits from the thirty-first (31st) day forward.

   iii. If CIS provides a CHC start date and if the PH-MCO’s responsibility to provide benefits absent this information continues up to the date prior to the CHC start date or an earlier date in the same month, the last day of the PH-MCO’s responsibility to provide nursing facility benefits and all other covered health benefits is the date prior to the Member’s CHC start date.
B. Section 12.B applies to the PH-MCO’s responsibility to provide benefits to a Member who is transitioning to CHC due to approval for LTSS and is subject to a spend down period.

i. Residence in a nursing facility is not cause for disenrollment from the PH-MCO.

ii. The PH-MCO will not be responsible to pay the nursing facility benefits for the Member having a spend down period for any day after the thirtieth (30th) consecutive day the Member resides in the nursing facility and is a Member of this PH-MCO.

iii. The PH-MCO is responsible for all other services covered by this Agreement on the 31st consecutive day and all subsequent days that the Member is enrolled in the PH-MCO. This exemption from responsibility to pay the nursing facility will continue unabated if the Member is admitted to a hospital and returns to the nursing facility. It is acceptable for the PH-MCO to decline to accept or approve nursing facility claims for days after the thirtieth (30th) consecutive day the Member is in the nursing facility until notice is received that the Member’s spend down requirement has been met.

iv. The PH-MCO’s responsibility for nursing facility benefits begins the date after the spend down period is complete.

v. If CIS provides a CHC start date and if the PH-MCO’s responsibility to provide benefits absent this information continues up to the date prior to the CHC start date or an earlier date in the same month, the last day of the PH-MCO’s responsibility to provide nursing facility benefits and all other covered health benefits is the date prior to the Member’s CHC start date. The CHC start date may be retroactive to the date the Member both received NFCE status and the spend down period commenced.

C. Section 12.C applies to the PH-MCO’s responsibility to provide benefits to a Member who was determined not to be NFCE due to a penalty period.

i. Residence in a nursing facility is not cause for disenrollment from the PH-MCO.
ii. The PH-MCO will not be responsible to pay the nursing facility during the Member’s penalty period, as determined by the Department.

iii. The PH-MCO is responsible for all other services covered by this Agreement during the Member’s penalty period as long as the Member remains enrolled in the PH-MCO.

iv. This exemption from responsibility to pay the nursing facility will continue unabated if the Member is admitted to a hospital and returns to the nursing facility within the Member’s penalty period. It is acceptable for the PH-MCO to decline to accept or approve nursing facility claims during the Member’s established penalty period.

v. If the Member’s penalty period has ended and the Member remained enrolled in the PH-MCO, then the PH-MCO is responsible for nursing facility benefits the day after the penalty period is complete and all subsequent days the Member remains enrolled in the PH-MCO.

vi. If CIS provides a CHC start date and if the PH-MCO’s responsibility to provide benefits absent this information continues up to the date prior to the CHC start date or an earlier date in the same month, the last day of the PH-MCO’s responsibility to provide nursing facility benefits and all other covered health benefits is the date prior to the Member’s CHC start date, which is a date subsequent to completion of the Member’s penalty period.

D. Section 12.D applies to the PH-MCO’s responsibility to provide benefits to a Member who was determined not to be NFCE.

i. Residence in a nursing facility is not cause for disenrollment from the PH-MCO.

ii. The PH-MCO is responsible to pay the nursing facility after the thirtieth (30th) day of residence until the participant leaves the facility, including situations when the member passes away or is discharged prior to being determined eligible for CHC.
13. **Coverage for Members in an IMD**

Effective January 1, 2020, the Department will make Capitation payments for a Member aged twenty-one through sixty-four (21 – 64) residing in a freestanding IMD and the Member’s condition is not related to Substance Use Disorder (SUD) based on the following criteria:

- If the stay is no more than fifteen (15) cumulative days during the period of the monthly capitation payment and the provision of inpatient psychiatric treatment in a freestanding IMD meets the requirements for *in lieu of* services in 42 C.F.R. 438.3 (e) (2)(i) through (iii), payment will be full capitation in which a Member is enrolled in the PH-MCO.
- If the stay is at least sixteen (16) cumulative days during the period of the monthly capitation payment and the provision of inpatient psychiatric treatment in a freestanding IMD meets the requirements for *in lieu of* services in 42 C.F.R. 438.3 (e) (2)(i) through (iii), the payment will be based as follows: per diem rate identified in Section VII.B.1 multiplied by the number of days the Member is both enrolled in the PH-MCO and not residing in a freestanding IMD.

14. **Telephonic Psychiatric Consultation Team Services**

The PH-MCO will provide documentation on the expenditure of the funds upon request.

15. **Confidentiality**

The Department may from time to time share with the PH-MCO an internal Business Requirements Document (BRD) or an internal Business Design Document (BDD). The Department may also elect to share FFS inpatient hospital rates and cost-to-charge ratio information with the PH-MCO. The PH-MCO shall not use this information for a purpose other than support for the PH-MCO’s mission to perform its responsibilities per its Agreement with the Department and related responsibilities provided by law. The PH-MCO may share a BRD, a BDD, or the FFS/inpatient hospital rates and cost-to-charge ratio information provided by the Department with another party, provided that the other party does not use the information for a purpose other than support for the PH-MCO’s mission to perform its responsibilities per this Agreement and any other related responsibilities provided by law.
16. **Audits**

The PH-MCO is responsible to comply with audit requirements as specified in Exhibit WW of this Agreement, HealthChoices Audit Clause.

17. **Restitution for Overpayments**

The PH-MCO must make full and prompt restitution to the Department, as directed by the Department, for any payments received in excess of amounts due to the PH-MCO under this Agreement whether such overpayment is discovered by the PH-MCO, the Department, or other third party.

F. **Third Party Liability**

The PH-MCO must comply with the TPL procedures defined by Section 1902(a)(25) of the Social Security Act, 42 U.S.C. 1396a(a)(25) implemented by the Department. Under this Agreement, the TPL responsibilities of the Department will be allocated between the Department and the PH-MCO.

1. **Cost Avoidance Activities**

   a. The PH-MCO will have primary responsibility for cost avoidance through the COB relative to federal and private health insurance-type resources including, but not limited to, Medicare, private health insurance, ERISA plans, and Workers Compensation. Except as provided in subparagraph b., the PH-MCO must attempt to avoid initial payment of Claims, whenever possible, where federal or private health insurance-type resources are available. The number of claims cost avoided by the MCO’s claims system should be reported in Financial Report #8A, “Claims Cost Avoided.” The PH-MCO shall not be held responsible for any TPL errors in the Department’s Eligibility Verification System (EVS) or the Department’s TPL file.

   b. The PH-MCO and its Subcontractors must pay, and then chase all Clean Claims for preventive pediatric care (including EPSDT services to children), and services to children having medical coverage under a Title IV-D child support order to the extent the PH-MCO is notified by the Department of such support orders or to the extent the PH-MCO becomes aware of such orders, and then seek reimbursement from liable third parties. The PH-MCO recognizes that cost avoidance of
these claims is prohibited with the exception of hospital delivery claims, which may be cost-avoided.

c. The PH-MCO may not deny or delay approval of otherwise covered treatment or services based upon TPL considerations. The PH-MCO may neither unreasonably delay payment nor deny payment of claims unless the existence of TPL is established at the time the claim is adjudicated.

2. Post-Payment Recoveries

a. Post-payment recoveries are categorized by (a) health-related insurance resources and (b) Other Resources. Health-related insurance resources are ERISA health benefit plans, Blue Cross/Blue Shield subscriber contracts, Medicare, private health insurance, workers compensation, and health insurance contracts. Other resources include, but are not limited to recoveries from personal injury claims, liability insurance, first-party automobile medical insurance and accident indemnity insurance.

b. The Department's Division of TPL retains the sole and exclusive right to investigate, pursue, collect, and retain all Other Resources. The Department is assigned the Contractor’s subrogation rights to collect the “Other Resources” covered by this provision. Any correspondence or Inquiry forwarded to the PH-MCO (by an attorney, provider of service, insurance carrier, etc.) relating to a personal injury accident or trauma-related medical service, or which in any way indicates that there is, or may be, legal involvement regarding the Member and the services which were provided, must be immediately forwarded to the Department's Division of TPL. The PH-MCO may neither delay payment nor deny payment of Claims because they involved an injury stemming from an accident such as a motor vehicle accident, where the services are otherwise covered. Those funds recovered by the Commonwealth under the scope of these "Other Resources" shall be retained by the Commonwealth.

With respect to any third party payment received by the PH-MCO from a Provider, the PH-MCO shall return all casualty funds to the Department. PH-MCOs shall not instruct providers to send funds directly to the Department. These third party payments shall not be held by the PH-MCO for more than 30 calendar days. If the casualty funds received by
the Department must be returned to the PH-MCO for any reason, for example, an outdated check or the amount of the check does not match supporting documentation, the PH-MCO shall have 60 calendar days to return all casualty funds to the Department using the established format.

The PH-MCO must pursue, collect and retain recoveries of a claim involving Workers’ Compensation.

c. Due to potential time constraints involving cases subject to litigation and due to the large dollar value of many claims which are potentially recoverable by the Department’s Division of TPL, the Department must ensure that it identifies these cases and establishes its claim before a settlement has been negotiated. Should the Department fail to identify and establish a claim prior to settlement due to the PH-MCO’s untimely submission of notice of legal involvement where the PH-MCO has received such notice, the amount of the Department’s actual loss of recovery shall be assessed against the PH-MCO. The Department’s actual loss of recovery shall not include the attorney’s fees or other costs, which would not have been retained by the Department.

d. If the funds are outside the allowable recovery window, the funds shall be returned to the Department. These third party payments shall not be held by the MCO for more than 30 calendar days. If the provider funds received by the Department must be returned to the PH-MCO for any reason, for example, an outdated check or the amount of the check does not match supporting documentation, the PH-MCO shall have 60 calendar days to return all provider funds to the Department using the established format.

The PH-MCO is responsible for the costs relating to the transfer of materials and responsibilities as a normal part of doing business with the Department.

The PH-MCO must provide necessary information to a PH-MCO and the Department during the transition period to ensure a smooth transition of responsibility. The Department will define the information required during this period and time frames for submission and may solicit input from the PH-MCOs involved.

The Department shall provide timely notice of any disallowance to the PH-MCO and allow the PH-MCO an opportunity to participate in the disallowance appeal process and any subsequent judicial review to the extent permitted by law. Any payment required under this provision shall be due from the PH-MCO upon notice from the Department. EXHIBIT B(1)

MCO PAY FOR PERFORMANCE

This Exhibit B(1) defines a potential payment obligation by the Department to the PH-MCO for Quality Performance Measures achieved per HEDIS® as defined below. This Exhibit is effective only if the PH-MCO operates a HealthChoices program in this HealthChoices zone under this Agreement in the month of December 2020. If the PH-MCO does not operate a HealthChoices program in this HealthChoices zone under this Agreement in the month of December 2020 the Department has no payment obligation under this Exhibit.

This Exhibit supplements but does not supplant Exhibits that provide for Pay for Performance (P4P) and incorporate different dates in Section II. below.

I. Quality Performance Measures

The Department selected ten (10) HEDIS® 2020 and two (2) 2020 Pennsylvania Performance Measure (PAPM) as quality indicators (representing CY 2019 data) for the MCO P4P program. The Department chose these indicators based on an analysis of past data indicating the need for improvement across the HealthChoices Program as well as the potential to improve health care for a broad base of the HealthChoices population. The twelve (12) quality indicators are:

HEDIS®

1. Adolescent Well-Care Visits
2. Annual Dental Visit (Ages 2 – 20 years)
3. Comprehensive Diabetes Care: HbA1c Poor Control
4. Controlling High Blood Pressure
5. Prenatal Care in the First Trimester

PAPM

1. Reducing Potentially Preventable Readmissions
2. Developmental Screening First Three Years of Life

The MCO P4P Program measures Benchmark Performance and Improvement Performance. The PAPM measures, Reducing Potentially Preventable Readmissions and Developmental Screening First Three Years of Life, will be eligible for the Improvement Performance component. In addition, the Department has set a performance goal for Reducing Potentially Preventable Readmissions and Developmental Screening First Three Years of Life While these measures do
not have a national benchmark, the measures value will be calculated the same as HEDIS measures in the benchmark performance, Section I. A., below.

NOTE: The MCO P4P measures are subject to change due to NCQA specifications.

A. **Benchmark Performance**: The Department will award a Benchmark Performance payout amount for each measure in Section I. that will range from 0% up to and including 125% of the measure’s value, defined as half of the PH-MCO’s Maximum Program Payout amount (equivalent to 1.0% of the sum of the amounts defined in Section II. below) divided by thirteen (13) (consisting of twelve (12) quality indicators with Annual Dental Visit counted twice). The Department will make Benchmark Performance payouts for performance relative to the HEDIS® 2020 (CY 2019) benchmarks, for all measures excluding Reducing Potentially Preventable Readmissions and Developmental Screening First Three Years of Life. A goal of 8.50 percent (8.50%) has been set for Reducing Potentially Preventable Readmissions and a goal of 57 percent (57.00%) has been set for Developmental Screening First Three Years of Life (see Section I.A.4. and Section I.A.5.) If the PH-MCO’s HEDIS 2020 (CY 2019) performance rate is below the 50th Percentile Benchmark, the Department will implement a 75% off-set. The Department will distribute the payouts according to the following criteria:

1. **All HEDIS® Measures**
   - HEDIS® 2020 rate at or above the 90th percentile benchmark: 125 percent of the measure value.
   - HEDIS® 2020 rate at or above the 75th percentile and below the 90th percentile benchmark: 100 percent of the measure value.
   - HEDIS® 2020 rate at or above the 50th percentile and below the 75th percentile benchmark: No payout. HEDIS® 2020 rate below the 50th percentile benchmark: -75 percent offset

2. **Annual Dental Visit Performance Only**
   - The Benchmark Performance measure value applicable to Annual Dental Visit Performance is equal to double the Benchmark Performance measure value (as identified in Section I.A.).
   - The -50% off-set will be applied to double the Benchmark Performance measure value (as identified in Section I. A.).

3. **Medication Management for People With Asthma 75%**
   - HEDIS® 2020 rate at or above the 90th percentile benchmark: 100 percent of the measure value.
   - No penalty
4. Reducing Potentially Preventable Readmissions

- Performance goal at or below 8.50 percent (8.50%): 100 percent of the measure value.
- Performance goal above 8.50 percent (8.50%): No payout.

5. Developmental Screening First Three Years of Life

- Performance goal at or above 57.00 percent (57.00%): 100 percent of the measure value.
- Performance goal below 57.00 percent (57.00%): No payout

B. Benchmark Bonus Bundles: The Department will award a Benchmark Bonus Bundle payment for two groups of measures in the current MCO P4P model. If a bundle payment is earned this payment method will apply in addition to I.A.

The first bundle is the Perinatal and Infant Bundle. The measures in this bundle are:
- Prenatal Care in the First Trimester,
- Postpartum Care, and
- Well-Child Visits in the First 15 Months of Life, 6 or more

The second bundle is the Child and Adolescent Well Care Bundle. The measures in this bundle are:
- Well-Child Visits in the Third, Fourth, Fifth and Sixth Years of Life,
- Adolescent Well-Care Visits, and
- Lead Screening in Children

1. Perinatal and Infant Bundle:

- If the rate for Prenatal Care in the First Trimester, Postpartum Care and Well-Child Visits in the First 15 Months of Life, 6 or more is ≥75th percentile benchmark: 115% of the measure value payout for each measure.
- If the rate for Prenatal Care in the First Trimester, Postpartum Care and Well-Child Visits in the First 15 Months of Life, 6 or more is ≥90th percentile benchmark: 130% of the measure value payout for each measure.
- If a rate achieved is ≥50th percentile benchmark or below: No bonus payout will be issued.

NOTE: If one or more of the measures in the bundle achieves a ≥ 75th percentile benchmark and another measure(s) achieves a ≥90th percentile benchmark, the measure(s) that achieved the ≥75th percentile benchmark will receive 115% of the measure value payout, while the measure(s) that
achieved a $\geq 90^{th}$ percentile benchmark will receive 130% of the measure value payout.

2. Child and Adolescent Well Care Bundle:
   - If the rate for Well-Child Visits in the Third, Fourth, Fifth and Sixth Years of Life, Adolescent Well-Care Visits and Lead Screening in Children are $\geq 75^{th}$ percentile benchmark: 115% of the measure value payout will be issued for each measure.
   - If the rate for each of the measures is $\geq 90^{th}$ percentile benchmark: 130% of the measure value payout will be issued for each measure.
   - If the rate achieved for any of the measures is $\geq 50^{th}$ percentile benchmark or below: No bonus payout will be issued.

NOTE: If one or more of the measures in the bundle achieves a $\geq 75^{th}$ percentile benchmark and another measure(s) achieves a $\geq 90^{th}$ percentile benchmark, the measure(s) that achieved the $\geq 75^{th}$ percentile benchmark will receive 115% of the measure value payout, while the other measure(s) that achieved a $\geq 90^{th}$ percentile benchmark will receive 130% of the measure value payout.

C. Improvement Performance: The Department will award an Improvement Performance payout amount for each measure in Section I. that will range from 0% up to and including 100% of the measure’s value, defined as half of the PH-MCO’s Maximum Program Payout amount (equivalent to 1.0% of the sum of the amounts defined in Section II. below) divided by thirteen (13) (consisting of twelve (12) unique quality indicators with Annual Dental Visit counted twice).

The improvement performance payout scales will be applied contingent on benchmark percentile performance for each HEDIS 2020 measure (see Section I.C.1. and I.C.2.).

- If improvement is achieved and the benchmark performance for that measure is $\leq 50^{th}$ percentile, Scale 1 will be applied.
- If improvement is achieved and the benchmark performance for that measure is $>50^{th}$ percentile and $<75^{th}$ percentile, Scale 1 will be applied.
- If improvement is achieved and the benchmark performance $\geq 75^{th}$ percentile (see Section I.C.2.), Scale 2 will be applied.

Scale 2 applies to improvement performance for the PAPMs’ Reducing Potentially Preventable Readmissions and Developmental Screening the First Three Years of Life. Receiving the Improvement Performance payout is not contingent on meeting the 8.50 percent (8.50%) goal for Reducing Potentially Preventable Readmissions and the goal of 57 percent (57.00%) for Developmental Screening First Three Years of Life.

1. Scale 1:
The Department will make Improvement Performance payouts for incremental performance improvement from the previous year rate. Incremental performance improvements are measured comparing rates from HEDIS® 2019 (CY 2018) to HEDIS® 2020 (CY 2019).

- ≥ 5 Percentage Point Improvement: 100 percent of the measure value.
- ≥ 4 and < 5 Percentage Point Improvement: 80 percent of the measure value.
- ≥ 3 and < 4 Percentage Point Improvement: 70 percent of the measure value.
- < 3 Percentage Point Improvement: No payout

2. Scale 2:

The Department will make Improvement Performance payouts for incremental performance improvement from the previous year rate. Incremental performance improvements are measured comparing rates from HEDIS® 2019 (CY 2018) to HEDIS® 2020 (CY 2019) and PAPM 2019 (CY 2018) to PAPM 2020 (CY 2019).

- ≥ 5 Percentage Point Improvement: 100 percent of the measure value.
- ≥ 4 and < 5 Percentage Point Improvement: 100 percent of the measure value.
- ≥ 3 and < 4 Percentage Point Improvement: 100 percent of the measure value.
- ≥ 2 and < 3 Percentage Point Improvement: 85 percent of the measure value.
- ≥ 1 and < 2 Percentage Point Improvement: 75 percent of the measure value.
- ≥ 0.5 and < 1 Percentage Point Improvement: 50 percent of the measure value.
- < 0.5 Percentage Point Improvement: No payout.

3. Annual Dental Visit Performance Only

The Improvement Performance measure value available for Annual Dental Visit Performance is equal to double the Improvement Performance measure value (identified in Section I.C.).

4. Limitation on Payout Amounts

The total awarded payout amount to a PH-MCO, which includes Benchmark Performance (I.A.) and Improvement Performance (I.C.),
cannot exceed the Maximum Program Payout amount, as identified in Section II. below.

II. Payment for MCO Pay for Performance

The Department will inform the PH-MCO of the Maximum Program Payout amount by November 30, 2020. The Maximum Program Payout amount will be equivalent to two (2.0) percent of the sum of the amounts defined below:

Capitation Revenue - For the purpose of this Exhibit, Capitation Revenue is defined as all Capitation revenues paid or payable by the Department to the PH-MCO in accordance with this Agreement or another HealthChoices Agreement, Appendix 3b and Appendix 3f, for the program period July 2019 through June 2020 inclusive of allowance amounts for the risk sharing and risk pool arrangements. Any settlements for the risk sharing and risk pool arrangements will not be considered in the Capitation Revenue.

Maternity Care Revenue - For the purpose of this Exhibit, Maternity Care Revenue is defined as all Maternity Care payments, paid or payable by the Department to the PH-MCO in accordance with this Agreement, for the program period July 2019 through June 2020.

If the PH-MCO has purchased the assets or liabilities of a PH-MCO that previously contracted with the Department to operate a HealthChoices program in the same zone (“Previous PH-MCO”); or if the Department transferred the Members enrolled in the Previous PH-MCO, who did not make a different choice, to the current PH-MCO; then the Department will allow the PH-MCO to include Capitation Revenue and Maternity Care Revenue paid to the Previous PH-MCO for the program period July 2019 through June 2020, provided the Previous PH-MCO relinquishes any claims to payment under the terms of this Exhibit B(1).

Capitation Revenues or Maternity Care Revenue paid or payable by the Department can be included in only one Maximum Program Payout amount provided by the Department. Transition in HealthChoices Agreements or in PH-MCOs will not lead to double counting of any set of revenue when the Department calculates Maximum Program Payout amounts.

Per 42 C.F.R. 438.6(b)(2)(ii) –(iii), this incentive arrangement does not automatically renew and is made available to both public and private PH-MCOs under the same terms of performance.

If the Department has a payment obligation to the PH-MCO pursuant to this Exhibit B(1), the Department will issue the payment by August 31, 2021. If the PH-MCO has a payment obligation to the Department pursuant to this Exhibit B(1), the Department will reduce a subsequent payment to the PH-MCO by this amount.
Exhibit B(2)

PH-MCO and BH-MCO INTEGRATED CARE PLAN (ICP) PROGRAM
PAY FOR PERFORMANCE PROGRAM

This Exhibit B(2) defines a potential payment obligation by the Department to the PH-MCOs for Quality Performance Measures achieved per HEDIS and select Pennsylvania Performance Measures (PAPMs), as defined below.

This Exhibit is effective only if the PH-MCO operates a HealthChoices program in this HealthChoices zone under this Agreement in the month of December 2020. If the PH-MCO does not operate a HealthChoices program in this HealthChoices zone under this Agreement in the month of December 2020, the Department has no payment obligation under this Exhibit.

The Department will provide financial incentives to the PH-MCOs and the Behavioral Health Managed Care Organizations (BH-MCOs) for the Integrated Care Plan (ICP) Program. The Department will provide a funding pool from which dollars will be paid to the PH-MCO based on shared PH/BH-MCO performance measures outlined in this Exhibit. The Department expects this ICP Program to improve the quality of health care and reduce Medical Assistance (MA) expenditures through enhanced coordination of care between the PH-MCOs, BH-MCOs and providers.

In order to be eligible for payments under the ICP, the PH-MCO must submit Operations Report 17 for Calendar Year (CY) 2020 following the time frames outlined within the Report Description and that contains the following specific data requirements for individuals with serious persistent mental illness (SPMI).

1. **Member stratification** - Re-stratification shall be conducted on all members in the targeted SPMI population from the previous calendar year in January. New members shall have an initial stratification level established within sixty (60) days of the date of identification that a member has SPMI. The PH-MCO will report on the member ID, initial stratification level, and six (6) month re-stratification level. Members will be stratified as follows:

   a. Four (4) = high PH/high BH needs
   b. Three (3) = high PH/low BH needs
   c. Two (2) = low PH/high BH needs
   d. One (1) = low PH/low BH needs

2. **Integrated Care Plan/Member Profile** - At least 1200 members must receive an ICP that has been used in care management activity by both the PH and BH MCO. For purposes of this requirement, the Department considers an ICP or member profile, to be the collection, integration and documentation of key physical and behavioral health information that is easily accessible in a timely
manner to persons with designated access. The ICP shall be reviewed and updated at least annually.

3. **Hospitalization Notification and Coordination** - Each PH-MCO and BH-MCO will jointly share responsibility for notification of all inpatient hospital admissions and will coordinate discharge and follow-up. This includes at a minimum the individual's member identification, the date of inpatient admission and name of the acute care hospital. Additional information sharing is encouraged as appropriate per HIPAA and regulatory standards. Notification to the partner MCO of hospital admissions shall occur within one (1) business day of when the responsible MCO partner learns of the admission (e.g., if the PH-MCO knows of an admission, it will notify the BH-MCO within one (1) business day and vice versa). Each PH-MCO will attest on the Operations 17 report that 90% of the admission notifications occurred within one (1) business day of the PH-MCO learning of the admission. The PH-MCO must maintain documentation to support the attestation of 90% admissions notifications.

The Operations Report 17 will be reviewed to verify the accuracy of the stratification, integrated care plan and hospital notification information.

**Performance Measures**

The performance measures for the 2020 ICP Program include the following:

1. Initiation and Engagement of Alcohol and Other Drug Dependence Treatment*
   a. Initiation rate*
   b. Engagement rate*

2. Adherence to Antipsychotic Mediations for Individuals with Schizophrenia*

3. Combined BH-PH Inpatient 30 Day Readmission Rate for Individuals with Serious Persistent Mental Illness (SPMI)**

4. Emergency Department Utilization for Individuals with Serious Persistent Mental Illness (SPMI)**

5. Combined BH-PH Inpatient Admission Utilization for Individuals with Serious Persistent Mental Illness (SPMI)**

*NCQA HEDIS measure  ** Pennsylvania Performance measure defined by EQRO

**Payment for MCO Performance**

Ten million dollars ($10M) will be allocated for the ICP Program in CY 2020 for the PH-MCO. The funding will be allocated to each PH-MCO according to its overall percent of HealthChoices member months for CY 2019.
Each of the measures defined below will be weighted equally and receive 20% of the allocated funding. Each component of the Initiation and Engagement of Alcohol and Other Drug Dependence Treatment will receive 10% of the allocated funding. Payments will be based on incremental improvement calculated from the previous HEDIS/PAPM 2019 (measurement year of 2018) to the current HEDIS/PAPM 2020 (measurement year of 2019).

1. Initiation and Engagement of Alcohol and Other Drug Dependence Treatment - **20%**
   a. Initiation rate - 10%
   b. Engagement rate - 10%

2. Adherence to Antipsychotic Mediations for Individuals with Schizophrenia - **20%**

3. Combined BH-PH Inpatient 30 Day Readmission Rate for Individuals with Serious Persistent Mental Illness (SPMI) - **20%**

4. Emergency Department Utilization for Individuals with Serious Persistent Mental Illness (SPMI) - **20%**

5. Combined BH-PH Inpatient Admission Utilization for Individuals with Serious Persistent Mental Illness (SPMI) - **20%**

*NCQA HEDIS measure ** Pennsylvania Performance measure defined by EQRO

The incremental payments will be based on the following scale for measures 1, 2 and 3.

<table>
<thead>
<tr>
<th>Incremental Improvement</th>
<th>% Payout</th>
</tr>
</thead>
<tbody>
<tr>
<td>≥ 3 Percentage Point Improvement</td>
<td>100.0%</td>

<td>75.0%</td>
</tr>
<tr>
<td>0.5 - &lt; 1 Percentage Point Improvement</td>
<td>50.0%</td>
</tr>
</tbody>
</table>

For measures 4 and 5, 100% payout will be made if there is a reduction of ≥3.0 events per 1,000 member months and a 75% payout if there is a reduction of ≥2.0 events per 1,000 member months.

If the Department has a payment obligation to the PH-MCO and BH-MCO pursuant to this Exhibit B(2), the Department will issue the payment by August 31, 2021.
Exhibit B(3)

PROVIDER PAY FOR PERFORMANCE PROGRAM

The Provider Pay-for-Performance (Provider P4P) program described in this Exhibit B(3) is for services rendered by providers during a Calendar Year (CY) and defined in Section I below.

I. Provider P4P Program Requirements

All Provider P4P programs must target improvements in the quality of or access to health care services for HealthChoices members and must not limit the appropriate use of services by members.

A. The PH-MCO is required to develop a Provider P4P program using the following mandatory eleven (11) HEDIS Quality Measures (per HEDIS® 2020 Technical Specifications, Vol. 2), two (2) PA Performance Measures (PAPM) and one (1) Electronic Quality Measure:

HEDIS®
1. Adolescent Well-Care Visit
2. Annual Dental Visit (Age 2 – 20 Years)
   a. Part of the incentive for the Annual Dental Visit measure must include payments to dental providers that must be based on preventive dental services. The incentives must be structured to pay defined minimal amounts to dentists for performing episodes of preventive care for new and established recipients in at least two age bands- (0-5 years and 6-20 years). The specific incentive model will be relatively uniform across the HealthChoices program. The incentive model will be determined by the Department in cooperation with all HealthChoices PH-MCOs.
3. Controlling High Blood Pressure
4. Comprehensive Diabetes Care: HbA1c Poorly Controlled (>9%)
5. Prenatal Care in the First Trimester
6. Postpartum Care
7. Well-Child Visits in the First 15 Months of Life, 6 or more
8. Well-Child Visits in the Third, Fourth, Fifth and Sixth Years of Life
9. Medication Management for People With Asthma 75%
10. Ambulatory Care – ED Visits
11. Lead Screening for Children

PAPM
Reducing Potentially Preventable Readmissions
1. Developmental Screening in the First Three (3) Years of Life
**Electronic Quality Measure**
Payment for electronic submission of any mandatory measure, the Obstetrical Needs Assessment Form (ONAF), or any Clinical Quality Measure (CQM) approved by the current CMS meaningful use electronic health record program rules. Information on these CQMs may be found at the following link: http://cms.gov/Regulations-and-Guidance/Legislation/EHRIncentivePrograms/eCQM_Library.html

**NOTE:** The Provider P4P program measures are subject to change due to NCQA specifications.

B. The PH-MCO is required to develop and submit a proposal to the Department using the Provider P4P Submission Template on DocuShare. The proposal must be approved by the Department prior to implementing its Provider P4P program.

C. A PH-MCO’s approved Provider P4P program will remain in effect until December 31 of each calendar year. The PH-MCO may submit one (1) revision per quarter only to the provider payout amounts for the Department’s review and approval. The PH-MCO must complete and submit the Provider P4P Submission Change Form. Payout revisions must be submitted no later than close of business on the last day of each calendar quarter. No Provider P4P Change Forms will be accepted in the fourth quarter. No other revisions to the Provider P4P program will be accepted.

D. The PH-MCO must provide a quarterly analysis of its approved Provider P4P program through updates at the Quarterly Quality Review Meetings (QQRM).

E. The PH-MCO must annually evaluate and provide an analysis to the Department of the effectiveness of its approved Provider P4P.

F. The Department may request that PH-MCOs share Provider P4P program findings with other HealthChoices PH-MCOs to identify best practices and improve the overall HealthChoices Program.

II. **Payments to the PH-MCO**

A. The Department will make payments for Provider P4P based on a per member per month (PMPM) rate, noted in Appendix 3f. The Provider P4P payments are
part of the monthly capitation process, as identified in Appendix 3b. Coverage for Members in a freestanding IMD is specified in Section VII. E. 13.

1. If the PH-MCO has unspent Provider P4P funds, as determined by the Department, upon receipt and review of Report #40, the Department may reduce a future payment to the PH-MCO by the unspent amount or the Department may direct unspent Provider P4P funds provided to the PH-MCO per this Exhibit for the current or a prior program year.

2. If at any time the Department determines Provider P4P funds were not disbursed in accordance with the approved Provider P4P plan, upon advanced written notice to the PH-MCO, the Department may elect to reduce a future payment to the PH-MCO by the amount identified.

B. Payments made to the PH-MCO under the Provider P4P program are intended to fund all mandatory measures

III. Payments to Providers

A. All Provider P4P funds received from the Department for this HealthChoices Agreement should be paid to network providers in accordance with the approved Provider P4P program above.

B. The PH-MCO is required to develop and maintain a separate accounting process of the receipts and disbursements of all Provider P4P funds. The PH-MCO must be able to separately identify and track each payment to a provider for each specific mandatory HEDIS Quality Measure identified in the Provider P4P program.

C. Each PH-MCO may determine the frequency of issuing payments to its providers. However, the Department recommends, at a minimum, quarterly payouts. The PH-MCO must issue Provider P4P payments to its providers for services rendered under approved terms of this Exhibit B(3) to be paid out in full no later than June 30 of the subsequent calendar year.

IV. Reporting

A. Clinical Reporting
The PH-MCO is required to meet the Department’s reporting requirements for the submissions of quarterly analyses of its approved Provider P4P
Program through updates at the QQRMs and an annual analysis of the effectiveness of its approved Provider P4P program.

B. Financial Reporting
Expenditures for this program are reported on annual Report #40 as required by the annual Financial Reporting Requirements. Reported disbursements should only reflect disbursements for the specified program year.

V. Clinical Review
The Department may choose to perform a clinical review of the Provider Pay-for-Performance program. The PH-MCO must reasonably cooperate with Department staff during the clinical review process.
Exhibit B(4)

HOSPITAL QUALITY INCENTIVE PROGRAM (HQIP)

The Department is administering a HQIP. This program is designed to incentivize acute care general hospitals, and potentially other hospitals, enrolled in HealthChoices to improve the quality of healthcare services. The Department developed this initiative as part of its commitment to promote cost-effective, quality healthcare through an outcome and value-based payment structure. The Department makes an annual determination of Hospital Quality measures.

The Department will measure performance by hospital statewide across HealthChoices. The performance measurements will not be PH-MCO specific. The Department will make one HQIP payment to the PH-MCO on or before October 31, 2020 per this Agreement if the PH-MCO is responsible to operate a HealthChoices program per this Agreement on October 1, 2020, respectively.

The Department’s obligation for this program across all PH-MCOs that are responsible to operate a HealthChoices program in any or all zones on October 1, 2020, is $80 million for the 2019 performance year. The Department will divide the $80 million, respectively, across all PH-MCOs participating in HealthChoices in any or all zones based on each PH-MCO’s monthly enrollment, as determined by the Department.

The Department will calculate the HQIP payments by hospital and will provide a schedule of HQIP payment(s) and instructions to each PH-MCO. The PH-MCO will make HQIP payments to hospitals per the instructions within ten business days of the later of the receipt of this payment or the PH-MCO’s receipt of payment instructions from the Department. The PH-MCO will not be required to make HQIP payments that exceed, in total, the amount paid by the Department for this purpose.

The Department will continue this HQIP for subsequent calendar years’ performance. The Department will share hospital quality data prepared per this program with all PH-MCOs.
Exhibit B(5)

COMMUNITY BASED CARE MANAGEMENT PROGRAM

The Community Based Care Management (CBCM) Program requirements described in this Exhibit B(5) are for care rendered during a CY and defined in the PH-MCO specific CBCM Program approved by the Department per Section I below. Proposals submitted for the CBCM program must increase the use of community-based staff, including certified Community Health Workers where appropriate, to encourage the use of preventive services, identify and resolve barriers to care, and mitigate social determinates of health.

I. Community Based Care Management (CBCM) Program Requirements

A. CBCM activities and funding must primarily be focused on:
   1. Addressing social determinants of health,
   2. Reducing preventable admissions and readmissions,
   3. Reducing non-emergent visits to the emergency department (ED),
   4. Supporting the Diabetes Prevention Program (DPP) per Exhibit M(1), Standard V.F,
   5. Enhancing behavioral and physical health coordination of services,
   6. Targeting providers/organizations that serve a large volume of complex MA recipients including pregnant women;
   7. Increasing access to pediatric dental preventive and restorative services;
   8. Localized efforts to promote health education and wellness and encouraging the use of preventive health services; and
   9. Expansion and capacity building of home-based support services for new parents.

Funding may only be used for approved CBCM services, as defined in the approval letter from the Department.

B. The PH-MCO must implement a minimum of one rapid cycle quality improvement pilot program per year. Rapid cycle quality improvement implies that changes are made and tested over periods of three months or less, rather than the standard twelve-month measurement period. At least one rapid cycle quality improvement pilot program needs to be implemented by the end of the second quarter. Rapid cycle quality improvement pilot programs should be implemented with community-based organizations and will focus on improving health outcomes and address social determinants of health. If a rapid cycle quality improvement pilot program is demonstrating success, the PH-MCO must progressively expand the program.

C. Community based staff must spend the majority of time in face-to face-encounters with members in a community setting, provider outpatient setting, hospital, or ED.
D. CBCM activity must involve care coordination by licensed and non-licensed team members as defined by the latest version of the Operations 15 report. Emphasis should be placed on expanding the use of non-licensed professionals to increase face-to-face interaction with members. Examples of licensed providers include but are not limited to: physicians, dentists, dental hygienists, public health dental hygiene practitioners (PHDHPs), physician’s assistants, Certified Registered Nurse Practitioners (CRNPs), nurse midwives, RNs, LPNs, MSWs, dieticians, psychologists, and pharmacists. Examples of non-licensed team members include but are not limited to: medical assistants/technicians, community health workers, doulas, paramedics/EMTs, faith-based ministries, and peer specialists. This list of examples is not fully inclusive. These team members’ activities need to be accounted for on the Operations 15 report.

Community based staff can be employed by the PH-MCO, employed by a provider organization, or hired by a third party through a contract with the PH-MCO. The PH-MCO will be responsible for reporting the targeted providers/organizations, targeted recipients, and define the financial spending for each arrangement (see more details below). Because of limited funding, the PH-MCO should target providers/organizations that serve a large volume of complex MA recipients including high risk pregnant women. Preference should be given to large health systems, FQHCs and high-volume dental providers. Preference should be given to programs that focus on co-location of care management services for consumers with Persistent Serious Mental Illness (PSMI) and Substance Use Disorder (SUD).

E. Payment arrangements can include but not be limited to: practice PMPM payments for care management services, payment for direct or contractual employment costs for FTEs, payment of care management CPT codes including transition of care codes, payment for special needs transportation to access MA services, and payment of pharmacy medication management codes.

F. When selecting providers/organizations to fund CBCM, the PH-MCO must require that the provider/organizations make use of electronic medical records with the intent of achieving Meaningful Use under the CMS specifications for Medicare or Medicaid. Providers/organizations that receive direct or indirect funding must be willing to participate in best practice collaborative learning sessions.

G. If the PH-MCO does business in multiple HealthChoices zones, CBCM Program funds can be allocated across any zone in which they are licensed.
The PH-MCO is required to develop and submit a proposal to the Department prior to implementing its CBCM Program. The CBCM Program may include multiple programs for use of the CBCM funds. If multiple programs are identified, each one must follow the requirements below. Proposals are due no later than October 1, 2019 and must be submitted to the appropriate folder in Docushare using the CBCM Proposal template. Each CBCM proposal must include:

1. An initial CBCM program description that lists targeted providers/organizations, an initial six (6) and twelve (12) months budget, and operations timeline that outlines the startup of the program from January 1, 2020 through December 31, 2020.

2. For rapid cycle quality improvement pilot programs, include the budget for the pilot phase of the program. If the program is expanded, a revised budget for the expanded program must be submitted.

3. The targeted providers/organizations, larger volume health systems, FQHC’s, or co-location of services being involved with CBCM. The PH-MCO will be responsible for reporting the targeted providers/organizations, targeted recipients, and define the financial spending for each arrangement.

4. The number of FTE’s involved with or employed as a CBCM worker whether the FTE is full or part-time, licensed or unlicensed, contracted or part of the PH-MCO staff.

5. Measurable goals for each CBCM program.

6. An outline of interventions that the CBCM worker will be performing for each of the targeted providers.

7. Outline payment mechanisms and time frames to providers for CBCM.

8. Program Budget, which should include the payment terms.

A PH-MCO’s approved CBCM program will remain in effect until December 31 of each calendar year. The PH-MCO may only submit one quarterly revision for the Department’s review and approval. The PH-MCO must complete and submit the CBCM Proposal Change Form, that is available on Docushare. Changes must be submitted no later than close of business on the last day of each calendar quarter. No changes will be accepted for the fourth quarter. No other revisions will be accepted.

The PH-MCO will establish an evidenced-informed, outcomes-based Maternal, Infant and Early Childhood Home Visitation Program for all first-time parents and parents of infants with additional risk factors. In addition to post-partum home visits, the PH-MCO will provide a minimum of two home visits
for all first-time parents and parents of infants with additional risk factors. These home visits must cover parent education on infant development and assessment of social determinates of health including identification of strengths and areas for improvement. The home visiting care manager/parent coaches will work to assist the parents with resources to address the identified needs. After the two home visits, if further follow up is warranted, the PH-MCO should refer the family to available evidence- based home visiting programs, positive parenting programs, child care or other family support programs in the community. If there are concerns about the infant’s development, the PH-MCO should refer the family to Early Intervention for evaluation and services if eligible. The PH-MCO will follow-up with parents to identify and resolve any barriers and to ensure progress in obtaining all referred services.

If the PH-MCO currently implements an evidenced-based home visitation program for first time parents and parents of infants with additional risk factors, focus should be placed on expanding the program to new geographic areas and new populations.

Evidenced-informed, outcomes-based programs have a two-generation approach, aimed at improving the well-being of both parents and children across the lifespan. They are all steeped in the Strengthening Families Protective Factors Framework. Children are more likely to thrive when their families have the support they need from the beginning. Home visitors evaluate families’ strengths and needs and provide services tailored to those needs, such as: teaching positive parenting skills and parent-child interactions, providing information on a wide range of topics including breastfeeding, safe sleep practices, injury prevention and nutrition, conduct screenings and provide referrals to address postpartum depression, substance use disorders and family violence, as well as developmental screenings of children and connecting families to other services and resources as needed. The list of approved evidence-based home visitation programs/models can be found at https://homvee.acf.hhs.gov/

K. The PH-MCO must implement their evidenced-informed, outcomes-based Maternal, Infant and Early Childhood Home Visitation Program no later than the end of second quarter of the calendar year. The PH-MCO needs to actively recruit and enroll community-based non-medical DPP providers. CBCM funds may be used for DPP infrastructure, data reporting and training of DPP coaches. CBCM funds cannot be used for any other DPP expenses.

II. Payments to the PH-MCO

A. The Department will make payments for CBCM based on a per member per month (PMPM) rate, noted in Appendix 3f. Effective January 1, 2018, CBCM payments to the PH-MCO will be net of those Members between ages 21 and
64 that have been determined by the Department to be in an IMD for 16 or more days in a calendar month and effective July 1, 2018, the Member’s condition is not related to Substance Used Disorder (SUD). The CBCM payments are part of the monthly capitation process, as identified in Appendix 3b.

1. If the PH-MCO has unspent CBCM funds, as determined by the Department, determined as of June 30 of the subsequent calendar year, the Department may reduce a future payment to the PH-MCO by the unspent amount or the Department may direct unspent CBCM funds provided to the PH-MCO per this Exhibit for the current or a prior program year. Any directed CBCM funds are to be used in support of an initiative to improve access to care or improved quality outcomes for Members.

2. If at any time the Department determines CBCM funds were not disbursed in accordance with the approved CBCM plan, upon advanced written notice to the PH-MCO, the Department may elect to reduce a future payment to the PH-MCO by the amount identified.

3. The Department will not reimburse the PH-MCOs for CBCM related expenses in excess of payments made by the Department. However, PH-MCOs can choose to spend more than funds paid by the Department to improve quality or access to care.

III. Payments to Providers

The PH-MCO should make payment to providers within the approved time period for the approved CBCM program, as identified above.

IV. Reporting

A. Clinical Reporting

1. All PH-MCOs must submit an analysis of their Comprehensive Care Management in addition to submitting a sub-analysis of the Community Based Case Management program. These analyses must be submitted as part of Operations Report #15 to the Department on the scheduled reporting due date(s).

2. An analysis of CBCM services should be a subset of the Comprehensive Care Management Program which details each provider involved as well as the Community Based Case Management interventions utilized during member interactions that impacted or reduced preventable readmissions or non-emergent visits to the ED, increased use of preventive care, or enhanced coordination of BH/PH services. For dental related services,
MCO will report the impact of CBCM activity to increase the CMS 416 rate of preventive dental services as well as the HEDIS pediatric dental rate.

3. The PH-MCOs will report on the clinical and financial outcomes of the program. The analyses should be a subset of the Operations 15 report and must describe the program’s return on investment (ROI).

B. Financial Reporting

The PH-MCO must submit three quarterly financial reports and a final annual financial report for all approved CBCM expenditures paid within one program year. PH-MCOs must submit the financial report in a format approved by the Department. Reports are due upon request from the Department. The final annual financial report is due by June 30 of the subsequent calendar year.

V. Clinical Review

The Department may choose to perform a review of the Community Based Care Management program. The PH-MCO must reasonably cooperate with Department staff during the review process.
Exhibit B(6)

MEDICATION ADHERENCE PAY-FOR-PERFORMANCE

This Exhibit B(6) defines a potential payment obligation by the Department to the PH-MCO for managing certain Members with a diagnosis of Hepatitis C to cure through adherence to their medication regimen as verified through point of sale claims for Hepatitis C medication dispensed and by the Member’s subsequent laboratory test post medication regimen for viral load.

The Department will make a one-time payment in the amount of $1,000 to the PH-MCO for each unique Member with a diagnosis of Hepatitis C that has received Hepatitis C medication(s), as identified on the Department’s Specialty Drug List, within the given calendar year and received a subsequent laboratory test that confirms the Member has achieved cure.

The Department will verify eligible Members for this incentive payment through encounter data for pharmacy services that have dates of service during the given calendar year and for which the PH-MCO submits a Sustained Virological Response (SVR) that confirms the Member achieved cure. The PH-MCO will notify the Department of SVRs it has obtained that document undetectable Hepatitis C Ribonucleic Acid (RNA) at least twelve weeks following completion of the medication therapy.

The Department will accept a SVR from the PH-MCO if at least one of the following criteria is met, along with other requirements:

A. The PH-MCO has paid for a Hepatitis C drug for the recipient during the given calendar year; OR

B. The recipient is currently enrolled with the PH-MCO.

If the Member changes PH-MCOs during the course of medication therapy, the Department will make a proportional payment to the PH-MCO for a Member that has switched prior to receiving the SVR confirming cure. If the PH-MCO did not make a payment for any days of the medication regimen received by the switching Member, the one-time payment will be multiplied by 10 percent (10.0%); If the PH-MCO paid for 1 to 30 days of the medication regimen received by the switching Member, the one-time payment will be multiplied by 50 percent (50.0%); If the PH-MCO paid for 31 days or more of medication regimen received by the switching Member, the PH-MCO will receive the one-time payment in full. The difference between the one-time payment less the proportional payment, will be paid to the PH-MCO from which the Member switched.

The Department will process one payment to the PH-MCO for each semi-annual period for the given calendar year. Each payment will total the sum of the one-time payments earned plus any proportional payments earned by the PH-MCO during that period. The Department will determine the inclusion of Members in each semi-annual period based on the date of service for that Member’s last Hepatitis C medication claim as identified through encounter data. The Department will not process each semi-annual payment until, at the earliest, six months after the end of the semi-annual period. Members that have been determined cured will be included in only one of the two semi-annual periods during the given calendar year.
If the PH-MCO has purchased the assets or liabilities of a PH-MCO that previously had an Agreement with the Department to operate a HealthChoices program ("Previous PH-MCO"); or if the Department transferred the Members enrolled in the Previous PH-MCO, who did not make a different choice, to the current PH-MCO; then the Department will include claims paid by the Previous PH-MCO.
EXHIBIT C

PH-MCO REQUIREMENTS FOR PROVIDER TERMINATIONS

The PH-MCO must comply with the requirements outlined in this Exhibit when they experience a termination with a provider. The requirements have been delineated to identify the requirements for terminations that are initiated by the PH-MCO and terminations that are initiated by the provider. Also provided in this Exhibit are the requirements for submission of workplans and supporting documentation that is to be submitted to the Department for hospital terminations, terminations of a specialty unit within a facility and terminations with large provider groups, which would negatively impact the ability of members to access services.

I. Termination by the PH-MCO

A. Notification to Department

A Member is considered to be receiving an ongoing course of treatment from a Provider if during the previous twelve (12) months the Member was treated by the Provider for a condition that requires follow-up care or additional treatment or the services have been Prior Authorized. Any adult member with a previously scheduled appointment shall be determined to be in receipt of an ongoing course of treatment from the provider, unless the appointment is for a well adult check-up. Any child (under age 21) with a previously scheduled appointment, including an appointment for well child care, shall be determined to be in receipt of an ongoing...
course of treatment from the provider. Per Department of Health regulation Title 28, §9.684(d), the transitional period may be extended by the PH-MCO if the extension is determined to be clinically appropriate. The PH-MCO shall consult with the Member and the health care provider in making the determination. The PH-MCO must also allow a Member who is pregnant to continue to receive care from the Provider that is being terminated through the completion of the Member’s postpartum care.

The PH-MCO must review each request to continue an ongoing course of treatment and notify the Member of the decision as expeditiously as the Member’s health condition requires, but no later than 2 business days. If the PH-MCO determines what the Member is requesting is not an ongoing course of treatment, the PH-MCO must issue the Member a denial notice using the template notice titled C(4) Continuity of Care Denial Notice found in Docushare.

The PH-MCO must also inform the Provider that to be eligible for payment for services provided to a Member after the Provider is terminated from the Network, the Provider must agree to meet the same terms and conditions as participating Providers.

The Department, at its sole discretion, may allow exceptions to the thirty (30) day advance written notice depending upon verified status of contract negotiations between the PH-MCO and Provider.

The Department, in coordination with DOH, may require the PH-MCO to include additional information in the notice of a termination to Members.

The thirty (30) day advance written notice requirement does not apply to terminations by the PH-MCO for cause in accordance with 40 P.S. Section 991.2117(b). The PH-MCO must notify Members within five (5) Business Days using the template notice titled C(1) Provider Termination Template For PCPs, found in Docushare.

The PH-MCO must update hard copy and web-based Provider directories to reflect changes in the Provider Network as required in Section V.F.16, Provider Directories, of this Agreement.

If the PH-MCO is informed by a Provider that the Provider intends to no longer participate in the PH-MCO’s Network, the PH-MCO must notify the Department in writing sixty (60) days prior to the date the Provider will no longer participate in the PH-MCO’s Network. If the PH-MCO receives less than sixty (60) days notice that a Provider will no longer participate in the PH-MCO’s Network, the PH-MCO must notify the Department by the next Business Day after receiving notice from the Provider.

The PH-MCO must submit a Provider termination work plan within ten (10) Business Days of the PH-MCO notifying the Department of the termination and must provide weekly status updates to the workplan. The requirements for the

The PH-MCO must comply with both this section and the PA Department of Health (DOH) requirements found at 28 Pa. Code § 9.684.

B. Notification to Members

If the Provider that is terminating its participation in the Network is a PCP, the PH-MCO, using the template notice titled C(1) Provider Termination Template For PCPs, in Docushare, must notify all Members who receive primary care services from the Provider.

If the Provider that is terminating its participation in the Network is not a PCP or a hospital, the PH-MCO, using the template notice titled C(3) Provider Termination Template for Specialist and FQHC Providers Who Are Not PCPs, found in Docushare, must notify all Members, who have received services from the Provider during the previous twelve (12) months; all Members who were scheduled to receive services from the terminating Provider; and all Members who have a pending or approved Prior Authorization request for services from the Provider thirty (30) days prior to the effective date of the Provider's termination. The PH-MCO must use referral and claims data to identify these Members.

If the Provider that is terminating its participation in the Network is a hospital or specialty unit within a facility, the PH-MCO, using the template notice titled C(2) Hospital/Specialty Unit Within a Facility or Hospital Termination, found in Docushare, must notify all Members assigned to a PCP with admitting privileges at the hospital, all Members assigned to a PCP that is owned by the hospital, and all members who have utilized the terminating hospital's services within the past twelve (12) months thirty (30) days prior to the effective date of the Hospital's termination. The MCO must use referral and claims data to identify these Members.

If the Provider that is terminating its participation in the Network is a specialty unit within a facility or hospital, the Department may require the PH-MCO to provide thirty (30) days advance written notice to a specific Member population or to all of its Members, based on the impact of the termination.

The Department, in coordination with DOH, may require additional information be included in the notice of a termination to Members.

1. TERM OF GRANT

The term of the Grant shall commence on the Effective Date (as defined below) and shall end on the Expiration Date identified in the Grant, subject to the other provisions of the Grant. The Effective Date shall be fixed by the Granting Officer after the Grant has been fully executed by the Grantee and by the Commonwealth and all approvals required by Commonwealth Granting procedures have been obtained. The Grant shall not be a legally binding Grant until after the Effective Date is affixed and the fully-executed Grant has been sent to the Grantee. The Granting Officer shall issue a written Notice to Proceed to the Grantee directing the Grantee to start performance on a date which is on or after the Effective Date. The Grantee shall not start the performance of any work prior to the date set forth in the Notice to Proceed and the Commonwealth shall not be liable to pay the Grantee for any service or work performed or expenses incurred before the date set forth in the Notice to Proceed. No agency employee has the authority to verbally direct the commencement of any work under this Grant. The Commonwealth reserves the right, upon notice to the Grantee, to extend the term of the Grant for up to three (3) months upon the same terms and conditions. This will be utilized to prevent a lapse in Grant coverage and only for the time necessary, up to three (3) months, to enter into a new Grant.

2. INDEPENDENT GRANTEE

In performing the services required by the Grant, the Grantee will act as an independent Grantee and not as an employee or agent of the Commonwealth.

3. COMPLIANCE WITH LAW

The Grantee shall comply with all applicable federal and state laws and regulations and local ordinances in the performance of the Grant.

4. ENVIRONMENTAL PROVISIONS

In the performance of the Grant, the Grantee shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations.

5. POST-CONSUMER RECYCLED CONTENT

Except as specifically waived by the Department of General Services in writing, any products which are provided to the Commonwealth as a part of the performance of the Grant must meet the minimum percentage levels for total recycled content as specified in Exhibits A-1 through A-8 to these Standard Grant Terms and Conditions.

6. COMPENSATION/EXPENSES

The Grantee shall be required to perform the specified services at the price(s) quoted in the Grant. All services shall be performed within the time period(s) specified in the Grant. The Grantee shall be compensated only for work performed to the satisfaction of the Commonwealth. The Grantee shall not be allowed or paid travel or per diem expenses except as specifically set forth in the Grant.

7. INVOICES

Unless the Grantee has been authorized by the Commonwealth for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Grantee shall send an invoice itemized by line item to the address referenced on the grant promptly after services are satisfactorily completed. The invoice should include only amounts due under the Grant agreement. The grant number must be included on all invoices. In addition, the Commonwealth shall have the right to require the Grantee to prepare and submit a "Work In Progress" sheet that contains, at a minimum, the tasks performed, number of hours, hourly rate, and the Grant number or task order to which it refers.

8. PAYMENT

a. The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is: (a) the date on which payment is due under the terms of the Grant; (b) thirty (30) days after a proper invoice actually is received at the "Provide Service and Bill To" address if a date on which payment is due is not specified in the Grant (a "proper" invoice is not received until the Commonwealth
accepts the service as satisfactorily performed); or (c) the payment date specified on the invoice if later than the dates established by (a) and (b) above. Payment may be delayed if the payment amount on an invoice is not based upon the price(s) as stated in the Grant. If any payment is not made within fifteen (15) days after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 and regulations promulgated pursuant thereto. Payment should not be construed by the Grantee as acceptance of the service performed by the Grantee. The Commonwealth reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if such post payment testing or inspection discloses a defect or a failure to meet specifications. The Grantee agrees that the Commonwealth may set off the amount of any state tax liability or other obligation of the Grantee or its subsidiaries to the Commonwealth against any payments due the Grantee under any Grant with the Commonwealth.

b. The Commonwealth shall have the option of using the Commonwealth purchasing card to make purchases under the Grant or purchase order. The Commonwealth's purchasing card is similar to a credit card in that there will be a small fee which the Grantee will be required to pay and the Grantee will receive payment directly from the card issuer rather than the Commonwealth. Any and all fees related to this type of payment are the responsibility of the Grantee. In no case will the Commonwealth allow increases in prices to offset credit card fees paid by the Grantee or any other charges incurred by the Grantee, unless specifically stated in the terms of the Grant or purchase order.

9. TAXES

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax free purchases under Registration No. 23740001-K. With the exception of purchases of the following items, no exemption certificates are required and none will be issued: undyed diesel fuel, tires, trucks, gas guzzler emergency vehicles, and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania state sales tax, local sales tax, public transportation assistance taxes and fees and vehicle rental tax. The Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this paragraph is meant to exempt a construction Grantee from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental, or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction Grant.

10. WARRANTY

The Grantee warrants that all services performed by the Grantee, its agents and subGrantees shall be free and clear of any defects in workmanship or materials. Unless otherwise stated in the Grant, all services and parts are warranted for a period of one year following completion of performance by the Grantee and acceptance by the Commonwealth. The Grantee shall correct any problem with the service and/or replace any defective part with a part of equivalent or superior quality without any additional cost to the Commonwealth.

11. PATENT, COPYRIGHT, AND TRADEMARK INDEMNITY

The Grantee warrants that it is the sole owner or author of, or has entered into a suitable legal agreement concerning either: a) the design of any product or process provided or used in the performance of the Grant which is covered by a patent, copyright, or trademark registration or other right duly authorized by state or federal law or b) any copyrighted matter in any report document or other material provided to the Commonwealth under the Grant. The Grantee shall provide any suit or proceeding brought against the Commonwealth on account of any alleged patent, copyright or trademark infringement in the United States of any of the products provided or used in the performance of the Grant. This is upon condition that the Commonwealth shall provide prompt notification in writing of such suit or proceeding; full right, authorization and opportunity to conduct the defense thereof; and full information and all reasonable cooperation for the defense of same. As principles of governmental or public law are involved, the Commonwealth may participate in or choose to conduct, in its sole discretion, the defense of any such action. If information and assistance are furnished by the Commonwealth at the Grantee's written request, it shall be at the Grantee's expense, but the responsibility for such expense shall be only that within the Grantee's written authorization. The Grantee shall indemnify and hold the Commonwealth harmless from all damages, costs, and expenses, including attorney's fees that the Grantee or the Commonwealth may pay or incur by reason of any infringement or violation of the rights occurring to any holder of copyright, trademark, or patent interests and rights in any products provided or used in the performance of the Grant. If any of the products provided by the Grantee in such suit or proceeding are held to constitute infringement and the use is enjoined, the Grantee shall, at its own expense and at its option, either procure the right to continue use of such infringement products, replace them with non-infringement equal
performance products or modify them so that they are no longer infringing. If the Grantee is unable to do any of the preceding, the Grantee agrees to remove all the equipment or software which are obtained contemporaneously with the infringing product, or, at the option of the Commonwealth, only those items of equipment or software which are held to be infringing, and to pay the Commonwealth: 1) any amounts paid by the Commonwealth towards the purchase of the product, less straight line depreciation; 2) any license fee paid by the Commonwealth for the use of any software, less an amount for the period of usage; and 3) the pro rata portion of any maintenance fee representing the time remaining in any period of maintenance paid for. The obligations of the Grantee under this paragraph continue without time limit. No costs or expenses shall be incurred for the account of the Grantee without its written consent.

12. **OWNERSHIP RIGHTS**

The Commonwealth shall have unrestricted authority to reproduce, distribute, and use any submitted report, data, or material, and any software or modifications and any associated documentation that is designed or developed and delivered to the Commonwealth as part of the performance of the Grant.

13. **ASSIGNMENT OF ANTITRUST CLAIMS**

The Grantee and the Commonwealth recognize that in actual economic practice, overcharges by the Grantee's suppliers resulting from violations of state or federal antitrust laws are in fact borne by the Commonwealth. As part of the consideration for the award of the Grant, and intending to be legally bound, the Grantee assigns to the Commonwealth all right, title and interest in and to any claims the Grantee now has, or may acquire, under state or federal antitrust laws relating to the products and services which are the subject of this Grant.

14. **HOLD HARMLESS PROVISION**

The Grantee shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all claims, demands and actions based upon or arising out of any activities performed by the Grantee and its employees and agents under this Grant and shall, at the request of the Commonwealth, defend any and all actions brought against the Commonwealth based upon any such claims or demands.

15. **AUDIT PROVISIONS**

The Commonwealth shall have the right, at reasonable times and at a site designated by the Commonwealth, to audit the books, documents and records of the Grantee to the extent that the books, documents and records relate to costs or pricing data for the Grant. The Grantee agrees to maintain records which will support the prices charged and costs incurred for the Grant. The Grantee shall preserve books, documents, and records that relate to costs or pricing data for the Grant for a period of three (3) years from date of final payment. The Grantee shall give full and free access to all records to the Commonwealth and/or their authorized representatives.

16. **DEFAULT**

   a. The Commonwealth may, subject to the provisions of Paragraph 17, Force Majeure, and in addition to its other rights under the Grant, declare the Grantee in default by written notice thereof to the Grantee, and terminate (as provided in Paragraph 18, Termination Provisions) the whole or any part of this Grant for any of the following reasons:

      1) Failure to begin work within the time specified in the Grant or as otherwise specified;
      2) Failure to perform the work with sufficient labor, equipment, or material to insure the completion of the specified work in accordance with the Grant terms;
      3) Unsatisfactory performance of the work;
      4) Failure or refusal to remove material, or remove and replace any work rejected as defective or unsatisfactory;
      5) Discontinuance of work without approval;
      6) Failure to resume work, which has been discontinued, within a reasonable time after notice to do so;
      7) Insolvency or bankruptcy;
      8) Assignment made for the benefit of creditors;
      9) Failure or refusal within 10 days after written notice by the Granting Officer, to make payment or show cause why payment should not be made, of any amounts due for materials furnished, labor supplied or performed, for equipment rentals, or for utility services rendered;
      10) Failure to protect, to repair, or to make good any damage or injury to property; or
      11) Breach of any provision of this Grant.

   b. In the event that the Commonwealth terminates this Grant in whole or in part as provided in Subparagraph a. above, the Commonwealth may procure, upon such terms and in such manner as it determines, services similar or identical to those so terminated,
and the Grantee shall be liable to the Commonwealth for any reasonable excess costs for such similar or identical services included within the terminated part of the Grant.

c. If the Grant is terminated as provided in Subparagraph a. above, the Commonwealth, in addition to any other rights provided in this paragraph, may require the Grantee to transfer title and deliver immediately to the Commonwealth in the manner and to the extent directed by the Issuing Office, such partially completed work, including, where applicable, reports, working papers and other documentation, as the Grantee has specifically produced or specifically acquired for the performance of such part of the Grant as has been terminated. Except as provided below, payment for completed work accepted by the Commonwealth shall be at the Grant price. Except as provided below, payment for partially completed work including, where applicable, reports and working papers, delivered to and accepted by the Commonwealth shall be in an amount agreed upon by the Grantee and Granting Officer. The Commonwealth may withhold from amounts otherwise due the Grantee for such completed or partially completed works, such sum as the Granting Officer determines to be necessary to protect the Commonwealth against loss.

d. The rights and remedies of the Commonwealth provided in this paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Grant.

e. The Commonwealth's failure to exercise any rights or remedies provided in this paragraph shall not be construed to be a waiver by the Commonwealth of its rights and remedies in regard to the event of default or any succeeding event of default.

f. Following exhaustion of the Grantee's administrative remedies as set forth in Paragraph 19, the Grantee's exclusive remedy shall be to seek damages in the Board of Claims.

17. **FORCE MAJEURE**

Neither party will incur any liability to the other if its performance of any obligation under this Grant is prevented or delayed by causes beyond its control and without the fault or negligence of either party. Causes beyond a party's control may include, but aren't limited to, acts of God or war, changes in controlling law, regulations, orders or the requirements of any governmental entity, severe weather conditions, civil disorders, natural disasters, fire, epidemics and quarantines, general strikes throughout the trade, and freight embargoes.

The Grantee shall notify the Commonwealth orally within five (5) days and in writing within ten (10) days of the date on which the Grantee becomes aware, or should have reasonably become aware, that such cause would prevent or delay its performance. Such notification shall (i) describe fully such cause(s) and its effect on performance, (ii) state whether performance under the Grant is prevented or delayed and (iii) if performance is delayed, state a reasonable estimate of the duration of the delay. The Grantee shall have the burden of proving that such cause(s) delayed or prevented its performance despite its diligent efforts to perform and shall produce such supporting documentation as the Commonwealth may reasonably request. After receipt of such notification, the Commonwealth may elect either to cancel the Grant or to extend the time for performance as reasonably necessary to compensate for the Grantee's delay.

In the event of a declared emergency by competent governmental authorities, the Commonwealth by notice to the Grantee, may suspend all or a portion of the Grant.

18. **TERMINATION PROVISIONS**

The Commonwealth has the right to terminate this Grant for any of the following reasons. Termination shall be effective upon written notice to the Grantee.

a. **TERMINATION FOR CONVENIENCE:** The Commonwealth shall have the right to terminate the Grant for its convenience if the Commonwealth determines termination to be in its best interest. The Grantee shall be paid for work satisfactorily completed prior to the effective date of the termination, but in no event shall the Grantee be entitled to recover loss of profits.

b. **NON-APPROPRIATION:** The Commonwealth's obligation to make payments during any Commonwealth fiscal year succeeding the current fiscal year shall be subject to
availability and appropriation of funds. When funds (state and/or federal) are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year period, the Commonwealth shall have the right to terminate the Grant. The Grantee shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the supplies or services delivered under this Grant. Such reimbursement shall not include loss of profit, loss of use of money, or administrative or overhead costs. The reimbursement amount may be paid for any appropriations available for that purpose.

c. **TERMINATION FOR CAUSE:** The Commonwealth shall have the right to terminate the Grant for Grantee default under Paragraph 16, Default, upon written notice to the Grantee. The Commonwealth shall also have the right, upon written notice to the Grantee, to terminate the Grant for other cause as specified in this Grant or by law. If it is later determined that the Commonwealth erred in terminating the Grant for cause, then, at the Commonwealth's discretion, the Grant shall be deemed to have been terminated for convenience under the Subparagraph 18.a.

19. **GRANT CONTROVERSIES**

   a. In the event of a controversy or claim arising from the Grant, the Grantee must, within six months after the cause of action accrues, file a written claim with the Granting officer for a determination. The claim shall state all grounds upon which the Grantee asserts a controversy exists. If the Grantee fails to file a claim or files an untimely claim, the Grantee is deemed to have waived its right to assert a claim in any forum.

   b. The Granting officer shall review timely-filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within 120 days of the receipt of the claim, unless extended by consent of the Granting officer and the Grantee. The Granting officer shall send his/her written determination to the Grantee. If the Granting officer fails to issue a final determination within the 120 days (unless extended by consent of the parties), the claim shall be deemed denied. The Granting officer's determination shall be the final order of the purchasing agency.

   c. Within fifteen (15) days of the mailing date of the determination denying a claim or within 135 days of filing a claim if, no extension is agreed to by the parties, whichever occurs first, the Grantee may file a statement of claim with the Commonwealth Board of Claims. Pending a final judicial resolution of a controversy or claim, the Grantee shall proceed diligently with the performance of the Grant in a manner consistent with the determination of the Granting officer and the Commonwealth shall compensate the Grantee pursuant to the terms of the Grant.

20. **ASSIGNABILITY AND SUBGRANTING**

   a. Subject to the terms and conditions of this Paragraph 20, this Grant shall be binding upon the parties and their respective successors and assigns.

   b. The Grantee shall not subGrant with any person or entity to perform all or any part of the work to be performed under this Grant without the prior written consent of the Granting Officer, which consent may be withheld at the sole and absolute discretion of the Granting Officer.

   c. The Grantee may not assign, in whole or in part, this Grant or its rights, duties, obligations, or responsibilities hereunder without the prior written consent of the Granting Officer, which consent may be withheld at the sole and absolute discretion of the Granting Officer.

   d. Notwithstanding the foregoing, the Grantee may, without the consent of the Granting Officer, assign its rights to payment to be received under the Grant, provided that the Grantee provides written notice of such assignment to the Granting Officer together with a written acknowledgement from the assignee that any such payments are subject to all of the terms and conditions of this Grant.

   e. For the purposes of this Grant, the term "assign" shall include, but shall not be limited to, the sale, gift, assignment, pledge, or other transfer of any ownership interest in the
Grantee provided, however, that the term shall not apply to the sale or other transfer of stock of a publicly traded company.

f. Any assignment consented to by the Granting Officer shall be evidenced by a written assignment agreement executed by the Grantee and its assignee in which the assignee agrees to be legally bound by all of the terms and conditions of the Grant and to assume the duties, obligations, and responsibilities being assigned.

g. A change of name by the Grantee, following which the Grantee's federal identification number remains unchanged, shall not be considered to be an assignment hereunder. The Grantee shall give the Granting Officer written notice of any such change of name.

21. NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE

During the term of the Grant, the Grantee agrees as follows:

a. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the grant agreement or any subgrant agreement, contract, or subcontract, the Grantee, a subgrantee, a contractor, a subcontractor, or any person acting on behalf of the Grantee shall not discriminate in violation of the Pennsylvania Human Relations Act (PHRA) and applicable federal laws against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

b. The Grantee, any subgrantee, contractor or any subcontractor or any person on their behalf shall not in any manner discriminate in violation of the PHRA and applicable federal laws against or intimidate any of its employees.

c. The Grantee, any subgrantee, contractor or any subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the grant services are performed shall satisfy this requirement.

d. The Grantee, any subgrantee, contractor or any subcontractor shall not discriminate in violation of the PHRA and applicable federal laws against any subgrantee, contractor, subcontractor or supplier who is qualified to perform the work to which the grant relates.

e. The Grantee and each subgrantee, contractor and subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws and regulations relating to nondiscrimination and sexual harassment. The Grantee and each subgrantee, contractor and subcontractor further represents that it has filed a Standard Form 100 Employer Information Report ("EEO-1") with the U.S. Equal Employment Opportunity Commission ("EEOC") and shall file an annual EEO-1 report with the EEOC as required for employers subject to Title VII of the Civil Rights Act of 1964, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Grantee, any subgrantee, any contractor or any subcontractor shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the granting agency and the Bureau of Small Business Opportunities (BSBO), for the purpose of ascertaining compliance with the provisions of this Nondiscrimination/Sexual Harassment Clause.

f. The Grantee, any subgrantee, contractor or any subcontractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subgrant agreement, contract or subcontract so that those provisions applicable to subgrantees, contractors or subcontractors will be binding upon each subgrantee, contractor or subcontractor.

g. The Grantee’s and each subgrantee’s, contractor’s and subcontractor’s obligations pursuant to these provisions are ongoing from and after the effective date of the grant agreement through the termination date thereof. Accordingly, the Grantee and each subgrantee, contractor and subcontractor shall have an obligation to inform the Commonwealth if, at any time during the term of the grant agreement, it becomes aware of any actions or occurrences that would result in violation of these provisions.
h. The Commonwealth may cancel or terminate the grant agreement and all money due or to become due under the grant agreement may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the granting agency may proceed with debarment or suspension and may place the Grantee, subgrantee, contractor, or subcontractor in the Contractor Responsibility File.

22. CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

1. DEFINITIONS. For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:

g. “Non-bid Basis” means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.

2. In furtherance of this policy, Contractor agrees to the following:

b. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. d. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor’s financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor’s submission of the contract signed by Contractor.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor’s obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor’s certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

Contractor shall comply with the requirements of the Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.) regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a).

f. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor’s Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.

g. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor’s compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor’s suspension or debarment.

h. Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-
compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.

i. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

23. GRANTEE RESPONSIBILITY PROVISIONS

a. The Grantee certifies, for itself and all its subGrantees, that as of the date of its execution of this Bid/Grant, that neither the Grantee, nor any subGrantees, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Grantee cannot so certify, then it agrees to submit, along with its Bid, a written explanation of why such certification cannot be made.

b. The Grantee also certifies, that as of the date of its execution of this Bid/Grant, it has no tax liabilities or other Commonwealth obligations.

c. The Grantee's obligations pursuant to these provisions are ongoing from and after the effective date of the Grant through the termination date thereof. Accordingly, the Grantee shall have an obligation to inform the Commonwealth if, at any time during the term of the Grant, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subGrantees are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.

d. The failure of the Grantee to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Grant with the Commonwealth.

e. The Grantee agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for Investigations of the Grantee's compliance with the terms of this or any other agreement between the Grantee and the Commonwealth, which results in the suspension or debarment of the Grantee. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Grantee shall not be responsible for investigative costs for investigations that do not result in the Grantee's suspension or debarment.

The Grant, including all referenced documents, constitutes the entire agreement between the parties. No agent, representative, employee or officer of either the Commonwealth or the Grantee has authority to make, or has made, any statement, agreement or representation, oral or written, in connection with the Grant, which in any way can be

Any such change order shall be in writing signed by the Granting Officer. The change order shall be effective as of the date appearing on the change order, unless the change order specifies a later effective date. Such increases, decreases, changes, or modifications will not invalidate the Grant, nor, if performance security is being furnished in conjunction with the Grant, release the security obligation. The Grantee agrees to provide the service in accordance with the change order. Any dispute by the Grantee in regard to the performance required under any change order shall be handled through Paragraph 19, “Grant Controversies”.

B. The PH-MCO must pay the Department’s per-member-per-month (PMPM) rate for community-based care management services rendered by an OUD-COE when the OUD-COE has appropriately submitted a claim using procedure code G9012 (other specified case management service not elsewhere classified).

The PH-MCO must pay a claim for procedure code G9012 when it determines that the OUD-COE has met the following requirements:

1. During the first calendar month a Member is engaged with the OUD-COE, the OUD-COE has provided and documented one face-to-face community-based care management service and one service for the treatment of a condition associated with an ICD-10 diagnosis code related to OUD.

2. During subsequent months a Member is engaged with the OUD-COE, the OUD-COE has provided and documented one face-to-face community-based care management service. If a Member does not receive a face-to-face care management service for two or more consecutive months, the OUD-COE must also provide a treatment service in addition to a face-to-face care management service to receive the PMPM for a subsequent month.

3. Face-to-face community-based care management services for a Member include:

A. General Requirement

The HealthChoices Physical Health Managed Care Organizations (PH-MCOs) must submit to the Department all written policies and procedures for the Prior Authorization of services. The PH-MCO may require Prior Authorization for any services that require Prior Authorization in the Medical Assistance Fee-for-Service (FFS) Program. The PH-MCO must notify the Department of the FFS authorized services they will continue to prior authorize and the basis for determining if the service is Medically Necessary. The PH-MCO must receive advance written approval from the Department to require the Prior Authorization of any services not currently required to be Prior Authorized under the FFS Program. For each service to be Prior Authorized, the PH-MCO must submit for the Department’s review and approval the written policies and procedures in accordance with the guidelines described below. The policies and procedures must:

- Be submitted in writing, for all new and revised criteria, prior to implementation;
- Be approved by the Department in writing prior to implementation;
- Adhere to specifications of the HealthChoices RFP, HealthChoices Agreement, federal regulations, and applicable policy in Medical Assistance General Regulations, Chapter 1101 and DHS regulations;
- Ensure that physical health care is Medically Necessary and provided in an appropriate, effective, timely, and cost efficient manner;
- Adhere to the applicable requirements of Centers for Medicare and Medicaid Services (CMS) Guidelines for Internal Quality Assurance Programs of Health Maintenance Organizations (HMOs), Health Insuring Organizations (HIOs), and Prepaid Health Plans (PHPs), contracting with Medicaid/Quality Assurance Reform Initiative (QARI);
- Include an expedited review process to address those situations when an item or service must be provided on an urgent basis; and
- Be submitted on an annual basis for review and approval.

Future changes in state and federal law, state and federal regulations, and court cases may require re-evaluation of any previously approved Prior Authorization proposal. Any deviation from the policies and procedures approved by the Department, including time frames for decisions, is considered to be a change and requires a new request for approval. Failure of the PH-MCO to comply may result in sanctions and/or penalties by the Department.
The Department defines prior authorization as a determination made by a PH-MCO to approve or deny payment for a Provider's request to provide a service or course of treatment of a specific duration and scope to a Member prior to the Provider's initiation or continuation of the requested service.

The DHS Prior Authorization Review Panel has the sole responsibility to review and approve all prior authorization proposals from the PH-MCOs.

B. Guidelines for Review

1. Basic Requirements:

   a. The PH-MCO must identify individual service(s), medical item(s), and/or therapeutic categories of drugs to be Prior Authorized.

   b. If the Prior Authorization is limited to specific populations, the PH-MCO must identify all populations who will be affected by the proposal for Prior Authorization.

2. Medically Necessary Requirements:

   a. The PH-MCO must describe the process to validate medical necessity for:

      • covered care and services;
      • procedures and level of care;
      • medical or therapeutic items.

   b. The PH-MCO must identify the source of the criteria used to review the request for Prior Authorization of services. The criteria must be consistent with the HealthChoices contract definition for a service or benefit that is Medically Necessary. All criteria must be submitted to the Department for evaluation and approval under URCAP prior to implementation.

   c. For PH-MCOs, if the criteria being used are:

      • Purchased and licensed, the PH-MCO must identify the vendor;
      • Developed/recommended/endorsed by a national or state health care provider association or society, the PH-MCO must identify the association or society;
• Based on national best practice guidelines, the PH-MCO must identify the source of those guidelines;

• Based on the medical training, qualifications, and experience of the PH-MCO’s Medical Director or other qualified and trained practitioners, the PH-MCO must identify the individuals who will determine if the service or benefit is Medically Necessary.

d. PH-MCO guidelines to determine medical necessity of all drugs that require prior authorization must be posted for public view on the PH-MCO’s website. This includes, but is not limited to, guidelines to determine medical necessity of both specific drugs and entire classes of drugs that require prior authorization for health and safety reasons, non-formulary designations, appropriate utilization, quantity limits, or mandatory generic substitution. The guidelines must specify all of the conditions that the PH-MCO reviewers will consider when determining medical necessity including requirements for step therapy.

e. The PH-MCO must identify the qualification of staff that will determine if the service is Medically Necessary. Health Care Providers, qualified and trained in accordance with the CMS Guidelines, the RFP, the HealthChoices Agreement, and applicable legal settlements must make the determination of Medically Necessary services.

For children under the age of twenty-one (21), requests for service will not be denied for lack of Medical Necessity unless a physician, dentist or other health care professional with appropriate clinical expertise in treating the Member’s condition or disease determines:

• That the prescriber did not make a good faith effort to submit a complete request, or

• That the service or item is not Medically Necessary, after making a reasonable effort to consult with the prescriber. The reasonable effort to consult must be documented in writing.

3. Administrative Requirements

  a. The PH-MCO’s written policies and procedures must identify the time frames for review and decisions and the PH-MCO must demonstrate that the time frames are consistent with the following required maximum time frames:
• Immediate: Inpatient Place of Service Review for emergency and urgent admissions.

• 24 hours: All drugs; and items or services which must be provided on an urgent basis.

• 48 hours: (following receipt of required documentation) Home Health Services.

• 21 days: All other services.

b. The PH-MCO’s written policies and procedures must demonstrate how the PH-MCO will ensure adequate care management and overall continuity of care among all levels and specialty areas.

c. The PH-MCO’s written policies and procedures must explain how Prior Authorization data will be incorporated into the PH-MCO’s overall Quality Management plan.

4. Notification, Grievance, and DHS Fair Hearing Requirements

The PH-MCO must demonstrate how written policies and procedures for requests for Prior Authorization comply and are integrated with the Member and Provider notification requirements and Member Grievance and DHS Fair Hearing requirements of the RFP and Agreement.

5. Requirements for Care Management/Care Coordination of Non-Prior Authorized Service(s)/Items(s)

For purposes of tracking care management/identification of certain diagnoses or conditions, and with advance written approval from the Department, the PH-MCO may choose to establish a process or protocol requiring notification prior to service delivery. This process must not involve any approvals/denials or delays in receiving the service. The PH-MCO must notify Providers of this notification requirement. This process may not be administratively cumbersome to Providers and Members. These situations need not comply with the other Prior Authorization requirements contained in this Exhibit.
EXHIBIT J
EPSDT GUIDELINES

The PH-MCO must adhere to specific Department regulations at 55 PA Code Chapters 3700 and 3800 as they relate to EPSDT examinations for individuals under the age of twenty-one (21) and entering substitute care or a child residential facility placement. These examinations must be performed within the timeframes established by the regulations. The scope of PH-MCO EPSDT requirements that address screening, diagnosis and treatment, tracking, follow-up and outreach, and interagency teams for children are provided below.

The PH-MCO must have written policies and procedures for providing all Medically Necessary Title XIX EPSDT services to all eligible individuals under the age of twenty-one (21) regardless of whether the service is included on the Medicaid State Plan. The PH-MCO must assist individuals in gaining access to necessary medical, social, education, and other services in accordance with the HealthChoices agreement.

1. Screening

The PH-MCO must ensure that periodic EPSDT screens are conducted by a process, including data collection format, approved by the Department, on all Members under age twenty-one (21) to identify health and developmental problems. These screens must be in accordance with the most current periodicity schedule developed by the Department and recommended pediatric immunization schedules, both of which are based on guidelines issued by the American Academy of Pediatrics (AAP) and the Centers for Disease Control and Prevention (CDC).

2. Diagnoses and Treatment

If a suspected problem is detected by a screening examination, the child must be evaluated as necessary for further diagnosis. This diagnosis is used to determine treatment needs. Following an EPSDT screen, if the screening Provider suspects developmental delay and the child is not receiving services at the time of screening, s/he is required to refer the child (not over five (5) years of age) through CONNECT, 1-800-692-7288, for referral for local Early Intervention Program services. The PH-MCO is also responsible to ensure that a child is referred to the county Intellectual Disabilities (ID) office for a determination of eligibility for home and community-based services. The Intellectual Developmental Disabilities County contacts are found at [http://pafamiliesinc.org/understanding-systems/intellectual-disabilities/intellectual-developmental-disabilities-county-contact-information-for-pennsylvania](http://pafamiliesinc.org/understanding-systems/intellectual-disabilities/intellectual-developmental-disabilities-county-contact-information-for-pennsylvania). The PH-MCO is responsible for developing a system that tracks treatment needs as they are identified and ensures that appropriate follow-up is pursued and reflected in the medical record (see Section 3, Tracking, for all requirements).

OBRA ‘89 entitles individuals under the age of twenty-one (21) to receive all Medically Necessary health care services that are contained in Section 1905(a) of the Social Security Act and required to treat a condition diagnosed during any encounter with a Health Care Provider practicing within the scope of state law. Any Medically Necessary health care,
eligible under the federal Medicaid program, required to treat conditions detected during a visit must be covered by the PH-MCO, except Behavioral Health Services which will be covered through the BH-MCO. Even though the PH-MCO is not responsible for behavioral health treatment, it is still responsible for identifying Members who are in need of behavioral health treatment services, and for linking the Member with the appropriate BH-MCO.

The PH-MCO must have a system in place to address the need for and furnish expanded services. Such policies will be clearly communicated to Providers and Recipient through the Provider Manual and the Member Handbook. If a Health Care Provider prescribes services or equipment for an individual under the age of twenty-one (21), which is not normally covered by the MA Program, or for which the PH-MCO requires Prior Authorization, the PH-MCO must follow the Prior Authorization requirements outlined in Section V.B. and Exhibit H of the contract.

3. Tracking

The PH-MCO must establish a tracking system that provides information on compliance with EPSDT service provision requirements in the following areas:

- Initial visit for newborns. The initial EPSDT screen shall be the newborn physical exam in the hospital.
- EPSDT screen and reporting of all screening results.
- Diagnosis and/or treatment, or other referrals for children.
- Other tracking activities include: Number of comprehensive screens (reported by age); hearing and vision examinations; dental screens; age appropriate screens; complete age appropriate immunizations; blood lead screens; prenatal care for teen mothers; provision of eyeglasses to those in need of them; dental sealants; newborn home visits; referral of very low birth weight babies to early intervention; referral of Members under the age of five (5) with elevated blood lead levels to early intervention; routine evaluation for iron deficiencies; maternal depression screening; screenings for developmental delays and autism spectrum disorders; depression screenings; and timely identification and treatment of asthma.

4. Follow-ups and Outreach

The PH-MCO must have an established process for reminders, follow-ups and outreach to Members that includes:

- Written notification of upcoming or missed appointments within a set time period, taking into consideration language and literacy capabilities of Members.
- Telephone protocols to remind Members of upcoming visits and follow-up on missed appointments within a set time period.
• If requested, any necessary assistance with transportation to ensure that recipients obtain necessary EPSDT screening services. This assistance must be offered prior to each due date of a child’s periodic examination.

• Protocols for conducting outreach with non-compliant Members, including home visits, as appropriate.

• A process for outreach and follow-up to Members under the age of twenty-one (21) with Special Needs, such as homeless children.

• A process for outreach and follow-up with County Children and Youth Agencies and Juvenile Probation Offices to assure that they are notified of all Members under the age of twenty-one (21) who are under their supervision and who are due to receive EPSDT screens and follow-up treatment.

• The PH-MCO may develop alternate processes for follow up and outreach subject to prior written approval from the Department.

The PH-MCO shall submit to the Department reports that identify its performance in the above four required services (Screening, Diagnosis and Treatment, Tracking, and Follow-up and Outreach).

Arranging for Medically Necessary follow-up care for health care services is an integral part of the Provider’s continuing care responsibility after a screen or any other health care contact. In cases involving a Member under the age of twenty-one (21) with complex medical needs or serious or multiple disabilities or illnesses, case management services must be offered, consistent with the HealthChoices agreement and exhibits.

To assist the PH-MCO in provision of the above four (4) required services (Screening, Diagnosis and Treatment, Tracking and Follow-up and Outreach) to children in substitute care, the PH-MCO will be required to develop master lists of all enrolled children who are coded as such on the monthly membership files. The PH-MCO must assign specific staff to monitor the services provided to these children and to ensure that they receive comprehensive EPSDT screens and follow-up services. The assigned staff must contact the relevant agencies with custody of these Members or with jurisdiction over them (e.g., County Children and Youth Agency, Juvenile Probation Office) when a particular child has yet to receive an EPSDT screen or is not current with their EPSDT screen and/or immunizations and to ensure that an appointment for such service is scheduled.

Further, in addition to the EPSDT related Pennsylvania Performance Measures, the PH-MCO must submit to the Department, reports providing all data regarding children in substitute care (e.g., the number of children enrolled in substitute care who have received comprehensive EPSDT screens, the number who have received blood level assessments, etc.).

5. Interagency Teams for EPSDT Services for Children
For the ongoing coordination of EPSDT services for Members under the age of twenty-one (21) identified with Special Needs, the PH-MCO must appoint a PH-MCO representative who will ensure coordination with other health, education and human services systems in the development of a comprehensive individual/family services plan.

The goal is to develop and implement a comprehensive service plan through a collaborative interagency team approach, which ensures that children have access to appropriate, coordinated, comprehensive health care. To achieve this goal, The PH-MCO must ensure the following:

- Children have access to adequate pediatric care.
- The service plan is developed in coordination with the interagency team, including the child (when appropriate), the adolescent and family members and a PH-MCO representative.
- Development of adequate specialty Provider Networks.
- Integration of covered services with ineligible services.
- Prevention against duplication of services.
- Adherence to state and federal laws, regulations and court requirements relating to individuals with Special Needs.
- Cooperation of PH-MCO Provider Networks.
- Applicable training for PCPs and Providers including the identification of PH-MCO contact persons.
EXHIBIT L

MEDICAL ASSISTANCE TRANSPORTATION PROGRAM

The Medical Assistance Transportation Program (MATP) is responsible for the following:

- Non-emergency transportation to a medical service that is covered by the MA Program. This includes transportation for urgent care appointments.

- Transportation to another county to get medical care as well as advice on locating a train, the bus, and route information.

- Reimbursement for mileage, parking, and tolls with valid receipts, if the consumer used their own car or someone else's to get to the medical care provider.

When requested, the PH-MCO must arrange urgent non-emergency transportation for urgent appointments for their Members through the MATP. MATP agencies have been instructed to contact the PH-MCO for verification that a Medical Assistance consumer's services request is for transportation to a Medical Assistance compensable service. The Department strongly encourages the PH-MCO to jointly undertake activities with MATP agencies such as sharing Provider Network information, developing informational brochures and establishing procedures which enhance transportation services for Members.

EXTERNAL QUALITY REVIEW

External Quality Review (EQR) is a requirement under Title XIX of the Social Security Act, Section 1902(a), (30), (c) for states to obtain an independent, external review body to perform an annual review of the quality of services furnished under state contracts with Managed Care Organizations, including the evaluation of quality outcomes, timeliness and access to services. The requirements for EQR were further outlined in 42 C.F.R. Parts 433 and 438; External Quality Review of Medicaid Managed Care Organizations; Final Rule issued on May 6, 2016. EQR refers to the analysis and evaluation of aggregated information on timeliness, access, and quality of health care services furnished to Members. “Quality”, as it pertains to EQR, means the degree to which a PH-MCO maintains or improves the health outcomes of its Members through its structural and operational characteristics and through the provision of services. The results of the EQR are made available, upon request, to specified groups and to interested stakeholders. This is one of many tools that facilitate achieving continuous quality improvement in the delivery of care, health care outcomes, and timeliness of care, access to services, quality and utilization management systems, and program oversight. The Department requires that the PH-MCOs:

A. Actively participate in planning and developing the measures to be utilized with the Department and the EQRO. The Medical Assistance Advisory Committee will be given an opportunity to provide input into the measures to be utilized.

B. Accurately, completely and within the required timeframe identify eligible Members to the EQRO.

C. Correctly identify and report the numerator and denominator for each measure.

D. Actively encourage and require Providers, including subcontractors, to provide complete and accurate Provider medical records within the timeframe specified by the EQRO.

E. Demonstrate how the results of the EQR are incorporated into the Plan’s overall Quality Improvement Plan and demonstrate progressive improvements during the term of the contract.

F. Improve Encounter Data in an effort to decrease the need for extensive Provider medical record reviews.

G. Provide information to the EQRO as requested to fulfill the requirements of the mandatory and optional activities required in 42 C.F.R. Parts 433 and 438.

H. Ensure that data, clinical records and workspace located at the PH-MCO’s work site are available to the independent review team and to the Department, upon request.
I. Participate in Performance Improvement Projects whose target areas are dictated by the Department to address key quality areas of focus for improvements. The PH-MCO will comply with the timelines as prescribed by the EQRO.

HEALTHCARE EFFECTIVENESS DATA AND INFORMATION SET (HEDIS®)

HEDIS® is a set of standardized performance measures designed to reliably compare health plan performance. HEDIS® performance measures are divided into five domains of care:

- Effectiveness of care,
- Access/availability of care,
- Experience of care (Adult and Child CAHPS®),
- Utilization and Relative resource use, and
- Health plan descriptive information.

The Department requires that the PH-MCOs:

A. Must produce rates for all Medicaid reporting measures, with the exclusion of the behavioral health measures, unless otherwise specified by the Department.

B. Must follow NCQA specifications as outlined in the HEDIS® Technical Specifications clearly identifying the numerator and denominator for each measure.

C. Must have all HEDIS® results validated by an NCQA-licensed vendor. The Department currently contracts with an NCQA-licensed entity to validate the MCOs’ HEDIS® results used in public reporting. The MCO may utilize these validation results for other purposes such as pursuit of accreditation. The Department may at some future date relinquish the direct contracting of NCQA validation activities.

D. Must assist with the HEDIS® validation process by the Department’s NCQA licensed contractor.

E. Must demonstrate how HEDIS® results are incorporated into the MCO’s overall Quality Improvement Plan.

F. Must submit validated HEDIS® results annually on June 15th unless otherwise specified by the Department.

Measures publicly reported in the HealthChoices Consumer Guide are based on the Department’s NCQA-licensed organization’s validated findings.
CAHPS® are a set of standardized surveys that assess patient satisfaction with the experience of care. CAHPS® surveys (Adult and Child) are subsets of HEDIS® reporting required by the Department. For HEDIS®, MCOs must contract with an NCQA-certified vendor to administer the survey according to the HEDIS® survey protocol that is designed to produce standardized results. The survey is based on a randomly selected sample of Members from the MCO and summarizes satisfaction with the experience of care through ratings and composites.

In addition to the Adult survey, HEDIS® incorporates a CAHPS® survey of parental experiences with their child’s care. The separate survey is necessary because children’s health care frequently requires different Provider Networks and addresses different consumer concerns (e.g. child growth and development).

The HEDIS® protocol for administering CAHPS® surveys consists of a mail protocol followed by telephone administration to those not responding by mail. MCOs must contract with a certified vendor to administer both the Adult and Child CAHPS® surveys. The MCO must generate a sample frame for each survey sample and arrange for an NCQA-certified auditor to verify the integrity of the sample frame before the certified vendor draws the sample and administers the survey. The MCOs are also required to have the certified vendor submit Member level data files to NCQA for calculation of HEDIS® and CAHPS® survey results. The Department requires that the MCOs:

A. Must conduct both an Adult and Child CAHPS® survey using the current version of CAHPS®.
B. Must include all Medicaid core questions in both surveys.
C. Must add the following supplemental dental care questions, one through three, from the Supplemental Items for Adult/Child Questionnaires to both the Adult and Child CAHPS® surveys and questions four through seven to the Child CAHPS® survey:

1. C1. In the last 6 months, did you get care from a dentist’s office or dental clinic?

The PH-MCO is not responsible for providing or paying for the FED assessment.
The PH-MCO must also comply with pre-admission screening requirements contained in 42 U.S.C. Section 1396r(e)(7) and 42 C.F.R. 483.100-483.138 regarding individuals with Mental Retardation/Other Related Conditions or mental illness.

Members Admitted to Juvenile Detention Centers (JDCs)

Any child receiving MA benefits will continue to receive those benefits during placement in a JDC. Children enrolled in a PH-MCO prior to placement at a JDC either inside or outside the HealthChoices Zone will continue to be covered by the PH-MCO from the date of placement for a maximum of thirty-five (35) consecutive days. The child will be disenrolled from the PH-MCO after the thirty-fifth (35th) consecutive day of placement. During the thirty-five (35) consecutive days, MA eligible services provided to the child on-site at the JDC will be covered under the Medical Assistance Fee-for-Service Program. Any services that are covered by the PH-MCO and provided outside of the JDC site are the responsibility of the PH-MCO. Should a child either be voluntarily disenrolled from a PH-MCO or become ineligible for enrollment due to a change in status, coverage of the child will remain consistent with enrollment policies. A child already residing in a JDC will not be permitted to newly enroll in a PH-MCO until after release from the JDC. All other applicable coverage rules will apply. EPSDT screening results or other health care needs detected during the period of the JDC placement should be reported to the effective PH-MCO. Should a covered service be identified that cannot be provided at the JDC site, the JDC must contact the PH-MCO in order to arrange for the covered service to be provided.

Dual Eligibles (Medicare/Medicaid) Under the Age of Twenty-One (21)

Recipients, under the age of twenty-one (21) who receive both Medicare as their primary health care coverage and Medicaid (MA) as a supplemental coverage, will be required to enroll in the HealthChoices Program and choose both a PH-MCO and PCP within the PH-MCO. See Section V.F., Member Enrollment and Disenrollment, of the Agreement for enrollment information into HealthChoices Zone.

Due to their Medicare eligibility, many of these recipients may require special assistance with the coordination of their Medicare/Medicaid benefits. Therefore, these dually eligible Recipients are classified as having Special Needs and should fall under the guidelines outlined in Section V.P., Special Needs Unit (SNU), of the Agreement.

Recipients who are dually eligible are not required to go to their PH-MCO for services that are covered by Medicare. If appropriate, Recipients who are Dual Eligible are required to comply with the PH-MCO’s referral and authorization requirements if they have exhausted their Medicare benefit for a Medicare covered service.

The PH-MCO is responsible to provide prescriptions written by Medicare Providers for a Member as long as the Member goes to a pharmacy within the PH-MCO’s Provider Network.
Prescription coverage for Recipients who are dually eligible is subject to the PH-MCO's authorization protocols, with the exception of drugs covered by Medicare. In addition, the provisions outlined in Section V.B., Prior Authorization of Services, of this Agreement, will apply.

EXHIBIT P

OUT-OF-PLAN SERVICES

Out of Plan Services include, but are not limited to:

A. Transitional Care Homes

The PH-MCO will only be responsible to provide medical services to children upon the child leaving the transitional care home to reside with family or other caretakers living within the HealthChoices Zone. The PH-MCO must ensure continuity of care, as well as coordination with necessary Providers and interagency teams once they are notified that the child has become enrolled in the PH-MCO.

B. Medical Foster Care Services

Medical foster care services are provided to children with special or chronic medical conditions or physical disabilities in the custody of the County Children and Youth Agency and placed in foster family care. Medical foster care services enable the child to be treated by a licensed practitioner on an outpatient rather than an inpatient or institutional basis. Medical foster care services include both supportive and supervisory activities as well as direct care of children. Such tasks include but are not limited to: medical management, nutritional care, hygiene and personal care and developmental education.

Medical foster care services are provided by both county and private children and youth social service agencies. The foster parents who are under contract with the agency provide direct care. The licensed foster care agency is enrolled as a Provider Type 40, Specialty 400, Medically Fragile Foster Care, and claims reimbursement is through the Medical Assistance Fee-for-Service Program according to the maximum daily fees for the four levels of medical foster care as established by the Office of Medical Assistance Programs. Even though the PH-MCO is responsible to provide Medically Necessary services to children residing in medical foster care homes, the PH-MCO is not responsible for the medical foster care services identified in the four levels of care. These four levels of medical foster care are described as Level(s) I - IV with each level progressively requiring increased care.

- Level I
  - The Child has one or more medical conditions or physical disabilities that can be relieved, alleviated, or controlled by a regimen of medical supervision and consistent non-specialized care. No life-threatening situations are anticipated.
  - Some specialized training may be required for the foster parent to care for the child, such as the preparation and control of special diets and the administration of non-oral medications.
  - Wheel chairs, ramps, and/or prostheses may be required but sophisticated technological equipment usually will not be necessary. Few special medical supplies are necessary.
• Level II
  o The child has one or more acute medical conditions or physical
    disabilities that can be relieved, alleviated, or controlled by specialized
    intervention and a regimen of medical supervision and consistent care.
    No immediate life-threatening situations are anticipated.
  o Some special medical procedures training may be required for the
    foster parent for the management of tracheostomies, ileostomies, NG
    feeding tubes, catheters, etc.
  o Use of sophisticated technological equipment will be minimal. Some
    special medical supplies will be necessary.
  o The child will usually require special therapeutic interventions and
    special social, educational, and vocational planning.

• Level III
  o The child has a combination of acute temporary, chronic, or permanent
    medical conditions or physical disabilities which require intensive,
    home-based medical intervention on a constant basis to sustain life.
    Life threatening situations are anticipated.
  o Considerable special medical procedures training will be required for
    the foster parent.
  o Use of sophisticated technological equipment will be necessary.
    Special medical supplies will be necessary.
  o Because the child will usually be home-bound, all developmental areas
    will require special planning.

• Level IV
  o The child has a combination of acute, chronic, or permanent medical
    conditions or physical disabilities whose life can be sustained only by
    intensive, home-based medical intervention on a 24-hour basis. Life
    threatening situations are constantly present.
  o Extensive special medical procedures training will be required for the
    foster parent.
  o Use of a variety of sophisticated technological equipment will be
    necessary. Special medical supplies will be necessary.
  o Because the child will be home-bound, all developmental areas will
    require special planning.

When children in the custody of the County Children and Youth Agency are placed
in medical foster care homes, the PH-MCO's Special Needs Unit must work with the
medical foster care agency to ensure that necessary medical and ancillary services
are provided in the amount and level that enable the child to be maintained in the
foster care home and minimize hospitalization/institutionalization of the child.

C. Early Intervention Services

An infant or toddler may receive services under both the HealthChoices Program
and the Early Intervention Program, but the services are separate and distinct.
The HealthChoices Program consists of Medically Necessary services prescribed
by the Primary Care Practitioner. Early intervention services consist of a range of
family-centered habilitation services and supports as defined by each family's
individualized family service plan.
D. OLTL/OBRA Waiver: The Home and Community Based Waiver Program

This program provides services to people with developmental physical disabilities to allow them to live in the community and remain as independent as possible.

The Department’s Office of Long-Term Living, (OLTL) currently operates a Home and Community-Based Waiver that provides services to Pennsylvania residents age 18 and older with a severe developmental physical disability requiring an Intermediate Care Facility / Other Related Conditions (ICF/ORC) level of care. The disability must result in substantial functional limitations in three or more of the following major life activities: mobility, communication, self-care, self-direction, capacity for independent living, and learning.

Other related conditions (ORCs) include physical, sensory, or neurological disabilities which manifested before age 22, are likely to continue indefinitely, and result in substantial functional limitations in three or more of the following areas of major life activity: capacity for independent living, mobility, self-direction, learning, understanding and use of language, and self-care.

Recipients receiving these home and community based services through the OLTL/ OBRA Waiver will be enrolled in the HealthChoices Program. The PH-MCO is responsible for providing all medically necessary state plan services to these individuals PRIOR TO services being covered under the OLTL/ OBRA Waiver. The PH-MCO must coordinate with the waiver service providers to promote a seamless continuum of care. The PH-MCO is not responsible to provide any medical services that are determined to fall under the scope of Behavioral Health Services or is the responsibility of the Behavioral Health MCOs. A description of these services is addressed in the MA Eligibility Handbook.

E. Office of Developmental Programs (ODP) Waivers: Person/Family Directed Support Waiver (P/FDS), Consolidated Waiver and Community Living Waiver

The Home and Community Based Waiver Program for Persons with Intellectual Disabilities and Autism: The Department’s Office of Developmental Programs currently operates Home and Community Based Services Waivers (P/FDS, Consolidated and Community Living) which provide services to individuals with intellectual disabilities and autism of any age and children with developmental disabilities from birth through age eight. The waivers are designed to help individuals with an intellectual disability, autism or developmental disability to live more independently in their homes and communities and to provide a variety of services that promote community living and family support. Eligibility determinations require a recommendation for an Intermediate Care Facilities (Intellectual Disabilities (ICF/ID) or Other Related Conditions (ICF/ORC)) level of care based on a medical evaluation.
Recipients receiving community based services through these waivers will be enrolled in the HealthChoices Program. The PH-MCO is responsible to ensure a family with a child who has or is at risk of a developmental delay is referred to the County Intellectual Disabilities office for a determination of eligibility for home and community based services. The PH-MCO is responsible for providing all medically necessary state plan services to these individuals PRIOR TO services being covered under the ODP Waivers. The PH-MCO must coordinate with the waiver service providers to promote a seamless continuum of care. The PH-MCO is also not responsible to provide any medical services that fall under the scope of Behavioral Health Services, or are the responsibility of the Behavioral Health MCOs. A description of these services is addressed in the MA Eligibility Handbook.

F. Community HealthChoices Waiver

The Community HealthChoices Waiver targets individuals 21 and over who require a Nursing Home Level of Care and are in need of long term services and supports (LTSS), and meet the other requirements of the waiver as determined by the Office of Long Term Living. HealthChoices members who qualify for the Community HealthChoices Waiver will be disenrolled from HealthChoices and enrolled into the Community HealthChoices program. The PH-MCO shall be required to provide assistance to these members in transitioning their care between the HealthChoices and the Community HealthChoices program as stated in section V.D of the agreement.

G. ODP Autism Waiver: The Home and Community Based Waiver program for Persons with Autism Spectrum Disorder.

The Adult Autism Waiver is a Home and Community Based Waiver program. The Office of Developmental Programs administrates this waiver which provides home and community based services specifically designed to help adults, 21 and older, who possess an autism spectrum disorder. The overriding goal of the Waiver is to aid the recipients with participation in their communities in the manners which they desire. Eligibility determinations require a recommendation for an Intermediate Care Facilities for Other Related Conditions (ICF/ORC) level of care based on a medical evaluation.

Recipients receiving community-based services through this waiver will be enrolled in the HealthChoices Program. The PH-MCO is responsible for providing all medically necessary state plan services to these individuals PRIOR TO services being covered under the Autism. The PH-MCO must coordinate with the waiver service providers to promote a seamless continuum of care. The PH-MCO is also not responsible to provide any medical services that fall under the scope of Behavioral Health Services, or are the responsibility of the Behavioral Health MCOs. A description of these services is addressed in the MA Eligibility Handbook.
SAMPLE MODEL AGREEMENT

This sample model Agreement is illustrative only and is designed for use by the county children and youth agencies, but can be adapted by other community agencies. Letters of Agreement must contain the information found in Exhibit S, Written Agreements Between PH-MCO and Service Providers.

4. To ensure that there are no assertions or statements that the PH-MCO is endorsed by CMS, the Federal or State government, or similar entity.

Process:

1. Receive a written overall outreach plan annually if the PH-MCO anticipates participation in outreach activities. Requests for specific indirect advertising must be submitted thirty (30) calendar days in advance for written Department approval.

2. Determine if approval is necessary from other offices.
3. Review the information with the following criteria:
   
   a. Is the PH-MCO identified?
   b. Does the information comply with all federal and state regulations?
   c. Is the information presented in grammatically correct, precise, appropriate and unambiguous language, easily understood by the target audience (e.g., age and language) and does it avoid the use of industry jargon?
   d. Is the information fair, relevant, accurate and not misleading or disparaging to competitors?
   e. Can the information be easily understood by a person with a sixth grade education?
   f. Does the information include symbols or pictures that are discriminating because of race, color, age, religion, sex, national origin, physical handicap or otherwise? and
   g. Does the information create a negative image of the traditional Fee-for-Service system?

4. The Department will forward a final written response to the PH-MCO within ten (10) business days.

C. HC PH-MCO Participating In or Hosting an Event

The PH-MCO may submit requests to sponsor or participate in health fairs or community events; the request should demonstrate that the PH-MCO will participate in such fairs or events through activities, including approved outreach activities that are primarily health-care related. The PH-MCO must receive advance written approval from the Department prior to the event date. All requests must be submitted to the Department at least thirty 30 calendar days in advance of the event, on the forms which are included as part of this attachment.

Purpose: To clarify for PH-MCOs that Pennsylvania laws and regulations prohibit certain kinds of offers or payments to consumers as inducements or incentives for consumers to use the PH-MCO’s services.

Objectives:

1. To provide amenities that create an environment that is comfortable and convenient for Recipients but is not offered as an artificial outreach inducement or incentive.

2. To eliminate fraudulent, abusive and deceptive practices that may occur as incentives or inducements to obtain specific covered services from the PH-MCO.
Process:

1. The PH-MCO must submit a request, using the applicable HealthChoices PH-MCO Outreach Approval Request Form or the HealthChoices Education Materials Request Form, to the appropriate Department review agency to host an event thirty (30) calendar days in advance of the event (see attached). Should the event require approval from other offices, the approval process may extend beyond thirty (30) calendar days.

2. The Department review agency considers the request confidential information.

AUTOMATIC ASSIGNMENT

Any Consumer who does not select a physical health-managed care organization (PH-MCO) and is mandated into the HealthChoices Program will be subject to the auto-assignment process as described below. The auto-assignment process does not negate the Consumer’s option to change his/her PH-MCO. An eligible Consumer who has not made a PH-MCO selection and who has a case record that also includes another active member in the case with an active PH-MCO record will be assigned to that same PH-MCO. These Consumers will not count toward the percentages designated for auto-assignment. Consumers in a family unit will be assigned together to a PH-MCO. All remaining eligible Consumers, who have not voluntarily selected a PH-MCO, will be considered in the pool of Consumers who will be equally auto-assigned to PH-MCOs. The formula will direct an equal distribution of the auto-assignment pool in all HealthChoices Zones monthly based on the number of PH-MCOs in the Zone. For example, if there are five PH-MCOs in the Zone, each PH-MCO would receive 20%.

A. Consumer Re-Assignment Following Resumption of Eligibility: Consumers who lose eligibility and regain it within six (6) months will automatically be re-enrolled in their previously selected PH-MCO, as long as the Consumer’s eligibility status or geographical residence is still valid for participation in that same PH-MCO.

If the Consumer loses eligibility and regains it after six (6) months, s/he may be enrolled in the same PH-MCO as the payment name, the case payment name or any other Member in the case that has an active PH-MCO record. If there is no active PH-MCO record in the case, s/he will automatically become enrolled in a PH-MCO through the automatic assignment process.

Prior to the future begin date for the auto-assigned PH-MCO, the Consumer may select a different PH-MCO and override the auto-assigned PH-MCO by contacting the EAP Contractor. When the Consumer contacts the EAP Contractor to make this change, it will be the EAP Contractor’s responsibility to enroll the Consumer in the PH-MCO of his/her choice. The EAP Contractor will process the enrollment into the new PH-MCO through the weekly enrollment process.

B. Continuing Enrollment When Moving Between Zones: Eligible Consumers who move from one HealthChoices Zone to another will remain in the PH-MCO in which they were enrolled prior to their move, if the PH-MCO is also operational in the Zone to which they move.

C. Continuing Enrollment When Transferring from a CHC-MCO: Consumers who transfer from a CHC-MCO and the affiliate PH-MCO is also contracted as a PH-MCO, and the consumer has not made a PH-MCO selection, the consumer will be enrolled in the affiliated PH-MCO.
The Department reserves the right to reassess the distribution process and to modify it in accordance with sound programmatic management principles. The Department shall institute such modifications at any time following appropriate notification to the PH-MCOs via executive correspondence.

MANAGED CARE DEFINITIONS FOR MEMBER COMMUNICATIONS

The 2016 CMS “Medicaid and Children’s Health Insurance Program (CHIP) Programs; Medicaid Managed Care, CHIP Delivered in Managed Care, and Revisions Related to Third Party Liability” final rule established a requirement (42 C.F.R. § 438.10(c)(4)(i)) that mandated that all states which contract with MCOs for delivery of Medicaid services must develop standardized definitions for a set of managed care related terms to be utilized by MCOs in communications with Members. The state developed definitions were required to be written at no higher than a sixth-grade reading level and are to be utilized by PH-MCOs for communications with Members such as newsletters, informational pamphlets, Member handbooks, etc.

When using any of the terms below in communications to Members, PH-MCOs must utilize the terms with the same intent as defined by the state.

Managed Care Definitions

13) **Home Health Care** - Home health care is care provided in a Member’s home and includes skilled nursing services; help with activities of daily living such as bathing, dressing, and eating; and physical, speech, and occupational therapy.

17) **Medically Necessary** - A service, item, or medicine that does one of the following:
   - Will, or is reasonably expected to, prevent an illness, condition, or disability;
   - Will, or is reasonably expected to, reduce or improve the physical, mental, or developmental effects of an illness, condition, injury or disability;
   - Will help a [member][participant] get or keep the ability to perform daily tasks, taking into consideration both the Member’s abilities and the abilities of someone of the same age.

18) **Network** - Contracted providers, facilities, and suppliers that provide covered services to MCO Members.

19) **Non-Participating Provider** - When referring to a provider that is not in the network, MCOs should use the term “Out-of-Network Provider.”

20) **Physician Services** - Health care services provided or directed by a licensed medical physician (M.D. – Medical Doctor or D.O. – Doctor of Osteopathic Medicine).

21) **Plan** - A health care organization that provides or pays for the cost of services or supplies.

22) **Preauthorization or Prior Authorization** - Approval of a service or item before a Member receives the service or item.
23) **Participating Provider** - When referring to a provider that is in the network, MCOs should use “Network Provider.”

PH-MCO RECIPIENT COVERAGE DOCUMENT

This Recipient Coverage Document (RCD) includes descriptions of policies supported by the Department of Human Services (Department) data systems and processes. In cases in which policies expressed in this document conflict with another provision of the Managed Care Organization's (PH-MCO) Agreement, the Agreement will take precedence.

PH-MCO coverage as detailed in this document does not imply coverage under a BH-MCO, or CHC-MCO. Refer to the BH-MCO RCD for behavioral health coverage guidelines and CHC-MCO PCD for Community Health Choices coverage guidelines.

The Department will provide sufficient information to the PH-MCO in order for it to reconcile PH-MCO membership data and amounts paid to and recovered from the PH-MCO. The Department will only pay capitation to one PH-MCO per recipient per month.

Coverage Rules

A PH-MCO is responsible for a Member if coverage is determined by applying the general rules found in any of paragraphs A, B, or C below, subject to exceptions and clarifications found in paragraphs D, E, F, and G.

Refer to the HealthChoices Intranet site “HealthChoices” for additional information on Recipient coverage, clarifications, examples, and membership Enrollment/disenrollment procedures.

A. Responsibility to Provide MA Benefits - Unless otherwise specified, the PH-MCO is responsible to provide Medical Assistance (MA) benefits to Members in accordance with eligibility information included on the Daily 834 Eligibility File and/or the Monthly 834 Eligibility File, which is provided by the Department to each PH-MCO.

B. Membership Files/Coverage Dates/Eligibility - Daily and Monthly 834 Eligibility Files containing information and changes that apply to their Members are provided to each PH-MCO. The PH-MCO is responsible to provide services for each PH-MCO Member identified on the Daily or Monthly 834 Eligibility File from the first day of the calendar month or the PH-MCO coverage start date, whichever is later, through the last day of the calendar month, or the PH-MCO end-date, if any. The Department will pay the PH-MCO from the first day of coverage in a month through the last day of the calendar month, except when transferring to a CHC-MCO. If a PH-MCO member transfers to a CHC-MCO the Department will pay capitation to the PH-MCO only through the day prior to the CHC begin date. PH-MCO coverage dates beyond the last day of the month in which the Daily or Monthly 834 Eligibility File is created are preliminary information that is subject to change.
Members who become ineligible for MA and were active in a PH-MCO will retain their PH-MCO selection for six months. These Members will become the responsibility of the same PH-MCO if they regain MA eligibility during that six-month period, as long as their category of assistance and geographic location are valid for that PH-MCO. Upon regaining eligibility, their PH-MCO effective date will be their eligibility begin date or the date Client Information System (CIS) is updated with their coverage, whichever is later.

C. Benefit Packages - The Department has established two benefit packages based on age. The packages are Adult and Children’s. The Adult package includes individuals with an age greater than or equal to 21 years old. The Children’s package includes individuals with an age less than 21 years old. Refer to the Daily and Monthly 834 Eligibility Files to determine benefits during a month based on these criteria.

D. Exceptions and Clarifications - The Department will recover Capitation payments made for Members for whom it has been determined that the PH-MCO was not responsible to provide services.

The PH-MCO will not be responsible and will not be paid when the Department notifies the PH-MCO of Members for whom they are not responsible.

1. Errors in PH-MCO coverage identified from any source must be reported to the Department within forty-five (45) days of receipt of the Daily 834 Eligibility File in order for changes to be considered.

If a Recipient is enrolled in a PH-MCO in error, that PH-MCO is responsible to cover the Recipient until the Department is notified and the correction is applied to the CIS eligibility record.

If at the time of notification to the Department, the Recipient was disenrolled in error from a PH-MCO and the Recipient is enrolled in a different PH-MCO, the Recipient will be reenrolled in the previous PH-MCO effective the first of the next month. However, if at the time of notification the Recipient is covered by FFS, the Recipient will be reenrolled into the same PH-MCO effective the day following notification to the Department.

2. If CIS shows an exemption code or a facility/placement code that precludes PH-MCO coverage, the Recipient will not be enrolled in a PH-MCO.

3. If CIS shows Fee-For-Service (FFS) coverage that coincides with PH-MCO coverage, the Member may use either coverage and there will be no monetary adjustment between the Department and the PH-MCO. (This is subordinate to #7 below.)

4. If a PH-MCO has actual knowledge that a Member is deceased, and if such Member shows on either the Monthly 834 Eligibility or the Daily 834 Eligibility file as active, the PH-MCO is required to notify the County HealthChoices Physical Health Agreement effective January 1, 2020

BB-2
Assistance Office (CAO) and the Department. The Department will recover Capitation payments made for up to eighteen (18) months after the service month in which the date of death occurred.

5. The Department will recover Capitation payments for Members who were later determined to be ineligible for PH-MCO coverage or who were placed in settings that result in the termination of PH-MCO coverage by the Department. The Department will recoup payments back to the month following the month in which the termination of coverage occurred, for up to twelve (12) months afterwards (e.g., today’s date is 9/18/11 and central office staff end date managed care coverage 9/30/10 – payments are recouped for 10/10 through 9/11. See Section F for examples of placements that result in termination of coverage).

6. The Department is not responsible to make a Capitation payment for a month in which a Member aged twenty-one through sixty-four (21 – 64) resides in a free-standing IMD at least sixteen (16) days in that calendar month and effective July 1, 2018, the Member’s condition is not related to Substance Used Disorder (SUD). This is effective January 1, 2018 and applies without regard to the number of days in the month in which the Member is enrolled in the PH-MCO. Effective January 1, 2020, recovery of capitation payments that meet these criteria is limited to 18-months. Additionally, effective January 1, 2020, the Department will make a separate payment to the PH-MCO for the days the Member does not reside in the freestanding IMD during a calendar month as noted in Section VII.E.13.

7. A newborn is the responsibility of the PH-MCO that covered the mother on the newborn’s date of birth. Where CIS does not reflect this, the PH-MCO must notify the Department to correct coverage. The Department will generate Capitation payments as appropriate. Limitations in Sections E-2 and E-3 applicable to the mother will apply to the newborn.

Exception #1: If mother is in a PH-MCO and C&Y assumes custody of the newborn at birth and places the child in a county within the same HC zone as the mother, the child’s coverage will mirror the mother’s PH-MCO coverage.

Exception #2: If mother is in a PH-MCO and C&Y assumes custody of the newborn at birth and places the child in a county outside of the same HC zone where the mother resides, the child will be FFS until auto assignment or selected PH-MCO is effective in the new HC County.

8. Movement out of a PH-MCO’s service area does not necessarily eliminate the PH-MCO’s responsibility to provide MA benefits. It is the PH-MCO’s responsibility to inform the CAO of the address change upon receipt of information that a Member is residing outside the PH-MCO service area.
9. Pursuant to the rules outlined in the RCD, a lack of MA eligibility indicated on CIS for a certain date does not necessarily eliminate the PH-MCO’s responsibility to provide MA benefits. (Refer to Section E, Coverage During Inpatient Hospital Stays, for rules regarding the PH-MCO’s responsibility for hospital stays when a Recipient loses MA eligibility during the stay.)

10. Dual Eligibles who are enrolled in Medicare Part D, and who turn 21 years of age will be identified by the Department on the first Friday of each month, and will be disenrolled from the PH-MCO, effective the end of the month in which the Department identifies that the Member turned 21 years of age. In addition, newly identified Dual Eligibles age 21 and over will be disenrolled the end of the month following the month in which Medicare Part D is posted to their eligibility record. The PH-MCO remains responsible for these Members through the disenrollment date.

11. The Department reserves the right to intercede in requests for expedited enrollments when Medically Necessary. The Department’s determination for the expedited enrollment will be final. The Capitation rate will be retroactively adjusted for each PH-MCO based on the effective date of the expedited enrollment.

12. A Member who is attending a college or university in a state other than Pennsylvania remains the responsibility of the PH-MCO. However, at the sole discretion of the Department, the Member may be disenrolled from the PH-MCO and enrolled in FFS. The Department will take into consideration such factors as distance from Pennsylvania, the intensity and duration of medically required services, whether the PH-MCO has a business presence nearby, etc.

E. Change in PH-MCO Coverage During Inpatient Hospital Stays - When an MA Recipient has managed care coverage during part of a hospital stay, payment responsibility is as documented in Section E, Coverage During Inpatient Hospital Stays.

Note: One or more of the rules documented in the following sections may apply during a hospital stay.

</table>
**RULE: E-2.**

**Condition**
A Recipient who is covered by a PH-MCO when admitted to a hospital loses PH-MCO coverage and assumes FFS coverage while still in the hospital.

**PH-MCO Coverage Responsibility**
The PH-MCO is responsible for the hospital stay with the following exceptions.

1. **EXCEPTION #1:** If the Recipient is still in the hospital on the FFS coverage begin date, and the Recipient's FFS coverage begin date is the first day of the month, the PH-MCO is financially responsible for the stay through the last day of that month.

   **Example:**
   If a Recipient covered by the PH-MCO is admitted to a hospital on June 21 and the FFS coverage begin date is July 1, the FFS program assumes payment responsibility for the stay on August 1. The PH-MCO remains financially responsible for the stay through July 31.

2. **EXCEPTION #2:** If the Recipient is still in the hospital on the FFS coverage begin date, and the Recipient's FFS coverage begin date is any day other than the first day of the month, the PH-MCO is financially responsible for the stay through the last day of the following month.

   **Example:**
   If a Recipient covered by a PH-MCO is admitted to a hospital on June 21 and the FFS program coverage begin date is July 15, the FFS program assumes payment responsibility for the stay on September 1. The PH-MCO program remains financially responsible for the stay through August 31.

**MA FFS Coverage Responsibility**
Starting with the FFS begin date, FFS is responsible for physician, DME and other bills not included in the hospital bill.

1. **EXCEPTION #1:** The FFS program is financially responsible for the stay beginning on the first day of the next month.

2. **EXCEPTION #2:** The FFS program is financially responsible for the stay beginning on the first day of the month following the next month.

---

**RULE: E-3.**

**Condition**
A Recipient covered by a PH-MCO when admitted to a hospital transfers to another PH-MCO while still in the hospital.

**PH-MCO Coverage Responsibility**
The losing PH-MCO is responsible for the hospital stay with the following exceptions.

1. **EXCEPTION #1:** If the Recipient is still in the hospital on the gaining PH-MCO coverage begin date, and the Recipient's gaining PH-MCO coverage begin date is the first day of the month, the losing PH-MCO is financially responsible for the stay through the last day of the month. The gaining PH-MCO is financially responsible for the stay beginning on the first day of the next month.

   **Example:**
   If a Recipient is admitted to a hospital on June 21 and the gaining PH-MCO coverage begin date is July 1, the gaining PH-MCO assumes payment responsibility for the stay on August 1. The losing PH-MCO remains financially responsible for the stay through July 31.

2. **EXCEPTION #2:** If the Recipient is still in the hospital on the gaining PH-MCO coverage begin date, and the Recipient's gaining PH-MCO coverage begin date is any day other than the first day of the month, the losing PH-MCO is financially responsible for the stay through the last day of the following month. The gaining PH-MCO is financially responsible for the stay beginning on the first day of the month following the next month.

   **Example:**
If a Recipient is admitted to a hospital on June 21 and the gaining PH-MCO coverage begin date is July 15, the gaining PH-MCO assumes payment responsibility for the stay on September 1. The losing PH-MCO remains financially responsible for the stay through August 31.

**RULE: E-4a.**

**Condition**
A Recipient covered by a PH-MCO when admitted to a hospital loses and regains MA eligibility while in the hospital (Recipient is not discharged), resulting in a break in PH-MCO coverage. The Department’s Division of Managed Care Systems Support (DMCSS) becomes aware of the break in PH-MCO coverage by the end of the month following the month in which it is lost.

**PH-MCO Coverage Responsibility**
DMCSS will reopen the Recipient’s PH-MCO coverage retroactive to the day it was end-dated on CIS and adjust the Capitation payment accordingly. The PH-MCO continues to be financially responsible for the stay including the physician, DME, and all other covered services.

Example:
A Recipient who is admitted to the hospital on March 10 loses MA eligibility effective March 22 and regains it on April 9 retroactive to March 22. The PH-MCO coverage on CIS shows the Recipient was end-dated March 31 and reopened in the PH-MCO with a new PH-MCO begin date of April 9. On April 25, DMCSS becomes aware of the situation.

Because DMCSS is aware of the loss of MA eligibility within the month following the month in which it was lost, DMCSS reopens the PH-MCO coverage retroactive to April 1, the day after the PH-MCO end-date is posted on CIS (March 31). The PH-MCO continues to be financially responsible for the stay including the physician, DME, and all other covered services.

</thead>
</table>

**RULE: E-4b.**

**Condition**
A Recipient covered by a PH-MCO when admitted to a hospital loses and regains MA eligibility while in the hospital (Recipient is not discharged), resulting in a break in PH-MCO coverage. DMCSS does not become aware of the break in PH-MCO coverage by the end of the month following the month in which it is lost.

**PH-MCO Coverage Responsibility**
Example:
Same as in RULE: E-4a except, because DMCSS is not aware of the break in PH-MCO coverage by the end of the month following the month in which it was lost, the PH-MCO coverage is not reopened retroactive to the day it was end-dated on CIS (March 31). The PH-MCO is only responsible to cover the Recipient through the end of March.

**RULE: E-4c.**

**Condition**
A Recipient covered by a PH-MCO when admitted to a hospital loses MA eligibility while in the hospital (Recipient is not discharged). The Recipient regains MA eligibility retroactively after the month following the month in which the MA eligibility was ended, regardless of when DMCSS became aware of the action.

**PH-MCO Coverage Responsibility**
Example:
A Recipient who is admitted to the hospital on March 10 loses MA eligibility effective March 22. The Recipient regains MA eligibility on May 15 retroactive to March 22. The PH-MCO coverage on CIS shows the Recipient was end-dated March 31 and reopened in the PH-MCO with a new begin date of May 15.

Because the MA eligibility was not reopened within the month following the month in which it was lost, the PH-MCO coverage is not reopened retroactive to the day it was end-dated on CIS (March 31). The PH-MCO is only responsible to cover the Recipient through the end of March.
### MA FFS Coverage

**Responsibility**

FFS is responsible effective April 1.

---

### RULE: E-4d.

| Condition | A Recipient covered by a PH-MCO when admitted to a hospital loses MA eligibility while in the hospital. The Recipient is discharged from the hospital after the month in which the MA eligibility was lost but before the MA eligibility is regained by the Recipient and reopened retroactively, regardless of when DMCSS became aware of the situation. |
| PH-MCO Coverage Responsibility | Example: A Recipient who is admitted to the hospital on March 10 loses MA eligibility effective March 22. The Recipient is discharged from the hospital April 3. The Recipient regains MA eligibility on April 22 retroactive to March 22. The PH-MCO coverage on CIS shows the Recipient was end-dated March 31 and reopened in the PH-MCO with a new begin date of April 22. Because the Recipient was discharged from the hospital before the MA eligibility was reopened, which resulted in a 3-day period of FFS coverage on CIS, DMCSS does not reopen the PH-MCO coverage retroactive to April 1. The PH-MCO is only responsible for the stay through the end of March. |
| MA FFS Coverage Responsibility | FFS is responsible effective April 1. |

---

### RULE: E-4e.

| Condition | A hospitalized Recipient never regains MA eligibility. |
| PH-MCO Coverage Responsibility | If the Recipient is never determined retroactively eligible for MA, the PH-MCO is only responsible to cover the Recipient through the end of the month in which MA eligibility ended. |
| MA FFS Coverage Responsibility | FFS is not responsible for coverage since the Recipient has not regained MA eligibility. |

---

### RULE: E-5.

| Condition | A Recipient who is covered by PH-MCO when admitted to a hospital loses PH-MCO and assumes CHC-MCO while still in the hospital. |
| PH-MCO Coverage Responsibility | The losing PH-MCO is responsible for the hospital stay with the following exceptions. Starting with the gaining CHC-MCO’s coverage begin date, the gaining CHC-MCO is responsible for the physician, DME and all other Covered Services not included in the hospital bill. EXCEPTION #1: If the Recipient is still in the hospital on the gaining CHC-MCO coverage begin date, and the Recipient’s gaining CHC-MCO coverage begin date is the first (1st) day of the month, the losing PH-MCO is financially responsible for the stay through the last day of the month. The gaining CHC-MCO is financially responsible for the stay beginning on the first day of the next month. Example: If a Recipient is admitted to a hospital on June 21 and the gaining CHC-MCO coverage begin date is July 1, the gaining CHC-MCO assumes payment responsibility for the stay on August 1. The losing PH-MCO remains financially responsible for the stay through July 31. EXCEPTION #2: If the Recipient is still in the hospital on the gaining CHC-MCO coverage begin date, and the Recipient’s gaining CHC-MCO coverage begin date is any day other than the first day of the month, the losing PH-MCO is financially responsible for the stay through the last day of the following month. The gaining CHC-MCO is financially responsible for the stay beginning on the first day of the month following the next month. Example: If a Recipient is admitted to a hospital on June 21 and the gaining CHC-MCO coverage begin date is July 15, the gaining CHC-MCO assumes payment responsibility for the stay on.
September 1. The losing PH-MCO remains financially responsible for the stay through August 31.

### MA FFS Coverage Responsibility
There is no FFS coverage in this example.

| **PH-MCO Coverage Responsibility** | The losing CHC-MCO is responsible for the hospital stay with the following exceptions. Starting with the gaining PH-MCO’s coverage begin date, the gaining PH-MCO is responsible for the physician, DME and all other Covered Services not included in the hospital bill. EXCEPTION #1: If the Recipient is still in the hospital on the gaining PH-MCO coverage begin date, and the Recipient’s gaining PH-MCO coverage begin date is the first (1st) day of the month, the losing CHC-MCO is financially responsible for the stay through the last day of the month. The gaining PH-MCO is financially responsible for the stay beginning on the first day of the next month.

Example:
If a Recipient is admitted to a hospital on June 21 and the gaining PH-MCO coverage begin date is July 1, the gaining PHC-MCO assumes payment responsibility for the stay on August 1. The losing CHC-MCO remains financially responsible for the stay through July 31.

EXCEPTION #2: If the Recipient is still in the hospital on the gaining PH-MCO coverage begin date, and the Recipient’s gaining PH-MCO coverage begin date is any day other than the first day of the month, the losing CHC-MCO is financially responsible for the stay through the last day of the following month. The gaining PH-MCO is financially responsible for the stay beginning on the first day of the month following the next month.

Example:
If a Recipient is admitted to a hospital on June 21 and the gaining PH-MCO coverage begin date is July 15, the gaining PH-MCO assumes payment responsibility for the stay on September 1. The losing CHC-MCO remains financially responsible for the stay through August 31. |

### MA FFS Coverage Responsibility
There is no FFS coverage in this example.

### F. Other Causes for Coverage Termination and Involuntary Disenrollment -
If a condition described in the following sections occurs, the PH-MCO must notify the Department. In accordance with Department’s disenrollment guidelines, DMCSS will take action to disenroll the Member. The Department will recoup payments back to the month following the month in which the termination of coverage occurred, for up to twelve (12) months afterwards (e.g., today’s date is 9/18/11 and central office staff end date managed care coverage 9/30/10 – payments are recouped for 10/10 through 9/11).

If a Recipient is placed in a setting listed in these sections, and is under FFS prior to the PH-MCO’s begin date, PH-MCO coverage will be voided and adjustments will be processed for any Capitation payments made.

The PH-MCO must notify the Department within sixty (60) days following the satisfaction of the Department’s disenrollment guidelines in order for DMCSS to end-date the member’s enrollment. Failure on the part of the PH-MCO to notify DMCSS within the sixty (60) days will result in the end-date being delayed, thereby
extending the PH-MCO’s responsibility for covering the Recipient. The PH-MCO should not hold and then later submit the notifications.

a. The PH-MCO must conduct expedited review of a Grievance if the PH-MCO determines that the Member’s life, physical or mental health, or ability to attain, maintain, or regain maximum function would be placed in jeopardy by following the regular Grievance process or if a Member or Member representative, with proof of the Member’s written authorization for a representative to be involved and/or act on the Member’s behalf, provides the PH-MCO with a certification from the Member’s Provider that the Member’s life, physical or mental health, or ability to attain, maintain, or regain maximum function would be placed in jeopardy by following the regular Grievance process. The certification is only required if the Managed Care Organization cannot make a determination based on the information provided and must include the Provider’s signature.

b. A request for expedited review of a Grievance may be filed in writing, by fax, by email, or verbally.

c. The expedited review process is bound by the same rules and procedures as the Grievance review process with the exception of time frames, which are modified as specified in this section.

d. Upon receipt of an oral or written request for expedited review, the PH-MCO must inform the Member of the right to present evidence and testimony and
make legal and factual arguments in person as well as in writing and of the limited time available to do so.

e. If the Provider certification is not included within the request for an expedited review and the PH-MCO cannot determine based on the information provided that the Member’s life, physical or mental health, or ability to attain, maintain, or regain maximum function would be placed in jeopardy by following the regular Grievance process, the PH-MCO must inform the Member that the Provider must submit a certification as to the reasons why the expedited review is needed. The PH-MCO must make a reasonable effort to obtain the certification from the Provider. If the Provider certification is not received within seventy-two (72) hours of the Member’s request for expedited review, the PH-MCO must decide the Grievance within the standard time frames as set forth in this Exhibit, unless the time frame for deciding the Grievance has been extended by up to fourteen (14) calendar days at the request of the Member. If the PH-MCO decides that expedited consideration with the initial or extended time frame is not warranted, the PH-MCO must make a reasonable effort to give the Member prompt oral notice that the Grievance is to be decided within the standard time frame and send a written notice within two (2) business days of the decision to deny expedited review, using the template specified by the Department.

f. A Member who files a request for expedited review of a Grievance that disputes a decision to discontinue, reduce, or change a service or item that the Member has been receiving must continue to receive the disputed service or item at the previously authorized level pending resolution of the Grievance, if the request for expedited review of a Grievance is made verbally, hand delivered, or post-marked within ten (10) calendar days from the mail date on the written notice of decision.

g. Expedited review of a Grievance must be conducted by a Grievance review committee made up of three (3) or more individuals who were not involved in and are not the subordinates of an individual involved in any previous level of review or decision-making on the issue that is the subject of the Grievance.

h. At least one-third of the expedited Grievance review committee may not be employees of the PH-MCO or a related subsidiary or Affiliate.

i. The expedited Grievance review committee must include a licensed physician or dentist in the same or similar specialty that typically manages or consults on the service or item in question. Other appropriate Providers may participate in the review, but the licensed physician must decide the Grievance.

j. The PH-MCO must prepare a summary of the issues presented and decisions made, which must be maintained as part of the expedited Grievance record.
k. The PH-MCO must issue the decision resulting from the expedited review in person or by phone to the Member, the Member’s representative, if the Member has designated one in writing, service Provider, and prescribing Provider, if applicable, within either forty-eight (48) hours of receiving the Provider certification or seventy-two (72) hours of receiving the Member’s request for an expedited review, whichever is shorter, unless the time frame for deciding the expedited Grievance has been extended by up to fourteen (14) calendar days at the request of the Member. In addition, the PH-MCO must mail written notice of the decision to the Member, the Member’s representative, if the Member has designated one in writing, service Provider, and prescribing Provider, if applicable, within two (2) business days of the decision, using the template specified by the Department.

l. The Member or the Member’s representative may file a request for a Fair Hearing within one hundred and twenty (120) calendar days from the mail date on the written notice of the PH-MCO’s expedited Grievance decision.

m. The Member, or Member’s representative, which may include the Member’s Provider, with proof of the Member’s written authorization for the representative to be involved and/or act on the Member’s behalf, may file a request for an expedited external Grievance review with the PH-MCO within two (2) business days from the date the Member receives the PH-MCO’s expedited Grievance decision. A Member who files a request for an expedited external Grievance review that disputes a decision to discontinue, reduce, or change a service or item that the Member has been receiving must continue to receive the disputed service or item at the previously authorized level pending resolution of the request for expedited Grievance review.

n. A request for an expedited external Grievance review may be filed in writing, by fax, orally, or by email.

o. The PH-MCO must follow DOH guidelines relating to submission of requests for expedited external Grievance reviews.

p. The PH-MCO may not take punitive action against a Provider who requests expedited resolution of a Grievance or supports a Member’s request for expedited review of a Grievance.

D. Department’s Fair Hearing Requirements

Fair Hearing: A hearing conducted by the Department’s Bureau of Hearings and Appeals (BHA) or a Department designee.

1. Fair Hearing Process

a. A Member or Member’s representative, with proof of the Member’s written authorization for the representative to be involved and/or act on the Member’s behalf, must file a Complaint or Grievance with the PH-MCO and
receive a decision on the Complaint or Grievance before filing a request for a Fair Hearing. If the PH-MCO fails to provide written notice of a Complaint or Grievance decision within the time frames specified in this Exhibit, the Member is deemed to have exhausted the Complaint or Grievance process and may request a Fair Hearing.

b. The Member or the Member’s representative may request a Fair Hearing in writing, signed by the member or Member’s representative, with proof of the Member’s written authorization for the representative to be involved and/or act on the Member’s behalf, within one hundred and twenty (120) calendar days from the mail date on the written notice of the PH-MCO’s first level Complaint decision or Grievance decision for any of the following:

i. the denial, in whole or part, of payment for a requested service or item based on lack of Medical Necessity;

ii. the denial of a requested service or item because the service or item is not a covered service;

iii. the reduction, suspension, or termination of a previously authorized service or item;

iv. the denial of a requested service or item but approval of an alternative service or item;

v. the failure of the PH-MCO to provide a service or item in a timely manner, as defined by the Department;

vi. the failure of a PH-MCO to decide a Complaint or Grievance within the specified time frame;

vii. the denial of payment after a service or item has been delivered because the service or item was provided by a Provider not enrolled in the MA Program;

viii. the denial of payment after a service or item has been delivered because the service or item is not a covered service for the Member;

ix. the denial of a Member’s request to dispute a financial liability, including cost sharing, copayments, premiums, deductibles, coinsurance, and other Member financial liabilities.

c. The request for a Fair Hearing must include a copy of the written notice of decision that is the subject of the request unless the PH-MCO failed to provide written notice of the Complaint or Grievance decision within the time frames specified in this Exhibit.

d. A Fair Hearing may be requested as follows:

i. Fax: 1-717-772-6328
ii. Mail: Department of Human Services  
OMAP – HealthChoices Program  
Complaint, Grievance and Fair Hearings  
P.O. Box 2675  
Harrisburg, Pennsylvania  17105-2675

e. A Member who files a request for a Fair Hearing that disputes a decision to discontinue, reduce, or change a service or item that the Member has been receiving must continue to receive the disputed service or item at the previously authorized level pending resolution of the Fair Hearing, if the request for a Fair Hearing is hand delivered, faxed, or post-marked within ten (10) calendar days from the mail date on the written notice of decision.

f. Upon receipt of the request for a Fair Hearing, BHA or the Department’s designee will schedule a hearing. The Member and the PH-MCO will receive notification of the hearing date by letter at least ten (10) calendar days before the hearing date, or a shorter time if requested by the Member. The letter will outline the type of hearing, the location of the hearing (if applicable), and the date and time of the hearing.

g. The PH-MCO is a party to the hearing and must be present. The PH-MCO, which may be represented by an attorney, must be prepared to explain and defend the issue on appeal. BHA’s decision is based solely on the evidence presented at the hearing. The absence of the PH-MCO from the hearing will not be reason to postpone the hearing.

h. The PH-MCO must provide Members, at no cost, with records, reports, and documents relevant to the subject of the Fair Hearing.

i. BHA will issue an adjudication within ninety (90) calendar days of the date the Member filed the first level Complaint or the Grievance with the PH-MCO, not including the number of days before the Member requested the Fair Hearing. If BHA fails to issue an adjudication within ninety (90) calendar days of receipt of the initial request of the first level complaint or grievance, less the time it took the member to request a Fair Hearing, the PH-MCO must comply with the requirements at 55 Pa. Code § 275.4 regarding the provision of interim assistance upon the request for such by the Member. When the Member is responsible for delaying the hearing process, it will be extended by the length of the delay attributed to the Member.

j. BHA’s adjudication is binding on the PH-MCO unless reversed by the Secretary of Human Services. Either party may request reconsideration from the Secretary within fifteen (15) calendar days from the date of the adjudication. Only the Member may appeal to Commonwealth Court within thirty (30) calendar days from the date of the BHA adjudication or from the date of the Secretary’s final order, if reconsideration was granted. The decisions of the Secretary and the Court are binding on the PH-MCO.

2. Expedited Fair Hearing Process
a. A Member or the Member’s representative may file a request for an expedited Fair Hearing with the Department either in writing or orally.

b. A Member must exhaust the Complaint or Grievance process prior to filing a request for an expedited Fair Hearing.

c. BHA will conduct an expedited Fair Hearing if a Member or a Member’s representative provides the Department with a signed written certification from the Member’s Provider that the Member’s life, physical or mental health, or ability to attain, maintain, or regain maximum function would be placed in jeopardy by following the regular Fair Hearing process or if the Provider provides testimony at the Fair Hearing which explains why using the usual time frames would place the Member’s life, physical or mental health, or ability to attain, maintain, or regain maximum function in jeopardy.

d. A Member who files a request for an expedited Fair Hearing that disputes a decision to discontinue, reduce, or change a service or item that the Member has been receiving must continue to receive the disputed service or item at the previously authorized level pending resolution of the Fair Hearing, if the request for an expedited Fair Hearing is made orally, hand delivered, or post-marked within ten (10) calendar days from the mail date on the written notice of decision.

e. Upon the receipt of the request for an expedited Fair Hearing, BHA or the Department’s designee will schedule a hearing.

f. The PH-MCO is a party to the hearing and must be present. The PH-MCO, which may be represented by an attorney, must be prepared to explain and defend the issue on appeal. The absence of the PH-MCO from the hearing will not be reason to postpone the hearing.

g. The PH-MCO must provide the Member, at no cost, with records, reports, and documents relevant to the subject of the Fair Hearing.

h. BHA will issue an adjudication within three (3) business days from receipt of the Member’s oral or written request for an expedited review.

i. BHA’s adjudication is binding on the PH-MCO unless reversed by the Secretary of Human Services. Either party may request reconsideration from the Secretary within fifteen (15) calendar days from the date of the adjudication. Only the Member may appeal to Commonwealth Court within thirty (30) calendar days from the date of adjudication or from the date of the Secretary’s final order, if reconsideration was granted. The decisions of the Secretary and the Court are binding on the PH-MCO.

E. Provision of and Payment for Service or Item Following Decision
1. If the PH-MCO, BHA, or the Secretary reverses a decision to deny, limit, or delay a service or item that was not furnished during the Complaint, Grievance, or Fair Hearing process, the PH-MCO must authorize or provide the disputed service or item as expeditiously as the Member’s health condition requires but no later than seventy-two (72) hours from the date it receives notice that the decision was reversed. If the PH-MCO requests reconsideration, the PH-MCO must authorize or provide the disputed service or item pending reconsideration unless the PH-MCO requests a stay of the BHA decision and the stay is granted.

2. If the PH-MCO, BHA, or the Secretary reverses a decision to deny authorization of a service or item, and the Member received the disputed service or item during the Complaint, Grievance, or Fair Hearing process, the PH-MCO must pay for the service or item that the Member received.

REPORTING SUSPECTED FRAUD AND ABUSE TO THE DEPARTMENT

The following requirements are adapted from 55 PA Code §1101, General Provisions for the Medical Assistance Program, specifically 55 PA Code §1101.75(a) and (b), Provider Prohibited Acts, which are directly adapted from the 62 PS §1407, (also referred to as Act 105 of 1980, Fraud and Abuse Control Act) and Federal Regulations 42 C.F.R. §§438.608(a)(7-8) and 455.23(a). The basis for Recipient referrals is 55 PA Code §1101.91 and §1101.92, Recipient Misutilization and Abuse and Recipient Prohibited Acts. For information on these regulations, go to http://www.pacode.com.

Reporting Requirements:

PH-MCOs are required to report to the Department any act by Providers/Recipients/Caregivers/Employees that may affect the integrity of the HealthChoices Program under the Medical Assistance Program. Specifically, if the PH-MCO suspects that either Fraud, Abuse or Waste (as discussed in Section V.O.4, Fraud and Abuse, of the Agreement) may have occurred, the PH-MCO must report the issue to the Department’s Bureau of Program Integrity (BPI). In addition to referrals to the Department, the PH-MCO is required to simultaneously submit fraud referrals to the Pennsylvania Office of Attorney General Medicaid Fraud Control Section in accordance with 42 C.F.R. §438.608(a)(7). The referrals shall be submitted using the Department’s PH-MCO Referral Form. Fraud referrals submitted to the Department using the PH-MCO Referral Form will be automatically sent to the Pennsylvania Office of Attorney General’s Medicaid Fraud Control Section. The PH-MCO must have a process to notify BPI of any adverse actions and/or provider disclosures taken during the credentialing/re-credentialing process. Depending on the nature or extent of the problem, it may also be advisable to place the individual Provider on prepayment review or suspend payments to avoid unnecessary expenditures during the review process.

The PH-MCO must also notify the Department if it recovers overpayments or improper payments related to Fraud, Waste or Abuse of Medical Assistance funds from non-administrative overpayments or improper payments made to Network Providers, or otherwise takes an adverse action against a Provider, e.g. restricting the Members or services of a PCP.

PH-MCOs are also required to report quality issues to the Department for further investigation. Quality issues are those which, on an individual basis, affect the Recipient’s health (e.g. poor quality services, inappropriate treatment, aberrant and/or abusive prescribing patterns, and withholding of Medically Necessary services from Recipient).

All Fraud, Abuse, Waste or quality referrals must be made within thirty (30) days of the identification of the problem/issue. The PH-MCO must conduct a preliminary investigation to the level of an indication of indicia of fraud. The PH-MCO may informally consult with other state agencies or law enforcement to reach this determination. The PH-MCO must send to BPI all relevant documentation collected to support the referral. Such
information includes, but is not limited to, the materials listed on the "Checklist of Supporting Documentation for Referrals" located at the end of this exhibit. The Fraud and Abuse Coordinator, or the responsible party completing the referral, should check the appropriate boxes on the "Checklist of Supporting Documentation for Referrals" form to indicate the supporting documentation that is sent with each referral. A copy of the completed checklist and all supporting documentation should accompany each referral. Any egregious situation or act (e.g. those that are causing or imminently threaten to cause harm to a Member or significant financial loss to the Department or its agent) must be referred immediately to the Department's Bureau of Program Integrity for further investigation.

Failure to comply with the requirements of Exhibit KK will result in sanctions and or corrective action as stated in the HealthChoices Agreement. The Department must suspend all Medicaid payments to a provider after a determination that there is a credible allegation of fraud for which an investigation is pending against an individual or entity unless the Department has good cause not to suspend payments or to suspend payments in part. (42 C.F.R. 455.23 (a)). Upon notification from the Department of the imposition of a payment suspension, the PH-MCO, at a minimum, must also suspend payments to the provider.

The following processes are required for Provider/Caregiver and Employee referrals, unless prior approval is received from BPI. Reports must be submitted online using the PH-MCO Referral Form. Fraud allegations will result in an automatic dual referral to the Office of Attorney General and the Department. The instructions and form templates are located at [http://www.dhs.pa.gov/hc-extranet/hc/managedcareprogram/fraudandabuse/index.htm](http://www.dhs.pa.gov/hc-extranet/hc/managedcareprogram/fraudandabuse/index.htm)

Once completed, the form must be submitted electronically to BPI. The following information must be submitted to BPI electronically using DocuShare:

- Checklist of Supporting Documentation for Referrals, accessible on the PH-MCO Referral Form,
- A copy of the confirmation page which will appear after the “Submit” button is clicked, submitting the PH-MCO Referral Form, and
- All supporting documentation. Referrals will not be processed but will be returned for further development if they are received without all supporting documentation.

If DocuShare is inaccessible for any reason, the PH MCO will notify the BPI contract monitor, then mail the supporting information above to the below address:

Department of Human Services  
Bureau of Program Integrity – DPPC/DPR  
P.O. Box 2675  
Harrisburg, PA 17105-2675

All suspected member fraud, abuse and/or waste should be reported directly to the Bureau of Program Integrity’s Recipient Restriction Section by the PH-MCO’s Recipient Restriction Coordinator using the established restriction referral process.

In the event member fraud is suspected but the criteria for restriction is not met, the PH-
MCO’s Restriction Coordinator should forward all supporting documentation, including a narrative description of the alleged fraud, to the Department’s Recipient Restriction Section.

All subsequent information should also be sent to the Recipient Restriction Section at:

GUIDELINES FOR SANCTIONS REGARDING FRAUD, WASTE AND ABUSE

The Department recognizes its responsibility to administer the HealthChoices Program and ensure that the public funds which pay for this program are properly spent.

To maintain the integrity of the HealthChoices Program and to ensure that PH-MCOs comply with pertinent provisions and related state and federal policies, including rules and regulations involving Fraud, Waste and Abuse issues, the Department will impose sanctions on the PH-MCOs as deemed appropriate where there is evidence of violations involving Fraud, Waste and Abuse issues in the HealthChoices Program. To that end, program compliance and improvement assessments, including financial assessments payable to BPI, will be applied by BPI for the PH-MCO’s identified program integrity compliance deficiencies. Note that the Department also retains discretion to impose additional remedies available under applicable law and regulations.

FRAUD, WASTE AND ABUSE ISSUES WHICH MAY RESULT IN SANCTIONS

The Department may impose sanctions, for non-compliance with Fraud, Waste and Abuse requirements which include, but are not limited to, the following:

A. Failure to implement, develop, monitor, continue and/or maintain the required compliance plan and policies and procedures directly related to the detection, prevention, investigation, referral or sanction of Fraud, Waste and Abuse by providers, caregivers, members or employees.

B. Failure to cooperate with reviews by oversight agencies or their designees, including the Department, Pennsylvania Office of Attorney General Medicaid Fraud Control Unit, Office of Inspector General of the U.S. DHHS, and other state or federal agencies and auditors under contract to CMS or the Department 42 C.F.R. §438.3(h).

C. Failure to adhere to applicable state and federal laws and regulations.

D. Failure to adhere to the terms of the HealthChoices Agreement, and the relevant Exhibits which relate to Fraud, Waste and Abuse issues.

E. If a PH-MCO fails to provide the relevant operating agency, upon its written request, encounter data, claims data and information, payment methodology, policies and/or other data required to document the services and items delivered by or through the PH-MCO to Members 42 C.F.R. §438.604.

F. PH-MCO engaging in actions that indicate a pattern of wrongful denial of payment
for a health-care benefit, service or item that the organization is required to provide under its agreement.

G. If a PH-MCO or associate fails to furnish services or to provide members a health benefit, service or item that the organization is required to provide under its Agreement 42 C.F.R. § 438.700(b)(1).

H. PH-MCO engaging in actions that indicate a pattern of wrongful delay of at least for 45 days or a longer period specified in the Agreement (not to exceed 60 days) in making payment for a health-care benefit, service or item that the organization is required to provide under its Agreement.

I. Discriminating against Members or prospective Members on any basis including without limitation, age, gender, ethnic origin or health status 42 C.F.R. §438.3(d)(3-4)

J. The PH-MCO must conduct a preliminary investigation and may consult with other state agencies or law enforcement to determine credible allegations of fraud for which an investigation is pending under the Medicaid program against an individual, a provider, or other entity (42 C.F.R. §455.23(a)). Allegations are to be considered credible when there is indicia of reliability and the State Medicaid agency has reviewed all allegations, facts and evidence carefully and acts judiciously on a case by case basis (42 C.F.R. §455.2).

K. PH-MCO failure to pay overpayments to DHS as identified through network provider audits, reviews, investigations conducted by BPI or its designee and other state and federal agencies.

RANGE OF SANCTIONS

The Department may impose any of the sanctions indicated in Section VIII.H. of the Agreement including, but not limited to, the following:

A. Preclusion or exclusion of the PH-MCO, its officers, managing employees or other individuals with direct or indirect ownership or control interest in accordance with 42 U.S.C. §1320a-7, 42 C.F.R. Parts 1001 and 1002; 62 P.S. §1407 and 55 Pa. Code §§1101.75 and 1101.77.

These sanctions may, but need not be, progressive. The Department's intends to maintain an effective, reasonable and consistent sanctioning process as deemed necessary to protect the integrity of the HealthChoices Program.
A member with Special Needs is based upon a non-categorical or generic definition of Special Needs. This definition will include but not be limited to key attributes of ongoing physical, developmental, emotional or behavioral conditions or life circumstance which may serve as a barrier to the member’s access to care or services. Examples of members with Special Needs will include but not be limited to: Children with Special Health Care Needs including those requiring skilled or unskilled home shift care, Children in Substitute Care, those with limited English Proficiency, or special communication needs due to sensory deficits those with Physical and/or Intellectual/ Developmental Disabilities, those with HIV/AIDS, those with significant behavioral challenges, or members requiring transportation assistance. Examples of factors in the determination of a member with Special Need(s) include but are not limited to the following:

- Require care and/or services of a type or amount that is beyond what is typically required;
- Require extensive rehabilitative, habilitative, or other therapeutic interventions to maintain or improve the level of functioning for the individual;
- May require that primary care be managed by a specialist, due to the nature of the condition;
- May incur higher morbidity without intervention and coordination in the care of the individual;
- Require care and/or services that necessitate coordination and communication among Network Providers and/or Out-of-Network Providers including, but not limited to, housing, food, and employment challenges;
- Require care and/or services that necessitate coordination and collaboration with public and private community services organizations outside the PH-MCO;
- Require coordination of care and/or services between the acute inpatient setting and other facilities and Community Providers;
- Result in the Member requiring assistance to schedule or make arrangements for appointments or services, including arranging for transportation to and from appointments;
- Result in the need for language, communication, or mobility accommodations; or
- Result in the need for a Member to be accompanied or assisted while seeking or receiving care by an individual who may act on the Member’s behalf.
• Require assistance in discharge planning from an inpatient or long-term care or pediatric residential setting to ensure the member will receive services in the least restrictive environment possible.

• Any condition, event or life circumstance that as a result inhibits a member’s access to any necessary service or support needed to address their medical condition or maintain their current level of functioning.

The PH-MCO will be required to develop, train, and maintain a unit within its organizational structure that will be responsible to provide support and case management services to members with Special Needs in a timely manner. This unit will be headed by a Special Needs Coordinator who must have access to and periodically consult with the Medical Director. The PH-MCO Special Needs Unit case manager must function as the single point of contact to coordinate all health care needs including social determinates of health needs for vulnerable populations. The case management staff must follow the Case Management Society of America standards of practice. Individual case management staff that are eligible should be certified case managers or be working toward certification. The staff members will work in close collaboration with the BMCO SNU and the Enrollment Assistance Program Contractor’s Special Needs contact person. The Department expects the PH-MCO’s Special Needs Unit to be staffed by individuals with either a medical and/or social services background, in sufficient number to initiate a response to a Member’s inquiry within two (2) Business Days or sooner in urgent situations. The Department expects the core staff members of the Special Needs Unit to be responsible primarily for the functions and operations associated with the unit, including the primary case management and care coordination for members and families receiving special needs services. The Department also expects that at times the Special Needs Unit staff will have access to the resources of other departments within the PH-MCO to supplement the Special Needs Unit in assisting Members with Special Needs. The PH-MCO must show evidence of their access to and use of individuals with expertise in the treatment of Members with Special Needs to provide consultation to the Special Needs Unit staff, as needed.

The PH-MCO shall use knowledgeable and independent organizations such as consumer groups, disability advocacy groups, Special Needs consumers, and the Department of Health District Offices, when providing training to its Special Needs Unit staff, whenever possible.

The primary purpose of the Special Needs Unit is to ensure that each Member with Special Needs receives access to appropriate primary care, access to specialists trained and skilled in the needs of the Member including behavioral health and substance use disorder services, information about the access to a specialist as PCP if appropriate, information about and access to all covered services appropriate to the Member's condition or circumstance, including pharmaceuticals and DME, and access to needed community services to support housing, food and employment needs. The Special Needs Unit must have a direct link to the Utilization Management functions of the PH-MCO and have input into the case review process. The PH-MCO must have procedures in place that ensure the proactive identification of and outreach to Members with Special Needs who may not self-identify as having a Special Need.
Special Needs Unit Functions and Requirements

The staff of the PH-MCO Special Needs Unit will ensure the receipt of care and/or services by acting as the PH-MCO case manager for each Member with an identified Special Need. The PH-MCO Special Needs Unit case manager must function as the single point of contact to coordinate all health care needs including social determinates of health needs for vulnerable populations. In the event that a Member is not satisfied with PH-MCO performance in any area, the Special Needs Unit case manager will be responsible for facilitating dispute resolution and for informing the Member of the Complaint, Grievance, and DHS Fair Hearing mechanisms that are available and assisting in that process as needed or requested. Members with Special Needs determined to have ongoing needs for assistance will be assigned to a particular Special Needs Unit case manager and will have ready access to their Special Needs Unit case manager as long as they are enrolled in the PH-MCO. Members with Special Needs are permitted to change case managers as needed during their enrollment. The PH-MCO must be able to demonstrate that its staff will perform the following functions:

- Conduct necessary training for all PH-MCO staff to acquaint them with the purpose and function of the Special Needs Unit and the need to coordinate within departments to serve Members with Special Needs.

- Work towards education and training in the use of LifeCourse™ tools.

- Meet face-to-face at least twice a year with the child and family and/or caregivers for the most complex members receiving shift care services. At least one of the face-to-face visits must be at the time of initial or recertification of shift care services. The PH-MCO staff must be appropriate licensed Special Needs Unit case management staff.

- Ensure coordination between the PH-MCO and other health, education, and human services systems including County Children and Youth Services Offices, County Office of Intellectual Disability Services Offices and Juvenile Justice Offices. For a more inclusive list see Exhibit OO.

- Ensure adherence to state and federal laws, regulations, Departmental agreements and court requirements relating to individuals with Special Needs.

- A contact within the Special Needs Unit must be designated to act as a liaison with the BMCO SNU staff and the Enrollment Assistance Program contractor’s Special Needs contact person. The PH-MCO must develop an appropriate automated process to operationalize the information on Special Needs individuals supplied by the Enrollment Assistance Program contractor.

- Sufficient telephone and alternative communication channels must be established to allow ready and timely interactions between the PH-MCO Special Needs Unit Coordinator, case managers, the Office of Medical Assistance Programs, the Enrollment Assistance Program contractor, Members with Special Needs, Providers...
and other health, education, and human services systems servicing Members with Special Needs and involved agencies.

- The PH-MCO Special Needs Unit must have a resource account email box in place for receipt of transition of care documentation to ensure timely access to all medically necessary services. The Special Needs Unit Coordinator and multiple staff must have access to this resource account.

- Appropriate arrangements must be made to effectively assist Members with Special Needs who speak languages other than English in accordance with the RFP and Agreement requirements. In addition, efforts must be made to match Members with communication barriers due to disability or linguistic background with Providers with whom they can effectively communicate.

- Serve on interagency teams upon request by a Member or their family to facilitate and coordinate delivery of Physical Health Services contained in treatment plans for children and/or adults including, but not limited to, Individual Family Service Plans, Individual Educational Plans, Individual Habilitation Plans, and Individual Behavioral Health Treatment Plans.

- Special Needs Unit case managers must have a working knowledge of Children and Adolescent Support Services Program (CASSP) and the Community Support Program (CSP) principles and principles of drug and alcohol treatment.

- Ensure cooperation of the PH-MCO's Provider Network. Special Needs Unit case managers must facilitate communication and coordinate service delivery between primary care, specialty, ancillary, substance use disorder and behavioral health Providers to ensure Member's timely and uninterrupted access to care.

- Assist in the development of adequate Provider Networks, such as pediatric specialists, to serve Special Needs populations. Special Needs Unit case managers must assist and support Members with Special Needs in making an informed choice between Providers of equivalent services within the network. When adequate network capacity does not exist to allow for choice between network Providers of equivalent services, case managers must facilitate and coordinate services rendered by Out-of-Network Providers.

- Conduct necessary training for PCPs to assist them in providing services to diverse populations including the identification of the PH-MCO's Special Needs Unit contact persons.

- Provide ongoing coordination with PCPs to continually serve Special Needs population’s Members.

- Attend ad hoc meetings, workgroups, etc., hosted by the Department that require mandatory attendance by Special Needs Unit staff.
- Attend public/community sponsored meetings with the Department’s representative(s) at the discretion of the PH-MCO.

- If the PH-MCO chooses to subcontract any of the Special Needs Unit functions, the PH-MCO must maintain accountability by assigning responsibility for oversight of the subcontract to a senior executive within the organization.

- Conduct necessary training for all PH-MCO providers to acquaint them with the purpose and function of the Special Needs Unit and identify a contact within the Special Needs Unit as a direct contact for any provider to refer a member with special needs for assistance.

- Provide assistance to any member needing help in filing a Complaint, Grievance, or Fair hearing, and serve in an advocacy role to assist the member in obtaining any information necessary from any PH-MCO provider in support of a Complaint, Grievance or DHS Fair Hearing.

- Provide assistance to any member needing additional help to access the Department’s Medical Assistance Transportation Program.

- Provide assistance to any member needing help transitioning from a pediatric to an adult provider. Proactively identify individuals between the ages of 18 and 21 that may be considered to be medically fragile members and provide enhanced assistance to them in transitioning to an adult provider. During this transitioning process ensure that they can receive care from a Pediatrician and adult Primary Care Provider at the same time to facilitate a seamless transition to adult care. These youth should be provided case management, at a minimum, until a successful transition is complete.

- Work in coordination with the Department’s Resource Facilitation Team (RFT), other Department of Human Services Program Offices, and Service Coordinators to provide transition assistance to members receiving home shift care services under EPSDT into Home and Community Based Waivers and adult systems of support. This will include functioning as a liaison between the RFT and the member and family.

- For members in inpatient or residential facilities, provide assistance with discharge planning to ensure the member is transitioning not only to the most appropriate and community-based environment for the child as possible , but to ensure that the environment and supports are in place in the new setting prior to any discharge occurring. Provide all necessary oversight including home or site visits with family or other caregivers to ensure adequate supports are in place for a safe discharge. Members in residential facilities will be required to be in active case management by a PH-MCO case manager until the member is successfully discharged home or to another community or other care setting.

- Conduct face-to-face case management activities with members for whom telephonic case management has proven ineffective, and desired goals have not been attained.
Utilize and interface with community-based care management staff to maintain a person-centered approach and to ensure that member-specific needs are being met.

The PH-MCO will develop, implement, and maintain a targeted Quality Management component focused on Members with Special Needs that is integrated into the Quality Management/Utilization Management Program as outlined in Exhibit M(1), Quality Management and Utilization Management Program Requirements.

The Special Needs Unit will provide data as required for special needs related to existing and new Operations (OPS) Reports and ad hoc requests concerning members with special needs.

AUDITS

Annual Agreement Audits

The PH-MCO shall cause, and bear the costs of, an annual Agreement audit to be performed by an independent, licensed Certified Public Accountant. The Agreement audit shall be completed using guidelines provided by the Commonwealth. Such audit shall be made in accordance with generally accepted government auditing standards. The Agreement audit shall be digitally submitted to OMAP, BFM, Division of Financial Analysis and Reporting via the E-FRM system no later than June 30 after the Agreement year is ended.

If circumstances arise in which the Commonwealth or the PH-MCO invoke the contractual termination clause or determine the Agreement will cease, the Agreement audit for the period ending with the termination date or the last date the PH-MCO is responsible to provide Medical Assistance benefits to HealthChoices recipients shall be submitted to the Commonwealth within 180 days after the Agreement termination date or the last date the PH-MCO is responsible to provide Medical Assistance benefits.

The PH-MCO shall ensure that audit working papers and audit reports are retained by the PH-MCO’s auditor for a minimum of ten (10) years from the date of final payment under the Agreement, unless the PH-MCO’s auditor is notified in writing by the Commonwealth to extend the retention period. Audit working papers shall be made available, upon request, to authorized representatives of the Commonwealth or Federal agencies. Copies of working papers deemed necessary shall be provided by the PH-MCO’s auditor.

Annual Entity-Wide Financial Audits

The PH-MCO shall provide to the Commonwealth a copy of its annual entity-wide financial audit, performed by an independent, licensed Certified Public Accountant. Such audit shall be made in accordance with generally accepted auditing standards. Such audit shall be submitted to the OMAP, BFM, Division of Financial Analysis and Reporting via E-FRM within 30 days after the Auditor’s signature date.

Other Financial and Performance Audits

The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional financial or performance audits of the PH-MCO, its subcontractors or Providers. Any such additional audit work will rely on work already performed by the PH-MCO’s auditor to the extent possible. The costs incurred by the federal or state agencies for such additional work will be borne by those agencies.
Audits of the PH-MCO, its subcontractors or Providers may be performed by the Commonwealth or its designated representatives and include, but are not limited to:

1. Financial and compliance audits of operations and activities for the purpose of determining the compliance with financial and programmatic record keeping and reporting requirements of this Agreement;

Audits performed by the Commonwealth shall be in addition to any federally-required audits or any monitoring or review efforts. Commonwealth audits of the PH-MCO or its subcontractor’s operations will generally be performed on an annual basis. However, the Commonwealth reserves the right to audit more frequently, to vary the audit period, and to determine the type and duration of these audits. Audits of subcontractors or Providers will be performed at the Commonwealth's discretion.

The following provisions apply to the PH-MCO, its subcontractors and Providers:

1. Except in cases where advance notice is not possible or advance notice may render the audit less useful, the Commonwealth will give the entity at least three (3) weeks advance written notice of the start date, expected staffing, and estimated duration of the audit. In the event of a claims processing audit, the Commonwealth will strive to provide advance written notice of a minimum of thirty (30) calendar days. All records to be sent by mail shall be sent to the requesting entity within fifteen (15) calendar days of such request and at no expense to the requesting entity. Such requests made by the Commonwealth shall not be unreasonable.

The PH-MCO shall maintain books, records, documents, and other evidence pertaining to all revenues, expenditures and other financial activity pursuant to this Agreement as well as to all required programmatic activity and data pursuant to this Agreement. Records other than medical records may be kept in an original paper state or preserved on micro media or electronic format. ENCOUNTER DATA SUBMISSION REQUIREMENTS AND PENALTY APPLICATIONS

The submission of timely and accurate Encounter Data is critical to the Commonwealth’s ability to establish and maintain cost effective and quality managed care programs. Consequently, the requirements for submission and metrics for measuring the value of the data for achieving these goals are crucial.

- CERTIFICATION REQUIREMENTS

  All MCOs must be certified through the Department’s MMIS prior to the submission of live Encounter Data. The certification process is detailed on the Pennsylvania HealthChoices Extranet.

- SUBMISSION REQUIREMENTS

  - Timeliness:

    With the exception of NCPDP Encounters, all MCO approved Encounters and those specified MCO-denied Encounters must be approved in the Department’s MMIS by the last day of the third month following the month of initial MCO adjudication. Pharmacy Encounters must be submitted and approved in the Department’s MMIS within thirty (30) days following the MCO adjudication.

    - Metric:

      During the six months following the month of the initial MMIS adjudication, Encounters will be analyzed for timely submission.

      - Failure to achieve the Department’s MMIS approved/paid status for 98% of all MCO paid/approved and specified MCO denied Encounters by the last day of the third month following initial MCO adjudication may result in a penalty.

      - Any Encounter Data corrected or initially submitted after the last day of the third month following initial MCO adjudication may be subject to a penalty.

  Accuracy and Completeness:

  Accuracy and completeness are based on consistency between Encounter Data submitted to the Department’s MMIS and information for the same service maintained by the MCO in their Claims/service history database.

    - Metric:
Accuracy and completeness will be determined through a series of analyses of MCO Claims history data and Encounters received and processed through the Department’s MMIS. This analysis will be done at least yearly but no more than twice a year and will consist of making comparisons between encounter samples and what is found in the MCO’s claims history. Samples may also be drawn from the MCO’s service history and compared with Encounters processed through the Department’s MMIS.

Samples will be drawn proportionally based on the MCO financial expenditures for each transaction type submitted during the review period. Each annual or semi-annual analysis will be based on a statistically valid sample of no less than 200 records.

- **PENALTY PROVISION**

  **Timeliness:**

  Failure to comply with timeliness requirements will result in a sanction of up to $10,000 for each program month.

  **Completeness and Accuracy:**

  Errors in accuracy or completeness that are identified by the Department in an annual or semi-annual analysis will result in sanctions as follows. An error in accuracy or completeness or both, in one sample record, counts as one error.

PROVIDER NETWORK COMPOSITION/SERVICE ACCESS

1. Network Composition

The PH-MCO must consider the following in establishing and maintaining its Provider Network:

- The anticipated MA enrollment,
- The expected utilization of services, taking into consideration the characteristics and health care needs of specific MA populations represented in the PH-MCO,
- The number and types, in terms of training, experience, and specialization, of Providers required to furnish the contracted MA services,
- The number of Network Providers who are not accepting new MA patients, and
- The geographic location of Providers and Members, considering distance, travel time, the means of transportation ordinarily used by Members, and whether the location provides physical access for Members with disabilities.

The PH-MCO must adhere to CMS network adequacy standards as outlined in 42 C.F.R. §438.68(b)(1)(viii) and 438.68(b)(3). The PH-MCO must ensure that its Provider Network is adequate to provide its Members in this HealthChoices Zone with access to quality Member care through participating professionals, in a timely manner, and without the need to travel excessive distances. Upon request from the Department, the PH-MCO must supply geographic access maps using Member level data detailing the number, location and specialties of their Provider Network to the Department in order to verify accessibility of Providers within their Network in relation to the location of its Members. The Department may require additional numbers of specialists and ancillary Providers should it be determined that geographic access is not adequate. The PH-MCO must also have a process in place which ensures that the PH-MCO knows the capacity of their Network PCP panels at all times and have the ability to report on this capacity.

The PH-MCO must make all reasonable efforts to honor a Member’s choice of Providers who are credentialed in the Network. If the PH-MCO is unable to ensure a Member’s access to provider or specialty provider services within the PH-MCO’s network, within the travel times set forth in this Exhibit, the PH-MCO must make all reasonable efforts to ensure the Member’s access to these services within the travel times herein through out-of-network providers. In locations where the PH-MCO can provide evidence that it has conducted all reasonable efforts to contract with providers and specialists and can provide verification that no providers or specialists exist to ensure a Member’s access to these services within the travel times set forth in this
Exhibit, the PH-MCO must work with Members to offer reasonable provider alternatives. Additionally, the PH-MCO must ensure and demonstrate that the following Provider Network and access requirements are established and maintained for the entire HealthChoices Zone in which the PH-MCO operates if providers exist:

a. **PCPs**

Make available to every Member a choice of at least two (2) appropriate PCPs with open panels whose offices are located within a travel time no greater than thirty (30) minutes (Urban) and sixty (60) minutes (Rural). This travel time is measured via public transportation, where available. Members may, at their discretion, select PCPs located further from their homes.

b. **Pediatricians as PCPs**

Ensure an adequate number of pediatricians with open panels to permit all Members who want a pediatrician as a PCP to have a choice of two (2) for their child(ren) within the travel time limits (30 minutes Urban, 60 minutes Rural).

c. **Specialists**

i. For the following provider types, the PH-MCOs operating in Lehigh Capital, Southeast, and Southwest must ensure a choice of two (2) providers who are accepting new patients within the travel time limits (30 minutes Urban, 60 minutes Rural):

<table>

<th>General Surgery</th>
<th>Cardiology</th>

PH-MCOs operating in Northeast and Northwest must ensure a choice of two (2) providers who are accepting new patients within the travel time limits (30 minutes Urban, 60 minutes Rural):

ii. For the following provider types, the PH-MCOs operating in Lehigh/Capital, Southeast, and Southwest must ensure a choice of one (1) provider who is accepting new patients within the travel time limits (30 minutes Urban, 60 minutes Rural) and a second choice, within the HealthChoices Zone:

- Oral Surgery
- Nursing Facility
- Dermatology
- Urology
- Neurology
- Otolaryngology

The PH-MCOs operating in Northeast and Northwest must ensure a choice of one (1) provider who is accepting new patients within the travel time limits (30 minutes Urban, 60 minutes Rural) and a second choice within the HealthChoices Zone:

- Oral Surgery
- Nursing Facility
- Dermatology
- Urology
- Neurology
- Otolaryngology
- Oncology
- Radiology
- Physical Therapy

iii. For all other specialists and subspecialists, the PH-MCO must have a choice of two (2) providers who are accepting new patients within the HealthChoices Zone.

d. Hospitals

Ensure at least one (1) hospital within the travel time limits (30 minutes Urban, 60 minutes Rural) and a second choice within the HealthChoices Zone.

e. Special Health Needs

Ensure the provision of services to persons who have special health needs or who face access barriers to health care. If the PH-MCO does not have at least two (2) specialists or sub-specialists qualified to meet the particular needs of the individuals, then the PH-MCO must allow Members to pick an Out-of-Network Provider if not satisfied with the Network Provider. The PH-MCO must develop a system to determine Prior Authorization for Out-of-Network Services, including provisions for informing the Recipient of how to request this authorization for Out-of-Plan Services. For children with special health needs, the PH-MCO must offer at least two (2) pediatric specialists or pediatric sub-specialists.

f. Anesthesia for Dental Care
For Members needing anesthesia for dental care, the PH-MCO must ensure a choice of at least two (2) dentists within the Provider Network with privileges or certificates to perform specialized dental procedures under general anesthesia or pay out of Network.

g. **Rehabilitation Facilities**

Ensure a choice of at least two (2) rehabilitation facilities within the Provider Network, at least one (1) of which must be located within this HealthChoices Zone.

h. **CNMs / CRNPs, Other Health Care Providers**

Ensure access to Certified Nurse Midwives (CNMs) and Certified Registered Nurse Practitioners (CRNPs) and other Health Care Providers. In accordance with RX for PA Principles, the PH-MCO must demonstrate its attempts to contract in good faith with a sufficient number of CNMs and CRNPs and other Health Care Providers and maintain payment policies that reimburse CNMs and CRNPs and other Health Care Providers for all services provided within the scope of their practice and allow them to practice to the fullest extent of their education, training and licensing.

i. **Qualified Providers**

The PH-MCO must limit its PCP Network to appropriately qualified Providers. The PH-MCO’s PCP Network must meet the following:

- No less than seventy-five percent (75) of the Network consists of PCPs who have completed an approved primary care residency in family medicine, osteopathic general medicine, internal medicine or pediatrics; and

- No more than twenty-five percent (25%) of the Network consists of PCPs without appropriate residencies but who have, within the past seven (7) years, five (5) years of post-training clinical practice experience in family medicine, osteopathic general medicine, internal medicine or pediatrics. Post-training experience is defined as having practiced at least as a 0.5 full-time equivalent in the practice areas described.

j. **Members Freedom of Choice**

The PH-MCO must demonstrate its ability to offer its Members freedom of choice in selecting a PCP. At a minimum, the PH-MCO must have
or provide one (1) full-time equivalent (FTE) PCP who serves no more than one thousand (1,000) Recipients. For the purposes of this section, a full-time equivalent PCP must be a physician involved in clinical care. The minimum weekly work hours for 1.0 FTE is the number of hours that the practice considers to be a normal work week, which may be 37.5, 40, or 50 hours. A physician cannot be counted as more than 1.0 FTE regardless of the number of hours worked. If the PCP/PCP Site employs Certified Registered Nurse Practitioners (CRNPs)/Physician Assistants (PAs), then the Provider/Provider Site will be permitted to add an additional one thousand (1,000) Members to the panel. The number of Members assigned to a PCP may be decreased by the PH-MCO if necessary to maintain the appointment availability standards.

k. PCP Composition and Location

The PH-MCO and the Department will work together to avoid the PCP having a caseload or medical practice composed predominantly of HC Members. In addition, the PH-MCO must organize its PCP Sites so as to ensure continuity of care to Members and must identify a specific PCP or PCP group for each Member. The PH-MCO may apply to the Department for a waiver of these requirements. The Department may waive these requirements for good cause demonstrated by the PH-MCO. The PH-MCO will comply with the program standards regarding PCP assignment as set forth in Section V.Q. of the Agreement, Assignment of PCPs.

l. FQHCs / RHCs

The PH-MCO must include in its Provider Network every FQHC and RHC that are willing to accept PPS rates as payment in full and are located within the operational HealthChoices Zones in which the PH-MCO has an agreement. If the PH-MCO’s primary care Network includes FQHCs and RHCs, these sites may be designated as PCP sites.

m. Medically Necessary Emergency Services

The PH-MCO must comply with the provisions of Act 112 of 1996 (H.B. 1415, P.N. 3853, signed July 11, 1996), the Balanced Budget Reconciliation Act of 1997 and Act 68 of 1998, the Quality Health Care Accountability and Protection Provisions, 40 P.S. 991.2101 et seq. pertaining to coverage and payment of Medically Necessary Emergency Services. The definition of such services is set forth herein at Section II of this Agreement, Definitions.

n. ADA Accessibility Guidelines
The PH-MCO must inspect the office of any PCP or dentist who seeks to participate in the PH-MCO’s Provider Network (excluding offices located in hospitals) to determine whether the office is architecturally accessible to persons with mobility impairments. Architectural accessibility means compliance with ADA accessibility guidelines with reference to parking (if any), path of travel to an entrance, and the entrance to both the building and the office of the Provider, if different from the building entrance.

The PH-MCO must submit quarterly reports to the Department, in a format to be specified by the Department, on the results of the inspections.

If the office or facility is not accessible under the terms of this paragraph, the PCP or dentist may participate in the PH-MCO’s Provider Network provided that the PCP or dentist: 1) requests and is determined by the PH-MCO to qualify for an exemption from this paragraph, consistent with the requirements of the ADA, or 2) agrees in writing to remove the barrier to make the office or facility accessible to persons with mobility impairments within six (6) months after the PH-MCO identified the barrier.

The PH-MCO must document its efforts to determine architectural accessibility. The PH-MCO must submit this documentation to the Department upon request.

o. Laboratory Testing Sites

The PH-MCO must ensure that all laboratory testing sites providing services have either a Clinical Laboratory Improvement Amendment (CLIA) certificate of waiver or a certificate of registration along with a CLIA identification number in accordance with CLIA 1988. Those laboratories with certificates of waiver will provide only the eight (8) types of tests permitted under the terms of their waiver. Laboratories with certificates of registration may perform a full range of laboratory tests. The PCP must provide all required demographics to the laboratory when submitting a specimen for analysis.

p. PH-MCO Discrimination

The PH-MCO must not discriminate with respect to participation, reimbursement, or indemnification as to any Provider who is acting within the scope of the Provider’s license or certification under applicable State law, solely on the basis of such license or certification. This paragraph must not be construed to prohibit a PH-MCO from including Providers only to the extent necessary to meet the needs of the organization’s Members or from establishing any measure designed to maintain quality and control costs consistent with the responsibilities of the PH-MCO.
q. Declined Providers

If the PH-MCO declines to include individual Providers or groups of Providers in its Network, it must give the affected Providers written notice of the reason for its decision.

r. Second Opinions

The PH-MCO must provide for a second opinion from a qualified Health Care Provider within the Network, at no cost to the Member. If a qualified Health Care Provider is not available within the Network, the PH-MCO must assist the Member in obtaining a second opinion from a qualified Health Care Provider outside the Network, at no cost to the Member, unless co-payments apply.

s. American Indians and Indian Healthcare Providers

Consistent with 42 C.F.R. §438.14(b)(1-3), The PH-MCO must:

- Demonstrate that there are sufficient I/T/U providers in the network to ensure timely access to services available under the Agreement for Indian enrollees who are eligible to receive services from such providers;

- Pay I/T/U providers, whether participating in the network or not, for covered Medicaid or CHIP managed care services provided to Indian enrollees who are eligible to receive services from such providers either at a rate negotiated between the PH-MCO and the I/T/U provider, or if there is no negotiated rate, at a rate no less than the level and amount of payment that would be made if the provider were not an I/T/U provider; and

- Permit any Indian who is enrolled in a non-Indian MCO and eligible to receive services from a participating I/T/U provider to choose to receive covered services from that I/T/U provider and if that I/T/U provider participates in the network as a primary care provider, to choose that I/T/U as his or her primary care provider, as long as that provider has capacity to provide the services.

Consistent with 42 C.F.R. §438.14(b)(5-6), the PH-MCO must permit American Indian members to access out of state IHCPs; or permit an out-of-network IHCP to refer an American Indian member to a network provider.

When an IHCP is enrolled in Medicaid as an FQHC, but not a participating
provider of the PH-MCO, the IHCP must be paid an amount equal to the amount the PH-MCO would have paid to a network FQHC. When the IHCP is not enrolled in Medicaid as an FQHC, the PH-MCO must reimburse the IHCP at the same rate as the IHCP’s applicable encounter rate published annually in the Federal Register by the Indian Health Service. If there is no published encounter rate, the IHCP must receive the amount it would have been reimbursed if the services were provided under the Pennsylvania MA FFS FQHC payment methodology.

2. Appointment Standards

The PH-MCO will require the PCP, dentist, or specialist to conduct affirmative outreach whenever a Member misses an appointment and to document this in the medical record. Such an effort shall be deemed to be reasonable if it includes three (3) attempts to contact the Member. Such attempts may include, but are not limited to: written attempts, telephone calls and home visits. At least one (1) such attempt must be a follow-up telephone call.

The Member must be informed of scheduling time frames through educational outreach efforts.

vi. The PH-MCO must monitor the adequacy of its appointment processes and reduce the unnecessary use of emergency room
visits.

b. **Persons with HIV/AIDS**

The PH-MCO must have adequate PCP scheduling procedures in place to ensure that an appointment with a PCP or specialist must be scheduled within seven (7) days from the effective date of Enrollment for any person known to the PH-MCO to be HIV positive or diagnosed with AIDS (e.g. self-identification), unless the Member is already in active care with a PCP or specialist.

c. **Supplemental Security Income (SSI)**

The PH-MCO must make a reasonable effort to schedule an appointment with a PCP or specialist within forty-five (45) days of Enrollment for any Member who is an SSI or SSI-related consumer unless the Member is already in active care with a PCP or specialist.

For specialty referrals, the PH-MCO must be able to provide for:

i. Emergency Medical Condition appointments immediately upon referral.

e. **Pregnant Women**
Should the EAP contractor or Member notify the PH-MCO that a new Member is pregnant or there is a pregnancy indication on the files transmitted to the PH-MCO by the Department, the PH-MCO must contact the Member within five (5) days of the effective date of Enrollment to assist the woman in obtaining an appointment with an OB/GYN or Certified Nurse Midwife. For maternity care, the PH-MCO must arrange initial prenatal care appointments for enrolled pregnant Members as follows:

i. First trimester — within ten (10) Business Days of the Member being identified as being pregnant.

ii. Second trimester — within five (5) Business Days of the Member being identified as being pregnant.

iii. Third trimester — within four (4) Business Days of the Member being identified as being pregnant.

iv. High-risk pregnancies — within twenty-four (24) hours of identification of high risk to the PH-MCO or maternity care Provider, or immediately if an emergency exists.

f. EPSDT

EPSDT screens for any new Member under the age of twenty-one (21) must be scheduled within forty-five (45) days from the effective date of Enrollment unless the child is already under the care of a PCP and the child is current with screens and immunizations.

The PH-MCO must distribute quarterly lists to each PCP in its Provider Networks which identify Members who have not had an Encounter during the previous twelve (12) months or within the time frames set forth in this Exhibit, or Members who have not complied with EPSDT periodicity and immunization schedules for children. The PH-MCO must contact such Members, documenting the reasons for noncompliance and documenting its efforts for bringing the Members’ care into compliance.

3. Policies and Procedures for Appointment Standards

The PH-MCO will comply with the program standards regarding service accessibility standards that are set forth in this Exhibit and in Section V.S. of the Agreement, Provider Agreements.

The PH-MCO must have written policies and procedures for disseminating
its appointment standards to all Members through its Member handbook and through other means. In addition, the PH-MCO must have written policies and procedures to educate its Provider Network about appointment standard requirements. The PH-MCO must monitor compliance with appointment standards and must have a corrective action plan when appointment standards are not met.

4. **Compliance with Access Standards**

   a. **Mandatory Compliance**

   Per 42 C.F.R. §438.68(b)(1)(viii), the PH-MCO must adhere to any time and distance access standards established by CMS. The PH-MCO must comply with the access standards in accordance with this Exhibit and Section V.S of the Agreement, Provider Agreements. If the PH-MCO fails to meet any of the access standards by the dates specified by the Department, the Department may terminate this Agreement.

   b. **Reasonable Efforts and Assurances**

   The PH-MCO must make reasonable efforts to honor a Member's choice of Providers among Network Providers as long as:

   i. The PH-MCO’s agreement with the Network Provider covers the services required by the Member; and

   ii. The PH-MCO has not determined that the Member’s choice is clinically inappropriate.

   The PH-MCO must provide the Department adequate assurances that the PH-MCO, with respect to each zone of operation, has the capacity to serve the expected Enrollment in each zone of operation. The PH-MCO must provide assurances that it will offer the full scope of covered services as set forth in this Agreement and access to preventive and primary care services. The PH-MCO must submit a corrective action plan to the Department for
approval within thirty (30) days of notification of such failure to comply, unless circumstances warrant and the Department demands a shorter response time. The Department's approval of the PH-MCO's corrective action plan will not be unreasonably withheld. The Department will make its best effort to respond to the PH-MCO within thirty (30) days from the submission date of the corrective action plan. If the Department rejects the corrective action plan, the PH-MCO shall be notified of the deficiencies of the corrective action plan. In such event, the PH-MCO must submit a revised corrective action plan within fifteen (15) days of notification. If the Department does not receive an acceptable corrective action plan, the Department may impose sanctions against the PH-MCO, in accordance with Section VIII.H. of the Agreement, Sanctions. Failure to implement the corrective action plan may result in the imposition of a sanction as provided in this Agreement.
EXHIBIT BBB

OUTPATIENT DRUG SERVICES

1. General Requirements

a. All requirements in this Exhibit apply to all Covered Outpatient Drugs regardless of the setting in which the drug is dispensed or administered and regardless of the billing provider type.

b. The amount, duration, and scope of Covered Outpatient Drugs must be consistent with coverage under the Fee-for-Service (FFS) program. The PH-MCO must cover all Covered Outpatient Drugs listed on the Center for Medicare and Medicaid Services (CMS) Quarterly Drug Information File when determined to be Medically Necessary, unless otherwise excluded from coverage. (See 2. Coverage Exclusions below for exclusions.) This includes brand name and generic drugs, and over-the-counter drugs (OTCs), prescribed by licensed providers enrolled in the MA program, and sold or distributed by drug manufacturers that participate in the Medicaid Drug Rebate Program.

c. The PH-MCO must provide coverage for all medically accepted indications, as described in Section 1927(k)(6) of the Social Security Act, 42 U.S.C.A. 1396r-8(k)(6). This includes any use which is approved under the Federal Food, Drug, and Cosmetic Act, 21 U.S.C.A. 301 et seq. or whose use is supported by the nationally recognized pharmacy compendia, or peer-reviewed medical literature.

d. Unless financial responsibility is otherwise assigned, all Covered Outpatient Drugs are the payment responsibility of the Member’s PH-MCO. The only exception is that the behavioral health managed care organization (BH-MCO) is responsible for the payment of methadone when used in the treatment of substance abuse disorders and when prescribed and dispensed by BH-MCO service Providers.

e. All Covered Outpatient Drugs must be dispensed through PH-MCO Network Providers. This includes Covered Outpatient Drugs prescribed by both the PH-MCO and the BH-MCO Providers.

f. Under no circumstances will the PH-MCO permit the therapeutic substitution of an outpatient drug by a pharmacist without explicit authorization from the licensed prescriber.

g. All proposed pharmacy policies, programs and drug utilization management programs, such as prior authorization, step therapy, partial fills, specialty pharmacy, pill-splitting, mail order, 90day supply programs, etc. must be submitted to the Department for review and written approval prior to implementation, prior to implementation of any changes, and annually thereafter.
h. The PH-MCO must include in its written policies and procedures an assurance that all requirements and conditions governing coverage and payment for Covered Outpatient Drugs, such as, but not limited to, prior authorization (including step therapy), medical necessity guidelines, age edits, drug rebate encounter submission, reporting, notices of decision, etc. will,

i. Apply, regardless of whether the Covered Outpatient Drug is provided as an outpatient drug benefit or as a “medical benefit” incident to a medical service and billed by the prescribing Provider using codes such as the Healthcare Common Procedure Coding System (HCPCS).

ii. Ensure access for all medically accepted indications as documented by package labeling, nationally recognized pharmacy compendia, peer-reviewed medical literature, Statewide Preferred Drug List (PDL) prior authorization guidelines, if applicable, and FFS guidelines to determine medical necessity of drugs that require prior authorization in the MA FFS Program, when designated by the Department.

i. The PH-MCO must submit for review and approval a policy for each section of Exhibit BBB that includes the requirements in the respective section and the PH-MCO’s procedures to demonstrate compliance.

j. The PH-MCO must agree to adopt the same requirements for prior authorization and some or all of the same guidelines to determine medical necessity of selected drugs or classes of drugs as those adopted by the MA FFS Program when designated by the Department.

k. The PH-MCO must comply with Section 2117 of Article XXI of the Insurance Company Law of 1921, as amended, 40 P.S. 991.2117 regarding continuity of care requirements and 28 PA Code Ch. 9. The PH-MCO must also comply with the procedures outlined in MA Bulletin 99-03-13 and MA Bulletin # 99-96-01. The PH-MCO policy and procedures for continuity of care for outpatient drugs, and all subsequent changes to the Department-approved policy and procedures, must be submitted to the Department for review and approval prior to implementation. The policy and procedures must address how the PH-MCO will ensure no interruption in drug therapy and the course of treatment, and continued access to outpatient drugs that the Member was prescribed before enrolling in the PH-MCO.

l. The PH-MCO must allow access to all new drugs approved by the Food and Drug Administration (FDA) and meet the definition of a Covered Outpatient Drug either by addition to the Statewide PDL or MCO Formulary for drugs and products not included in the Statewide PDL, or through prior authorization, within ten (10) days from their availability in the marketplace.

2. Coverage Exclusions
a. In accordance with Section 1927 of the Social Security Act, 42 U.S.C.A. 1396r-8, the PH-MCO must exclude coverage for any drug marketed by a drug company (or labeler) who does not participate in the Medicaid Drug Rebate Program. The PH-MCO is not permitted to provide coverage for any drug product, brand name or generic, legend or non-legend, sold or distributed by a company that did not sign an agreement with the federal government to provide rebates to the Medicaid agency. This requirement does not apply to vaccines, compounding materials, certain vitamins and minerals or diabetic supplies.

b. The PH-MCO must not provide coverage for Drug Efficacy Study Implementation (DESI) drugs under any circumstances.

c. The PH-MCO must exclude coverage of noncompensable drugs in accordance with 55 PA Code §1121.54.

3. Formularies and Preferred Drug Lists (PDLs)

a. The PH-MCO must utilize the Statewide PDL developed by the Department’s Pharmacy and Therapeutics (P&T) Committee. If the PH-MCO fails to meet Statewide PDL quarterly compliance of 95% (excluding TPL) a financial sanction consistent with the difference in net cost using PH-MCO actual compliance rate and the net cost if compliance rate was 95%. The minimum penalty of $25,000 per quarter will be imposed.

b. The PH-MCO must implement use of the Statewide PDL, any changes to the Statewide PDL, the Statewide PDL prior authorization guidelines, and any changes to the Statewide PDL prior authorization guidelines on the effective date provided by the Department.

c. The PH-MCO must apply Statewide PDL prior authorization guidelines to all drugs and products included on the Statewide PDL. The PH-MCO may not impose additional prior authorization requirements for drugs and products included on the Statewide PDL. Quantity limits can be no more restrictive than the Department’s quantity limits.

The PH-MCO must submit the policies, procedures, and guidelines to determine medical necessity of drugs included on the Statewide PDL to the Department. Submissions must occur prior to the effective date of the changes as determined by the Department and at least annually.

d. The PH-MCO may use a Formulary or PDL to manage MA covered drugs and products that are outside the scope of the Statewide PDL as long as the Department has prior approved it and the Formulary or PDL meets the clinical needs of the MA population.
The Formulary or PDL must be developed and reviewed at least annually by the PH-MCO’s P&T Committee, as defined in Section 6 of this Exhibit.

e. The PH-MCO must allow access to all non-formulary or non-preferred drugs that are included in the CMS Quarterly Drug Information File, other than those excluded from coverage by the Department, when determined to be Medically Necessary through a process such as Prior Authorization (including Step Therapy), in accordance with Prior Authorization of Services Section V. B.1. and Exhibit H, Prior Authorization Guidelines for Participating Managed Care Organizations in the HealthChoices Program, and this Exhibit.

f. The PH-MCO must receive written approval from the Department of the Formulary or PDL, the list of specialty drugs, quantity limits, age edits, and the policies, procedures and guidelines to determine medical necessity of drugs and products not included on the Statewide PDL that require prior authorization, including drugs that require step therapy and drugs that are designated as non-formulary or non-preferred, prior to implementation of the Formulary or PDL, the designation of specialty, and the requirements. PH-MCOs may add drugs to the specialty drug list that are in therapeutic classes already included on the specialty drug list prior to receiving approval from the Department. However, these additions must be included in the specialty drug designations submitted to the Department for written approval. Submissions for annual reviews must occur at least thirty (30) days before effective date of the updated information.

g. The PH-MCO must submit all Formulary or PDL deletions for drugs and products outside the scope of the Statewide PDL to the Department for review and written approval prior to implementation.

h. The PH-MCO must submit written notification of any Formulary or PDL additions for drugs outside the scope of the statewide PDL to the Department within fifteen (15) days of implementation.

i. The PH-MCO must make available on the website in a machine readable file and format, information about its drug formulary or PDL, listing which medications are covered, including both brand and generic names.

4. Prior Authorization of Outpatient Drugs

a. For Covered Outpatient Drugs that require Prior Authorization (including step therapy) as a condition of coverage or payment:

   i. The PH-MCO must provide a response to the request for prior authorization by telephone or other telecommunication device indicating approval or denial of the prescription within twenty-four (24) hours of the request, and
ii. If a Member’s prescription for a medication is not filled when a prescription is presented to the pharmacist due to a Prior Authorization requirement, the PH-MCO must instruct the pharmacist to dispense either a:

- Fifteen (15) day supply if the prescription qualifies as an Ongoing Medication, unless the PH-MCO or its designated subcontractor issued a proper written notice of benefit reduction or termination at least ten (10) days prior to the end of the period for which the medication was previously authorized and a Grievance or DHS Fair Hearing request has not been filed, or

- A seventy-two (72) hour supply of a new medication.

b. For drugs not able to be divided and dispensed into individual doses, the PH-MCO must instruct the pharmacist to dispense the smallest amount that will provide at least a seventy-two (72) hour or fifteen (15) day supply, whichever is applicable.

c. The requirement that the Member be given at least a seventy-two (72) hour supply for a new medication or a fifteen (15) day supply for an Ongoing Medication does not apply when a pharmacist determines that the taking of the prescribed medication, either alone or along with other medication that the Member may be taking, would jeopardize the health or safety of the Member.

d. In such an event, the PH-MCO and/or its subcontractor must require that its participating dispensing Provider make good faith efforts to contact the prescriber.

e. If the PH-MCO denies the request for prior authorization, the PH-MCO must issue a written denial notice, using the appropriate Outpatient Drug Denial Notice template within twenty-four (24) hours of receiving the request for prior authorization.

f. If the Member files a Grievance or DHS Fair Hearing request from a denial of an Ongoing Medication, the PH-MCO must authorize the medication until the Grievance or DHS Fair Hearing request is resolved.

g. Requests for prior authorization will not be denied for lack of medical necessity unless a physician reviews the request for a medical necessity determination. Such a request for prior authorization must be approved when, in the professional judgment of the physician reviewer, the services are medically necessary to meet the medical needs of the Member.

h. In addition, for children under the age of twenty-one (21), requests for service will not be denied for lack of medical necessity unless a physician or other health care professional with appropriate clinical expertise in treating the
Member’s condition or disease determines:

i. That the prescriber did not make a good faith effort to submit a complete request, or

ii. That the service or item is not medically necessary, after making a reasonable effort to consult with the prescriber. The reasonable effort to consult must be documented in writing.

i. When medication is authorized due to the PH-MCO’s obligation to continue services while a Member’s Grievance or Fair Hearing is pending, and the final binding decision is in favor of the PH-MCO, a request for subsequent refill of the prescribed medication does not constitute an Ongoing Medication.

j. The PH-MCO guidelines to determine medical necessity of Covered Outpatient Drugs outside the scope of the Statewide PDL cannot be more stringent than the FFS guidelines. The PH-MCO must follow the Statewide PDL Prior Authorization guidelines for drugs and products included on the Statewide PDL.

k. The PH-MCO must comply with the requirements for Prior Authorization of Services, Section V. B. 1. and Exhibit H, Prior Authorization Guidelines for Participating Managed Care Organizations in the HealthChoices Program, and receive written approval from the Department prior to implementation and annually thereafter.

5. Provider and Member Notification

The PH-MCO must have policies and procedures for notification to Providers and Members of changes to the Statewide PDL or MCO Formulary used by the PH-MCO for drugs and products outside the scope of the Statewide PDL, Prior Authorization requirements and other requirements for Covered Outpatient Drugs such as, but not limited to, specialty program requirements.

a. Written notification for changes to requirements must be provided to all affected Providers and Members at least thirty (30) days prior to the effective date of the change.

b. The PH-MCO must provide all other Providers and Members written notification of changes to the requirements upon request.

c. The PH-MCO also must generally notify Providers and Members of changes through Member and Provider newsletters, its web site, or other regularly published media of general distribution.

d. Member notices must be submitted to the Department for review and approval.
prior to mailing.

6. PH-MCO Pharmacy & Therapeutics (P&T) Committee

a. The P&T Committee membership must include physicians, including a minimum of two (2) behavioral health physicians, pharmacists, MA program consumers and other appropriate clinicians. MA program consumer representative membership must include the following:

i. One (1) physical health consumer representative. The physical health consumer representative must be a consumer enrolled in the PH-MCO, or a physician, a pharmacist, or a physical health consumer advocate designated by consumers enrolled in the PH-MCO to represent them.

ii. One (1) behavioral health consumer representative. The behavioral health consumer representative must be a consumer enrolled in the PH-MCO, or a physician, a pharmacist, a behavioral health consumer advocate, or a family member designated by consumers enrolled in the PH-MCO to represent them.

b. The PH-MCO must submit a P&T Committee membership list for Department review and approval upon request.

c. When the P&T Committee addresses specific drugs or entire drug classes requiring medical expertise beyond the P&T Committee membership, specialists with knowledge appropriate to the drug(s) or class of drugs being addressed must be added as non-voting, ad hoc members.

d. The minutes from each PH-MCO P&T Committee meeting must be posted for public view on the PH-MCO’s website within thirty (30) days of the date of the meeting at which the minutes are approved. Minutes will include vote totals.

7. Pharmacy Provider Network

a. The PH-MCO or Subcontractor must contract on an equal basis with any pharmacy qualified to participate in the MA Program that is willing to comply with the PH-MCO’s payment rates and terms and to adhere to quality standards established by the PH-MCO as required by 62 P.S. 449.

i. The provisions for any willing pharmacy apply if the PH-MCO or Subcontractor enters into agreements with specific pharmacies to provide defined drugs or services such as but not limited to, specialty, mail order, and 90-day supplies. PH-MCOs are required to contract on an equal basis with any pharmacy qualified to participate in the MA program that is willing to accept the same payment rate(s) and comply with the same terms and conditions for quality standards and reporting.
ii. Subcontracts and agreements with specific pharmacies contracted to provide defined drugs or services must be submitted to the Department for advance written approval. Any changes to subcontracts or agreements must also be submitted to the Department for advance written approval.

iii. The PH-MCO must submit annually the list of specific pharmacies contracted to provide defined drugs or services, and a list of the drugs or services each pharmacy is contracted to provide, to the Department for review and written approval. Submissions for annual reviews must occur at least thirty (30) days before the effective date of the updated information.

iv. The PH-MCO must notify the Department on an ongoing basis of the following: (1) specific pharmacies that are no longer contracted to provide defined drugs or services and the reason why, (2) pharmacies that request contracting to provide defined drugs or services but are not admitted into the specific pharmacy network and the reason why, (3) any pharmacies that are only contracted to provide a limited scope of defined drugs or services and the reason why.

b. The PH-MCO must develop, implement, and maintain a process that ensures the amount paid to all network pharmacies reflects the pharmacy's acquisition cost, professional services and cost to dispense the prescription to a Medicaid beneficiary.
